Carload of Bedding and Clothing Expeeted to Be Ready for Forwarding Not Later Than Tuenday.

While the mass meeting yesterday aftersoon at the New theater, under the auspices of the California relief committee, brought out a gathering which filled the first floor, it was noticeable that 95 per cent of those present were women. As a result of the meeting the committee's fund was increased \$49.60. Of this \$25.60 was contributed in cash and \$20 in pledges. Rev. F. A. Case, pastor of the First Baptist church, presided and short talks were made by Mayor Macrae, Rev. James O'May, pastor of the Broadway Methodist church; Senator C. G. Saunders and Charles M. Harl. Both Mayor Macrae and Rev. O'May dwelt strongly on the point that the disaster in San Francisco called for a liberal response from the people of Council Bluffs in return for the magnificent manner in which the boys of the Fifty-first Iowa volunteers were treated during their stay in that city, both on going and returning from the Philippines. Rev. W. B. Clemmer, Rev. W. N. Graves and Rev. G. W. Snyder assisted in the exercises, while Mrs. Robert Mullis contributed a vocal

At a meeting of the executive committee following the mass meeting in the operahouse it was suggested that an effort be made to secure a carload of provisions, including potatoes, onlons and other nonperishable vegetables. Nothing definite, however, was decided about this and the matter will be brought up again at the meetings of the full committee this morning at 10:30 o'clock in the rooms of the Commercial club.

The members of the woman's committee worked hard the greater part of Sunday packing the clothing and bedding which they had collected. The women expect to be able to send forward a carload of clothing, blankets and other bedding not later than Tuesday.

The Union Pacific has placed a car at the disposal of the committee and will send it to the coast as soon as it is loaded. The collection at the Broadway Methodist church yesterday morning amounted to \$19.08 and that at the First Christian church about \$12. The other churches have not yet reported to Treasurer True.

Bluffs People in 'Frisco. Nat C. Browning, a former resident of Carroll county, this state, was at the Grand hotel yesterday en route from Los Angeles, Cal., where he at present resides, to Des Moines. He was accompanied by his mother. On the train here they met a young woman and a young man, refugees from San Francisco, who escaped from the stricken city with nothing but the clothes they had on their backs and enough money to pay their way to Chicago, where they have relatives. At the suggestion of her son; Mrs. Browning accompanied the young couple from Council Bluffs to Chicago in order to see that their

wants on the journey were supplied. Mrs. B. M. Jackson, daughter of Mr. and Mrs. George W. Lipe, is anxious about the safety of her husband, Dr. Jackson, who was called to San Francisco about April 1 by the serious illness of his father, who heard from Dr. Jackson since the disaster and all efforts to reach him by telegraph have seemingly failed. Mrs. Jackson expected her husband to leave San Fran-

cisco last Wednesday. William Mattai, formerly trainmaster of the Omaha division of the Great Western railroad, now superintendent of terminals at Oelwein, passed through Council Bluffs Saturday en route to San Francisco. His family was visiting there and he has been

unable to get any word from them. Mrs. Henry Ott of Lincoln avenue is nuch worried over her son, Henry Ott, who was employed in the Southern Pacific headquarters in San Francisco. Efforts to communicate with him have failed so far.
