

BEHNSON IN SEVENTH WARD

Splendid Meeting Hears Ringing Words from Republican Leaders.

HITCHCOCK DENOUNCED FOR HIS COURSE

Combination of Corporations and Crafters and Their Cohorts Scored by Speakers Who Support the Republican Ticket.

Visitors of the seventh ward filled the hall in Park and Popple streets last night to listen to E. A. Benson and other speakers discuss the issues of the campaign. Mr. Benson touched up Mr. Hitchcock and his attitude in this campaign and was followed shortly by C. S. Hayward who also brought out the fact that Mr. Hitchcock had personal aims in making such a strenuous fight for "Jim" Dahlgren.

"It seems strange to me that the good people of this city can't see at a glance with which side the crafters and corporations are lined up in this fight," said Mr. Benson. "I think they will and by their votes keep them from obtaining the power they seek. All the allied forces against good government are against me and the entire republican ticket, because they know their business will not thrive under our administration."

Compliments to Hitchcock.

Mr. Hitchcock has made the statement in the World-Herald that Tom Dennison is for me in this campaign. I think Mr. Hitchcock has developed a capacity for lying in this campaign which would make Ananias look sick. He has ambitions of his own and is willing to sell his soul for gain. As for me I would not make one mistake if I knew it would land me in the mayor's chair. I would not do that before I went into this campaign. My business is worth several times as much to me as the allowance which is made for the mayor. It will be a sacrifice to my home life, but my whole ambition is to see if I cannot make Omaha a better place for people to reside. My platform is not a collection of platitudes on which to ride into office, and then to be abandoned. The only issue after all in this campaign is whether you wish to control your own government or turn it over to certain special interests. The public service corporations pretend to serve the people, but in reality seek to control the people.

Corporations All in Line.

"Have the democratic managers made any such statement as did Chairman Jetter that not one cent had been contributed to the campaign fund by the corporations? They could not. The brewers are also in the deal, spending a slush fund in this town tonight. With this money illegal votes have been registered today—some will be in jail before Monday night."

"This all comes because one man is seeking a high office in this state. That is just what Mr. Hitchcock is doing in this campaign. He is striving to use the mantle of his respectability to cover the thieves and thugs for his own personal gain. Graft is never partisan, but the good citizen is and he is being fooled in this campaign by the mask of respectability. Do those who love their homes and their families wish to turn their interests over to such people. Graft is a material question as well as a moral question."

"It has cost the county of Douglas \$250,000 a year to protect against crime to convict for crime. Do we want to increase this expense by putting the criminal element in power?"

"The corporations want more than to control the government; they want to be the government and to have their tools in office."

Question Before the People.

John T. Cathey said: "This is an important campaign with a dangerous situation. The question which confronts us is whether we, the people, shall control the government or turn it over to the breweries. I should not elect Benson because he is too good a man. Can we have too good a man for our chief executive? More than 50 per cent of the taxes paid in during the last ten years have been eaten up by graft."

C. R. Hayward, candidate for councilman from the seventh ward, said: "I have been trying for the last seven years to do my duty politically and have studied these questions. The government of the city should be moved to the city hall. It has been in the Boulevard school for the last 13 years. I have looked up Dahlgren's record and if the people of Omaha should look it up and vote according to their conscience they would not vote for Dahlgren."

Hayward Surprised at Hitchcock.

"I was never more surprised in my life than at the attitude of Mr. Hitchcock and the misstatements which he has published in his paper. I can say they are false for I have been to these meetings with Mr. Benson and know what I am talking about."

John Butler, candidate for building inspector, said: "The motto should be reversed and made to read 'Omaha, build up 'Jim' Dahlgren, but Omaha is not going to do it."

R. B. Howell spoke at some length on the necessity of adhering to the old party which has done so much for Omaha. He added: "It is not the tax collector who collects most of the taxes of Omaha. Every utility is as much a tax as the tax you pay to the city and county. The water company asks \$450,000 a year, the gas company \$200,000 a year, or nearly one-half of what the city treasurer asks from you, and the street railway company asks \$1,500,000 a year. Three million five hundred thousand dollars is paid yearly to the utility corporations of this city. Why do you keep your eyes shut and not see the taxes and overlook these greater taxes and not try to lower them? We have started on the water company and if this republican ticket is elected it is the honest intention of Mr. Benson and the council to see that

New Version of An Old Adage

Do You Eat For Mere Stimulation Or For Real Nutrition?

In matter of money, there is an old adage that says, "It's not so much what you earn as what you save." And just so, in the question of food and health, it might be said as truly, "It's not so much what you eat as what you eat for." You get out of what you eat.

This is the secret of health, strength and vitality. No dieting, no more nutrition, your food contains, if your system does not assimilate that nutrition—take it up and distribute it through your system. You can gain nothing beyond a temporary stimulation by having eaten. Malt-Vita is a whole white wheat, mixed with pure barley malt extract, thoroughly steamed, cooked and baked to a crisp, is rich in nutrition and is assimilated readily even by the weakest stomach. Every one of its health-giving, strength-building elements is taken up by the system to nourish and sustain life.

PE-RU-NA DR. HARTMAN'S FAMOUS PRESCRIPTION THE TASK OF THE CONTINENT.

READ AND BE CONVINCED.

Just A Few Of the Sincere Letters Written To Dr. Hartman By Honest People.

MRS. ANTHONY RAUCH, 438 Johnston St. Bucyrus, O. MISS LORETTA WALL, 350 N Dale St. St Paul, Minn.

MRS. JESSIE SMITH, 408 Buttles Ave. Columbus, Ohio.

Owes Good Health to Pe-ru-na.

Miss L. Wall, 350 N. Dale St., St. Paul, Minn., writes: "Last spring I had a very severe case of catarrh of the stomach and bowels. I was very much reduced in strength and lost my appetite. I took three bottles of Peruna and found myself gaining very quickly in every way. I also had catarrh in my head, which has been entirely cured. I thank Peruna for the health I am enjoying."

Followed Doctor Hartman's Advice - A Grateful Letter.

Mrs. Anthony Rauch, 438 Johnston street, Bucyrus, Ohio, writes: "I was suffering from obstinate constipation and torpid liver when I took your advice and purchased six bottles of Peruna and Manilla. "When I had taken only one bottle I felt much better and since I have taken two more bottles I feel entirely well, but I will continue taking the medicine for a short time to make sure of my cure."

MRS. M. J. DAVIS, Nashville, Tenn.

Keeps Pe-ru-na in the House.

Mrs. Jessie Smith, 408 Buttles Ave., Columbus, Ohio, writes: "I have used your Peruna for catarrh of the head and stomach, and have been greatly relieved from it. "Therefore, I cannot praise Peruna too much, and can recommend it to any one having the above disease, as there is nothing better. "I always keep it in the house."

The World's Greatest Medicine Factory.

The rapid growth of the Peruna Medicine Company is as phenomenal in the business world as the universal popularity of their famous remedy, Peruna. The plant covers a number of acres, and employs several hundred people. No other medicine firm in the world reaches anything like the volume of business done by Dr. Hartman's firm. Although Peruna is a proprietary medicine, the details of its composition are in strict accordance with pharmaceutical discoveries and nothing gives Dr. Hartman greater pleasure than to show his intimate professional friends through the laboratory where Peruna is made.

A Doctor's Prescription.

For years Dr. Hartman used Peruna in his private practice as a regular prescription. He had no thought of manufacturing it or advertising it as a proprietary medicine until there was a demand made upon him by his many friends, who clamored for the original prescription.

cheaper gas is had at once. This can be done easily by granting a franchise to another company. If this gas company thought for a minute another company would get into Omaha the rates would be lowered at once. Mr. Benson and the council can and will see that the people of Omaha get lower gas."

Election Officers Have Been Instructed.

Election officers have been instructed in certain duties with respect to the voting machines in circulars sent to each by the City Attorney. One of the points made clear in that before the voting begins the machines must be examined in the presence of such party watchers as may be there to ascertain that all counters are set at zero. After quoting sections of the voting machine law the circular reads:

"You will thus observe that before the polls are open it is made the duty of the election officers having the keys of the machines to see that whatever the counter does actually register before the polls are opened and to enter the actual registration on the return sheet, and thus show at what number the machine was started on any particular counter."

Special policemen are needed by the city.

The Good Government league ticket, claimed to have been made up by ballot referendum vote of the league, is out on postal cards. The entire republican ticket is endorsed with the exception of the candidates for building inspector and councilman from the sixth ward. C. H. Withnell and W. S. Sheldon, democratic, are endorsed for the two places respectively. The pronouncement is signed by E. E. Elliott, W. J. McEachron, Dr. H. Gifford, E. F. Magazari, A. A. Lamoreaux, George T. Morrison and John D. Ware, executive committee.

LOCAL BREVIETIES.

Gustaf Holmgren, the bassist of Chicago, will sing at Trinity cathedral this morning. N. P. Fell of Cleveland, O., is in the city looking after his firm's local business and visiting with relatives and friends.

Suit for \$10,000 damages was begun in district court Saturday against the Union Pacific by Perry Turndorf, who fell on a temporary sidewalk crossing at Twelfth and Federal streets, February 18. The road and putting in a sidewalk about the street and had laid the sidewalk for the use of pedestrians. Turndorf says he stepped on a loose board which flew up and threw him to the ground.

Great Disaster at Hollister.

SAN FRANCISCO, April 28.—Details have been received here of the damage done at Hollister, in San Benito county, by the earthquake of April 18. One life was lost in the disaster and the property loss amounted to about \$500,000.

Forty Thousand Patients.

Dr. Hartman estimates that he must have prescribed Peruna for over forty thousand patients before it was advertised as a proprietary medicine.

Relieved in Four Weeks of Severe Cold on Lungs.

Miss Jessie Schaefer, Gen. Del., Appleton, Wis., writes: "I contracted a severe cold which settled on my lungs in very short order and it was not long until it developed into a serious case of catarrh. Every morning I would raise a lot of phlegm, which was very disagreeable. My digestion was poor and my lungs sore. "After a few doses of Peruna I began to mend, and felt that if I kept on taking it, it would not be long until I would be well. I was right, for in four weeks I was well again. "I think Peruna is a grand medicine, and wish to add testimony to the many others you have."

Peruna's Popularity.

Peruna is not like so many other remedies that pass away as soon as the first few bottles are used. The longer Peruna is used in any community, the more popular it becomes.

Peruna Actually Relieves.

"Catarrh is almost universal. Catarrh is difficult to cure. Many doctors do not care to treat catarrh at all. The reason why Peruna has become a standard catarrh remedy the world over is simply because it eliminates catarrh."

HEAVY REGISTRATION SHOWN

More Than Five Thousand Names Added to the Polling Lists.

FRAUD CHARGED IN THE THIRD WARD

Evidence Placed in Hands of County Attorney and Some Sensational Developments Are Promised.

Yesterday's work of correcting the registration rolls, prior to the city election to be held on Tuesday, resulted in the addition of considerably over 5,000 names to the polling lists. At midnight, with eleven precincts not reported, the total registration for the day was 5,311. The eleven missing precincts may bring the total up to 8,300. In the Third ward, from which three precincts are not reported, it is said, many irregularities were committed, and the evidence gathered during the day has been submitted to the county attorney, Charles J. Turndorf, who is in charge of the committee last night said that some sensational developments might be looked for on Monday morning.

More than half the new registration is republican, according to the declaration of party preference. The total by wards is as follows:

Finds Relief in Pe-ru-na After Suffering Twenty Years.

Mrs. M. S. Davis, 1905 Buena Vista St., Nashville, Tenn., writes: "After having been a constant sufferer from catarrh for more than twenty years and after trying almost every remedy advertised, and having lost all hope, I very reluctantly began the use of Peruna about two years ago. "Everybody says I look younger now than I did twenty years ago, and I actually feel younger and better, and weigh more. "I am recommending it to my neighbors and all with whom I come in contact."

Peruna Removes the Cause of Catarrh.

Peruna has no bad effects upon the system and gradually eliminates catarrh by removing the cause of catarrh. There are a multitude of homes where Peruna has been used off and on for twenty years.

Revised Formula.

"For a number of years requests have come to me from a multitude of grateful friends, urging that Peruna be given a slight laxative quality. I have been experimenting with a laxative addition for quite a length of time, and now feel gratified to announce to the friends of Peruna that I have incorporated such a quality in the medicine which, in my opinion, can only enhance its well-known beneficial character."

Andy Traynor of Omaha is also a candidate, as is H. W. George of Broken Bow. According to custom, the department commandery has alternated north and south of the Platte heretofore, but as the last two commanders, Barr and Lett, are South Platte men, it begins to look as if the office may fall to a north of the river man at the department encampment at Lincoln, May 15-18.
