Nebraska and lows Association of Wholesalers Transacts Little Business Beyond Election of Officers,

At the annual meeting of the lows and Nebrarka Wholesale Grocers' association in this city yesterday the question of the feasibility of erecting cracker factories in the territory embraced in the association was one of the principal matters discussed. The relation between the jobbers and wholesalers and the National Biscuit company, known as the Cracker trust, are not harmonious. The National Biscuit company, it direct to retailers provided it can find buyers of sufficient importance to warrant it doing so. This the jobbers and wholesalers naturally object to and they take the position that the National Biscuit comthe jobbers and wholesalers or else to the retailer direct. A committee was appointed to investigate the matter and report at

Pay for Park Commissioners. From and after July 4 the members of he Board of Park Commissioners will receive \$150 a year each as salary. The city council at its meeting Monday night adopted a resolution providing for the payment of this salary to the park commissioners, as the latter had to secure the consent of the city council under the act passed by the recent legislature. The resolution as introduced at the meeting of the city council had to be amended to make t operative after July 4, as the act did not have an emergency clause tacked to it and therefore will not go into effect until after July 4.

to run. This estimate is based on the cost of running the city for the last four months. The clerk yesterday submitted an itemized statement of the expenses of the last four months by which it was shown that the cost to the general fund was \$8,508.54. Election expenses and charity account for about \$3,000 of this, but there would naturally be others incident to the usy sesson which would balance this charge. It will take some scheming on the part of the city financiers to shift the money in the different funds about so as to have no department running behind before the close of the year.

General Fund Running Low.

It has been found that the general fund of the city is growing short to carry the city over to the beginning of the next year. In fact there is marcely more than \$300 in the fund. This fund will be drawn on ordinarily at the rate of above \$2,000 per month, and there is still four months to run.
