PLAY WHILE YOU PAY

And enjoy all the advantages and pleasure that music in your home will give you. DO IT NOW

BY JOINING OUR PIANO CLUB

You participate in several advantages. In the first place you secure a first-class, high grade PIANO, not a box of whistles that the market is flooded with just now.

A MUSICAL EDUCATION.

Heretofore, the great drawback to securing a plane has been the expense of the music lessons, which often makes it impossible for the head of a family to do that family justice or keep up with the requirements of Twentieth century. By joining our Piano Club you secure a complete high class musical education for any member of your family. You secure a music less FREE for every dollar you expend for your plano.

OUR TEACHERS.

Our teachers are the best that money can secure, and our lessons are as complete as given in the great conservatories in the large musical centers

home or abroad. This musical education is FREE to any member of your family and will save you many dollars, educate your family, keep the young people home, and contribute to your everlasting pleasure. We represent seven high class plano manufacturers and each instrument we sell is a legitimate, high grade piano, fully guaranteed. We invite your investigation. Call and select your Piano. PAY AT YOUR LEISURE.
