PALMER ASKS FOR REPAIRS

Palmer asks for repairs to the Pavement Around Federal Building to be Fixed by Government.
HITCHCOCK MAY ADDRESS POSTMASTERS
Postmaster General Cortelyou Assures Mr. Palmer He Knows No Present Reason Why Assistant Cannot Come West.
WASHINGTON, April 27.—(Special Telegram)—Senator Millard, who returned from New York this morning, accompanied Postmaster H. E. Palmer of Omaha to the supervising architect's office and the Post-office department. Captain Palmer is anxious that some improvements to the west side of the Omaha postoffice be made in order to facilitate the handling of mail in wagons going or coming from railroad depots or substations. He wants the pavement on which these wagons stand to receive or discharge their cargoes repaired. This will cost \$400. The supervising architect said the needed improvements would be made.
Hitchcock May Visit Nebraska.
Postmaster Palmer subsequently saw Postmaster General Cortelyou and extended through him an invitation of the Nebraska postmasters to First Assistant Postmaster General Hitchcock to address them at their annual convention to be held at Omaha June 5. Postmaster General Cortelyou stated he personally had no objection to his first assistant attending the convention, and unless some unforeseen public business should detain him there is every reason to believe that Mr. Hitchcock will be present.
Amending Land Laws.
Senator Hambrugh's bill amending the existing law as to newspaper publications of notices of final proof of homestead entry passed the senate today. The measure is of interest to newspapers where-

DOCTORS FOR MEN

any of you are suffering from physical weakness and loss of sexual vigor, your nervous system is being depleted and your bright prospects are being weakened and impaired. Life is not what it should be. Dependancy and gloomy forebodings have taken the place of duties; your nights are restless and unrefreshing and each morning you awaken again to the cheerless realization of your physical impotency and your position among your fellow men.
In many cases abusive habits, night losses and day drains are the cause of your condition, while in others it is some secret disease, Gonorrhoea or contagious Blood Poison, or frequently the results of neglected or improperly treated private diseases, which cause Stricture, Varicocele, Prostatic, Kidney and Bladder Diseases. These diseases cannot be cured until first their cause is removed and cured. Men, don't delay. Don't give up if others have failed and unrefreshing. Come today to the MEN'S TRUST EPISCOPAL and learn your true condition. Get the right treatment first and be cured safely and thoroughly.
For a safe cure of the diseases that so insidiously destroy the intellect, strength and very manhood, secure the services of the eminent specialists of the State Medical Institute. They will stop these unnatural drains, with their terrible results and restore to health the pitiable victims of Nervous Debility, brain fatigue and wrecked manhood. We cure safely and thoroughly.
Stricture, Varicocele, Emissions, Nervo-Sexual Debility, Impotency, Blood Poison (Syphilis), Rectal, Kidney and Urinary Diseases
and all diseases and weaknesses of men due to evil habits, excesses or the result of specific and private diseases.
FREE CONSULTATION AND EXAMINATION. Office hours: 1 a. m. to 1 p. m. Sundays, 10 to 12.

STATE MEDICAL INSTITUTE
1308 Farnam St. Between 13th and 14th Sts., Omaha, Neb.

HAYDEN BROS.

ever land offices may be located. The bill provides that all notices which the general provisions of the public land laws now require are to be published in a newspaper of established character issued near the lands described, in such notices and within the land district and county in which said lands are located. In cases where two or more papers are published in the town nearest such lands, or in two or more towns which are of equal distance from such lands, such notice shall be published in any one of such papers as the register of land office may direct.
Minor Matters at Capital.
Senator Burkett today introduced a bill granting an increase of pension to H. C. Phipps of Fremont.
W. H. Maxwell, Pierre, S. D., was today awarded the contract for construction of the public building at Fresno, Cal., at \$49,507.
Judge Norris again appeared before the interstate commerce committee in behalf of his bill to limit the hours of railway employees. He was followed by Secretary Moseley of the Interstate Commerce commission and ex-Congressman Payson of Illinois, who appealed for the railroads. No action was taken by the committee. Hearings are to be continued until a later date.
Today Congressman Norris secured a pension of \$5 for Joseph Hummel, Hardy, Neb.
Congressman Kennedy was fortunate today to have included in the 215 bills passed by the house two bills of his own, to increase the pension of Robert D. Williamson, Omaha, from \$17 to \$26, and a bill giving a pension of \$12 to William C. Berghahn, Omaha.
Mr. Kennedy was notified today that Michael Novak of South Omaha had been allowed a pension of \$8, from May 5, 1905.
Judge Kinkaid today secured the following pensions for constituents: Sam Watson of Gibbon, additional of \$10 from March 15; Thomas Henderson of Morrill, \$16 from February 11, 1905; Joseph Weeks, North Platte, \$6 from May 1, 1902, and \$8 from February 3 of this year; William H. Riddle, Burwell, \$5 from July 17, 1905.
The committee on military affairs has favorably reported Judge Kinkaid's bill granting to Charles H. Cornell the right to build a dam across the Niobrara river and to construct an electric railroad across the Fort Niobrara military reservation.
Postal Matters.
S. C. Hewitt, Omaha; L. A. Mullen, O'Neill; W. M. Jones, Farnam; C. L. Wright, Hastings; E. S. Luce, Wakefield, Neb.; Ralph L. Brown, Charles City; J. S. Nichols, Cromwell; C. W. Norris, Glidden, Neb., have been appointed railway mail clerks.
Postmasters appointed: Nebraska—Sargent, Custer county, S. L. Pering vice H. P. Savage, resigned; Westerville, Custer county, Hattie Johnson vice Frank W.

STATE RESTS GRAIN CASE

Recumseh within a few days to begin the work.
WARD—Tuesday afternoon at 5 o'clock, while a heavy windstorm was raging, Charles Gentry's residence at Beaver Crossing caught fire and was mostly consumed, together with bedding and wearing apparel. There was no insurance, so the loss is complete. Roy Tyler, while pulling the fire engine, fell and was run over by the engine and badly injured about the body and face limb.
BEATRICE—The Odd Fellows of this city and their wives celebrated the eighty-ninth anniversary of the order last night in an appropriate manner. P. T. McMahan delivered the welcoming address, and after a number of guests at the hall, the A. Mulligan gave an address on Odd Fellowship at the close of the program a banquet was held. Nearly 30 persons were in attendance.
HUMBOLDT—The local Odd Fellows lodge last evening celebrated the eighty-seventh anniversary of the founding of the order by entertaining their wives and a number of guests at their hall, a number of speeches and a literary and musical program being followed by a banquet at the Park in place west of the city and turning in East Leigh Thursday night at 11 o'clock of lung trouble. He was born in Vermont January 21, 1815. He was a soldier in the Indian war. Mr. Holden had been a resident of this city for many years and was twenty-five years, and was a highly respected citizen. He leaves a wife and three sons. Funeral services will be held at the hall in Falls City on Wednesday, interment in the Leigh cemetery.
HUMBOLDT—The district meeting of the Knights of Security was held at the Wall hall in Falls City on Wednesday and the events consisted of a reception and a banquet with a musical program. The delegates to the national convention, which is to be held at Denver in June, were H. B. Winham of Plattsmouth and J. Y. Swigart of Lincoln, while L. M. Thomas of Lincoln and Mrs. Gertrude D. Clark of Nebraska City were named as alternates.
FREMONT—The Board of Supervisors spent the day inspecting the banks of the Platte with a view of deciding on some method of putting in dikes to keep the river in place west of the city and turning more of the current into the south channel. The new dike system which appeared to be the best is providing a practical failure as far as a permanent change in the current of the river is concerned and property owners southwest of town and in the southern part of the city are anxious to have the city take steps to prevent the river from doing more damage.
BEATRICE—Water Commissioner Field has refused to sign the bill, Dr. Davis, the water expert, amounting to \$12, and because of this action on the part of Mr. Field he and Mayor Shultz claimed yesterday and indulged in a heated argument concerning the rights of certain officials. When the city council entered into a contract with Dr. Davis of Des Moines to construct the water works, the water commissioner Field was not consulted, and now he balks on signing the report recommending the payment of the bill. There is some talk of ascertaining what rights, if any, the water commissioner has in the premises.
WEEPING WATER—Jesse, son of John Donahue, living northeast of town, was struck yesterday. He started out in the morning with four horses to do some drizzling, and it is supposed that at the noon hour he took the horses to a pasture to water, and while there was kicked and rendered unconscious by the horses. Around one hand the hitch strap was wrapped and the horse was pulled off the horse. He lay still and cold when found at 1:30 last evening after the horses had returned to the home. As the boy had

A Food to Work On

Work! Work!! Work!!!
Lots of energy is needed to keep up the pace. In the struggle, the man with the strong body and clear brain wins out every time.
The man of to-day needs something more than mere food; he needs a food that makes energy—a food to work on.
Although some people may not realize it, yet it is a fact, proved and established beyond doubt, that soda crackers—and this means Uneeda Biscuit—are richer in muscle and fat-making elements and have a much higher per cent. of tissue-building properties than any other article of food made from flour.
That this is becoming known more and more every day is attested by the sale of nearly 400,000,000 packages of Uneeda Biscuit, the finest soda cracker ever baked. An energy-giving food of surpassing value—sold in a package which brings it to you with all the original flavor and nutriment perfectly preserved. Truly the food to work on.
Whoever you are—whatever you are—wherever you work—Uneeda Biscuit.

NATIONAL BISCUIT COMPANY 5c
