eky Hoimes and his bunch from Salt were handed another defeat by the ha Colts at Vinton Street park Saturafternoon, the final score being 5 to 2. game was a repetition of the game the before when Omaha made four tallies he first inning. Friday no more were ed after the first, while in the game urday the Colts put on another for d measure. Holmes' pitchers seem to a terror of large cities which they not get over until well warmed up, but the game yesterday Holmes did not e Harmon, who started the ball going, chance to warm up at the expense of the sentators' time, but called in Mr. Anlin our Hastings, who pltched a pretty game. Koukalik was sent in to oblige for Pa ind pitched a spiendid game all the way brough, although three hits and a base on

salls were charged against him in the

ighth inning. Harmon started to heave Bay, cf. Holmes, but his life was short. Bonder went after him with a two-bagger which on advice of poor coaching he tried. to stretch into a triple and was caught. Carter was jarred in the slats and Bassey hit for a double, which perched Carter on Welch hit an unexpected Texas ihird. leaguer to left field, scoring Carter. Bassey and Welch tried for a double steal which was successful, landing Bassey across the Dolan reached first on Quillin's pinte. efusal to hold his grounder and then he and Weich tried another double steal, which also worked, scoring Welch. Runkle singled, scoring Dolan, when Ducky Holmes came running in from his garden and ordered Mr. Harmon to the stable. That ended the run getting, for Ahlin showed them all how ball is pitched in Hastings, and none reached first for the balance of the inning.

Lincoln Gets in the Game.

Lincoln's first score was made in the fourth inning, when the fleet footed Ketchum walked, went to second on St. Louis' Jack's single, went to third when Colling hit to Runkle, retiring Thomas at second and home on a double steal with by Collins. The second run for Lincoln was made in the eighth inning when Quillin was given a base on balls, went to second on Ketchum's single to right and home on Barton's safe hit to left.

Holmes started a neat double play in the fifth inning when he made a hard run for a fly from Runkle's bat, going clear to middle field for it, and then caught Welch, who had led too far off second, thinking impossible for Holmes to get the ball. Omaha's fifth tally was made in the eighth inning. Carter drove a double to left field and scored on Bassey's single to middle field. Bender made two doubles i three times up, but was caught each by being too eager on the bases. The first time when he tried to stretch his two-bagger into a triple and the second time when he tried to come home from second on a wild pitch by Ahlin. He came within an ace of making the last play. as none of the Lincoln' team seemed to be watching for him to come, but Ahlin rushed to the plate in time to get him by a close decision.
