

SWEDES CHEER FOR BENSON

Republican Candidate Given Ovation at Washington Hall.

PLATFORM AND ISSUES ARE EXPLAINED

Stand of Republicans in Present Campaign for Clean, Honest Government for the People is Brought Out.

Swedish-American voters turned out in large numbers to the republican meeting in Washington hall last night, where they heard strong speeches setting forth reasons why the republican municipal ticket should be supported.

When Mr. Benson entered the hall to make a short address he was given an ovation that put to shame all stories of his inability to enthrone the voters.

Sweden Proud of the Party. "To Swedish-American ears the word 'democrat' has no pleasant sound," said Mr. Anderson in opening the meeting.

John J. Ryder told how he had been a Hignings man before the primaries, but that inasmuch as Benson had won in a clean, fair fight he considered it his duty to support him.

Dahlman and His Platform. "Furthermore, I want to say," said Mr. Ryder, "that I have no use for a candidate with his headlight on behind."

What can any republican hope to gain by bolting the ticket? It came direct from the people. There is no question about the fitness, the honesty and the stability of every man on it.

False Issues Raised. Mr. Benson devoted some attention to calling to mind that the opposition had waged a campaign in which it has attempted to raise false issues.

Corporations and Brewers Aligned. Besides the criminal element, which is opposing me, are other well recognized forces. One of these is the gas company, with its head in Philadelphia and its tail in Omaha.

done more to corrupt municipalities than any other thing of its kind. It is paying money to defeat us because it wants to sell its product to you for more than it is worth.

"The money of the local breweries is flowing into a hush fund to help to defeat our ticket. As I said before, I have nothing against the saloon when it obeys the law, but in a fight between the saloon and the home I am for the home for all time.

My opponent charges me with lacking backbone. I have only this to say. I am 32 years old, was born in Louisiana county, Iowa, and I have enough backbone to let anyone who wants to go over my life and record and see every bit of it.

Mr. Benson discussed municipal government in general way and declared that the platform of the red light district are unimportant in his support of the democratic municipal ticket.

Jefferson on the Issues. Chairman Jefferson said it was inconceivable to him that government by the people meant an appeal to the baser instincts, but on the contrary it was founded upon the heart and mind and conscience of the affection of humanity.

club says: "Rumors have reached me that a ticket has been put out, purporting to be the ticket of the Equal Rights club, of which the names of some democrats appear. I wish to denounce any such ticket as spurious. The Equal Rights club has put out no ticket, and will put out none. If it did it would be the straight republican ticket, for the club has endorsed the nominees of the party from first to last."

COULD NOT REST NIGHT OR DAY With Irritating Skin Humors--Whole Body Affected--Scalp Itched All the Time and Hair Began to Fall Out--Wonderful Result From APPLICATION OF CUTICURA REMEDIES

"I am never without Cuticura Soap and Cuticura Ointment since I tried them last summer. About the latter part of July my whole body began to itch. I did not take much notice of it at first, but it began to get worse all the time, and then I began to get uneasy and tried all kinds of lotions and other remedies that were recommended for skin humors; but I became worse all the time. My hair began to fall out and my scalp itched all the time. Especially at night, just as soon as I would get in bed and get warm, my whole body would begin to itch and my finger nails would keep it irritated, and it was not long before I could not rest night or day. A friend asked me to try the Cuticura Remedies, and I did, and the first application helped me wonderfully. For about four weeks I would take a hot bath every night and then apply the Cuticura Ointment to my whole body; and I kept getting better, and by the time I used four boxes of Cuticura I was entirely cured, and my hair stopped falling out, but I continue to use the Cuticura on my scalp. It keeps all dandruff out and scalp is always clean. I never found it necessary to call a doctor, as these Remedies are a sure cure, if used as directed. I am glad to recommend them to all mothers." Sincerely yours, Mrs. F. A. Kennard, June 21, 1905. St. Paul Park, Minn.
