ROUND ABOUT NEW YORK.

Ripples on the Current of Life in the Metropolis.

The ancient prophet of honesty Diogeness has successfully finished his quest, doused his glim and retired, happy, to his town. He found an honest man. Stranger still, the discovery was made in New York City. This remarkable person answers to the name of Frederick L. Kelley, a book keeper by occupation and his honesty is vouched for by the Consolidated Gas company

The January gas bill sent to Mr. Kelley's home called for 6 cents. For the preceding month the bill was \$5.65. Mr. Kelley knew that he had burned more sas in January than in December and concludes the company had made a mistake. Filled with this sentiment he called at the company's main office. "I have a bill here," he remarked to the clerk, "which seems

to be wrong. "What's the matter with it?" asked the

"Why, there seems to be a mistake i the amount. "Impossible. We never make mistakes in the amounts of bills. The amount is

just what the meter shows you used and it is useless to complain. People always chink they haven't used much gas, but "That may be true," remarked Mr. Kelley. "But this bill is entirely too small.

I've used more gas than this." "What?" said the clerk, clinging to the ledger for support.

"It probably should be \$5.10 for January. come home to Nebraska to decide whether continued Kelley calmly, "but it is made he wants to enter the race for another term. SENATORIAL SUGGESTIONS.

Fremont Tribune: Senator Millard has

fication to make a representative at our

national capital in whom Nebraska would

Hartington Herald: Hon. W. P. Warner

Lincoln Politician: Sentiment over the Sample of the Real Article Supplied state is growing more pronounced for Roseby Astgust Members. Boston Globe,

Nothing more beautiful and edifying has been witnessed in the history of the proceedings of the senate of the United States than the pronounced courtesy which recently has marked the debates. The interchange of honeyed compliments between the grave and reverend senators pever has been more frequent and frank, and these phrases of polished politeness have passed between men hitherto distinguished for a readiness for combat.

SENATORIAL COURTESY.

Strangest fact of all, the railway rate Ansley Chronicle: Our favorite son for bill, which might have been calculated to United States senator is Hon, F. M. Curexcite strong feeling, appears only to have rie. Mr. Currie is the most logical candiinspired thus far the most profound courdate in our estimation. It is true he is tesy in discussion.

At the close of last week Senator Tillman was questioned about this bill, and the Congressional Record prints the following exchange of kind words between the forceful South Carolinian and the not less pertinaceous Senator Spooner of Wisconsin, which may aptly serve as an illustration of the era of good feelings that now reigns in the senate:

from the farms and is a sincere regard for "Mr. Spooner-The senator used an expres-

sion which I knew he would withdraw. "Mr. Tiilman-Certainly 1 withdraw it, because it is not accurate, and I do not want to be inaccurate, although I am very often so, I suppose, in the niceties of language "Mr. Spooner-I do not know any man who can be nicer than the senator from South ful medal. On one side was the figure of Omaha, and it is all folly to talk of him Carolina when he thinks for a moment

of time and considers what he says. "Mr. Tillman-If 1 sat down to write a nice note to the senator from Wisconsin I think I might use language that probably would e calculated to pass muster in that line. "Mr. Spooner-The senator has said a great deal to me in the heat of debate that has been very agreeable and pleasant and implimentary.

'Mr. Tillman-I thank the senator for the ompliment. I really have no malice toward anybody, but when I once get into a discussion I get carnest, though I do not want to say anything to wound."

Lord Chesterfield could do no more

PASSING PLEASANTRIES.

"What do you think of the bill I have in-troduced?" "Well," answered Senator Sorghum, "after the amendments and the supreme court's decisions get through with it, it ought to make a pretty good sort of a law, But you can't tell."-Washington Star.

the cities and towns in our legitimate fact do not exist, and it is apparently for this very reason of the upbuilding of the prean hed that the phenomenon now under observation arises. Hence it is to be concluded that the active volcano and the earthquake are to be known on the surface of the globe for many long cycles of time Last Sunday week two aged women were to come.

STRANGE THINGS DO HAPPEN.

Preliminary Lineup of Leaders in the Democratic Camp. Washington Post.

Talleyrand treated his friends as if they were some day to be his enemies, and his onduct toward his enemies was as though they would some time be his friends-at least that is the estimate 'Talleyrand's master, Napoleon Bonaparte, put on Talleycent of the wealth he has collected at rand's conduct. This reflection grows out Zion was doubtless started by someone of present political conditions right here at

The Cleveland people are asking to keep company with the Bryan folks. It is said that they will welcome the great apostle of latitudinarian democracy when he re-

turns from foreign parts next month and offer him the crown. They feel that the by a movement made for the pardon of a people hold the republican party responsigang of murderers in New Jersey whose ble for the present fast grip monopoly has crime of a few years ago was particularly upon them, and that no argument, no

offense. The only plea made for them is Mr. Bryan is now counted a conservative, that two of them are in bad health. It is possibly because Mr. Hearst is a radical. nority, as Roger Q. Mills on a memor- ages criminals in reasonable hopes of com- party in the next great battle unless the able occasion declared, would be mitting crime with impunity, and which unexpected should happen. The Cleveland provokes communities into taking the law crowd have as little use for Hearst in 1965 into their own hands to their own eventual as they had for Bryan in 1898, and present conditions show what capers and shines parties can sometimes cut in this world. The radical of yesterday is become the conservative of today.

would strengthen Bryan in the east no vember, leaving it a point of honor with Illinois and Missouri? Will the brethren 200,000; in the New Jersey suburbs, \$10,000. the legislature to ratify the popular deci- out there consent to be yoked with "the 000. This makes \$124,000.000 for the last year

However, none can tell what the har

vest will be. A free people is sometimes whimsical, especially when the pot is boiling. But who would not journey across siding over a great Bryan meeting in Madison Square Garden during the campaign of

carry on business in Manhattan. These huge total expenditures can be forecast from estimates which are a matter of record. That the outlay for new buildings will exceed \$530,000,000 is plain, because this total represents five years of construction no larger in volume than that of the last year. Current real estate booms in all the suburbs indicate that the next five years of in new structures during 1905. The total in the Bronx was \$37,500,000; in Queens, \$12,-For the next five years it is believed that ston oon 000 would be a conservative estimate

Great Respectors of Law. New York World.

Just at this time, when the coal railroad operators are quarrelling with the mine workers over the question of wages, it is interesting to learn at the hearings of the interstate Commerce commission how they the continent to see Grover Cleveland pre- have maintained pooling agreements for the last ten years covering the distribution and transportation of coal and the division of traffic among the different roads. There is nothing like respect for the law.

To succeed these days you must have plenty of grit, courage, strength. How is it with the children? Are they thin, pale, delicate? Do not forget Ayer's Sarsaparilla. You know it makes the blood pure and rich, and builds up the general health. Sold for 60 years.

We have no secrets! We publish the formulas of all our medicines.

Made by the J. C. Ayer Co., Lowell, Mass. Also Manufasturers of

ATER'S HAIR VIGOR For the hair. ATER'S FILLS For constipation. ATER'S CHERRY PROTORAL For coughs. ATER'S AGUE CORE For mainrie and ages

There will be a struggle between these construction will run far shead of the 1965 two forces. That the Cleveland element total. Builders in Breoklyn spent \$54,200,000
