

POLITICIANS KEEP QUIET

Stir Which Started When Committee Met Has Subsidied for Present.

BURKETT'S FRIENDS ARE UP IN THE AIR

Senator Has Shown No Inclination to Take a Hand and His Supporters Do Not Know What to Do.

(From a Staff Correspondent.)

LINCOLN, April 22.—(Special.)—The utter absence of political activity at the state house these days is in strange contrast to the general activity of a few weeks ago. Immediately after the meeting of the committee, at which the time for holding the election was set for August 22, the state officers who are candidates for re-election let up on their strenuous talks on politics and now everything is running along as though no convention was in sight.

An impression which in some way gained considerable headway, to the effect that the state officers who want to succeed themselves had made a combination with candidates for other offices, is denied by every one of the state officers. It is true some time ago all of the state officers who are now running held a meeting and agreed to assist each other, but this agreement, they assert, is in no way affected by the candidacy for governor, state treasurer or United States senator. In fact, some of these officers have said no ironclad agreement was made that they would stand or fall together, but the meeting merely had for its object an understanding, where it would not conflict, each officer was to take out a helping hand to his brother officer.

It is freely discussed in Lincoln, and really believed, the outcome of the fight in Iowa over the nomination of a candidate for governor may have a direct bearing on the Nebraska fight. There is no question but what Governor Mickey will become a possibility as a third term gubernatorial candidate, even though some of his friends are considering him as a senatorial possibility. The fact that he lives south of the Platte may check any ambition Governor Mickey may have in the senatorial direction, but if Governor Cummins is nominated for a third term, it is not unlikely that he will consider his declaration, given on the spur of the moment when the direct question was put to him, of returning to the tall uncut when his term is out. The fact that he still continues to take "conversational" shots at the railroads every once in a while has led to the belief that he will put nothing in the way of any movement which may tend to continue him in office, either here or at Washington. In other words, if "duty calls" the governor won't sidestep.

Looking to Burkett.

In the meantime here in Lincoln there is considerable discussion among the friends of Senator Burkett because he is not helping along in political affairs. When Burkett defied the old-time machine in the judicial convention here a year ago his followers thought, of course, that meant he was going to leave the things to the machine, but it seems such is not the case. The so-called machine has been going along the same as formerly and there seems to have been no effort on the part of Burkett to organize against it and those who whoop it up for him in the late convention are correspondingly cast down, for they have no leader.

Memorial to General Thayer.

Memorial services were held today at St. Paul church in honor of the memory of the late General John M. Thayer. The principal address was delivered by the Rev. Luther F. Ludden.

Big School Apportionment.

The semi-annual apportionment of school money to be made in May promises to be much larger than the apportionment made at this time last year. The loss of the business yesterday afternoon there was in this fund \$324,000, or some \$10,000 more than at the same time last year. The distribution of the money is to be made on the third Monday in May.

Playgrounds for Children.

The women composing the Lincoln Improvement society are planning to secure play grounds for children this summer. They have purchased the land and are now clearing the ground on a street between Fifteenth and Sixteenth which they expect to secure. During the coming week they expect to plant flowers in postoffice square, as they do every year. The next move of these women will be to plant to grow vines on the walls of the school buildings.

Playgrounds for Children.

Harry Bowen, a bookkeeper in the office of the city treasurer for a number of years previous to the time he was deputy city clerk, has resigned his position. It is understood Mr. Bowen will take a place with the First National bank.

New Point in Land Law.

KEARNEY, Neb., April 22.—(Special.)—A law suit which has for almost a year been laid and bitterly fought was concluded in the district court before Judge H. M. Grimes Saturday. The suit involved the title to 100 acres of land located in Buffalo county, a goodly portion of which was in suits and the land was fairly valuable. The whole question involved was whether or not a timber claim could be willed away and if a court could enforce the terms of the will when at the time of the entryman's death final proof had not yet been made of the land. The suit was brought by three sisters and the children of two other sisters, the plaintiffs being Eliza Walker, Amanda Hazary, Mary Newman and others against Henry Eberman, who claimed the land under the will. Judgment was rendered for the plaintiffs, who were represented by Attorneys Muldon and Shuman of North Platte. The defendant had purchased the land from the only son and brother of the sisters and the mother of the same. The sisters claimed the five-sixths interest in the land, which they secured by the judgment, leaving the defendant the one-sixth interest which he purchased of the son.

Nelson, sergeant-at-arms. The scale of wages is fixed at \$11 and \$12 per week, nine hours to constitute a day's work. This action was taken awaiting the results of the Omaha strike.

TOPERA LOSES THE SECOND

Carrie Nation's Sunflowers Are Faded Again on Pa's Lots.

OMAHA SHUTS OUT KANSAS CROWD

Young Dodge Makes Good Debut in His First Appearance on the Slab for the Omaha.

Again were Cooley and his band destined to a trouncing and they got it at the hands of Pa's Colts Sunday afternoon at Yinton Street park to the tune of 5 to 0 before a goodly crowd. Base ball enthusiasm is at a good point in this city and all it needs is a good article of ball at the hands of the Western league to make the fans turn out.

Dodge, the new recruit whom Sourke delivered from the Chicago Nationals, surely delivered the goods in the five innings he twirled yesterday afternoon. He is a big, strapping fellow and has an abundance of speed as well as all the other necessary elements which go to make up a good pitcher. He walked but one man, struck out six and permitted the Cooleys to no hits and no runs; in fact, none of the gentlemen from Kansas got as far as second.

Hits on the part of Omaha were also scarce. The only players who got more than one were Dolan and Perring, and they came unexpectedly. McGinnis pitched a good game. The three runs made by Omaha in the second inning were made by one hit and two errors. Again in the eighth the runs were made on two singles, an error and a bad throw. The newly made ground on Pa's infield was largely responsible for the errors made by Reagan, as the ball bounded badly—New dirt has been put all over the infield track and it is a pain is required to beat it down.

Jay Andrews got one of the two hits made off Heusser. It was a corker, and with one of Omaha's feet-footed Colts to run could have easily been a home run, but Jay is getting old.

The Union Pacific shop's team will play this afternoon. The score: OMAHA, A. B. R. H. P. O. A. E. Carter, cf., 4 0 0 0 0 0 0 0; Howard, 2b., 4 0 0 0 0 0 0 0; Fenlon, lf., 4 1 0 0 0 0 0 0; Dolan, 1b., 4 2 2 0 0 0 0 0; Perring, 3b., 2 1 0 0 0 0 0 0; Mark, c., 4 0 0 0 0 0 0 0; Heusser, p., 2 0 1 1 0 0 0 0. CINCINNATI, O., April 22.—Both teams played poorly in the game this afternoon. St. Louis secured a lead early in the contest, and although the locals made a strong effort to overtake them, they fell just short. Score: CINCINNATI, B. O. A. E. FOUR DIE IN NEW YORK FIRE

Stable and Row of Three-Story Flat Buildings Destroyed on Coney Island.

NEW YORK, April 22.—Four lives were lost early today in a fire which swept away a stable and a row of three-story frame houses employed by the city on Coney Island. The fire broke out in a stable and spread to the row of houses, which were nearly thirty years old, and were rendered homeless.

Cowboys Fight Officers

Proprietor of Wild West Show Seizes Arrest at Richmond, Mo., and is Released.

RICHMOND, Mo., April 22.—Skip Wilson, one of the proprietors of a "Wild West" show is dead and his partner, William Duval, is fatally injured as the result of a battle with officers on the public square at a late hour here tonight. The fight was between four officers on one side and a band of cowboys, led by Wilson and Duval, on the other. None of the officers were injured, but the fight was the result of an attempt to arrest Wilson for an offense it is said he committed when his show appeared here last fall.

Jury Sees Damage Claim.

SIoux FALLS, S. D., April 22.—(Special.)—The jury in the case of E. H. T. Tobey against the Milwaukee Railroad company has returned a verdict awarding the plaintiff damages in the sum of \$200. Tobey sought to recover damages to the amount of \$12,000 for the loss of an arm, resulting from a hack on which he was riding being struck by a freight car at Mitchell. The trial of the case in the United States court consumed several days. The jury went out Saturday morning at 10 o'clock and did not agree upon the verdict until late last night.

Frank Crawford Wins.

The Frank Crawford of South Omaha won their second game of the season Sunday afternoon, defeating the Clean Clippers by the score of 2 to 0. The game was better played than the score would indicate. The Clippers a times, hearing up and playing splendid ball. The Crawford team made two or more hits. The game was well supported by a large crowd.

Lincoln Has a Close Call.

FREMONT, Neb., April 22.—(Special.)—Ducky Holmes bunch had a close call this afternoon. If it had not been for an error in the second, letting in two men, it would have taken more than nine innings to decide the game. Brown pitched strong game and was well supported by Shea. Score: LINCOLN, B. O. A. E. Brown, p., 4 0 0 0 0 0 0 0; Shea, 1b., 4 0 0 0 0 0 0 0. Total: 8 0 0 0 0 0 0 0.
