been an almost unanimous response among particle of mineral. Book with instructions for self treatment and medical advice without charge. THE SWIFT SPECIFIC CO., ATLANTA, GA.

Mercury and potash are very deceptive treatments and the blood poison

sufferer who depends on them for a cure is sure to be disappointed. These minerals will remove the external symptoms and shut the disease up in the

system for a while, but the trouble will surely return and the loathsome

symptoms of sore mouth and throat, copper-colored spots, falling hair, sores

and ulcers etc., will be accompanied by the disastrous effects of the

treatment. The continued use of these strong minerals will completely ruin

the health and weaken the system to such an extent that the original

disease often becomes incurable and sometimes fatal. Mercury and

potash eat out the delicate lining of the stomach and bowels, destroy

the gastric juices, producing chronic dyspepsia, cause mercurial Rheumatisur,

salivation, and where they are taken in large quantities cause necrosis

or decay of the bones. S. S. S. is the only remedy that can cure Con-

tagious Blood Poison surely and safely. This remedy of nature, made

entirely of roots, herbs and barks, antidotes and destroys the powerful virus

of the disease and by purifying the blood of every particle of the poison and

enriching and strengthening this vital fluid it removes every symptom
