

PUEBLO TEAM HAS BUSY DAY

Make Fifteen Hits and Twelve Errors in Contest with Omaha.

COMBINATION GOOD ENOUGH TO LOSE GAME

Homebats Hit 14 Out Safely Ten Times and Put Up a Clean Fielding Exhibition—Pueblo Decides to Strengthen Up.

PUEBLO, Colo., May 9.—An even dozen games by the Indians gave the first contest of the series in Omaha by a score of 10 to 7. Morrison, who was in the box for the locals, pitched good ball, allowing the visitors only ten hits and held his position well. He also batted in first-class shape getting three safe ones out of three times at the bat, but wild throws by Robinson, Starkey and Fiske at critical times allowed the visitors to get ten runners across the plate.

The director of the club held a meeting tonight and decided to strengthen the weak spots in the team regardless of the expense. Score:

Help Your Stomach

The chief cause of indigestion and stomach trouble is the failure of the glands to properly secrete the normal digestive fluids. This suppression of the secretions is usually due to the circulation in the glands becoming clogged with the jelly-like form of uric acid.

With the circulation thus clogged and the secretions suppressed, artificial digestives can at best give but temporary relief. Stimulants at first give relief, but afterwards the reaction is so depressing that they make the case chronic, and the user a slave to the stimulant. For anything like satisfactory results the normal secretions must be restored. To do this the uric acid must be cleared from the blood.

E-lim-i-no is prepared for the dissolving of the blood the jelly-like form of uric acid. By doing this E-lim-i-no not only restores normal digestion, but also improves the circulation and general nutrition. Ask your Druggist for E-lim-i-no, 12-oz. bottle \$1. Accept nothing else.

Free Book of 64 pages by Dr. E. C. Scott on the Elimino and its use with each bottle, or sent by mail on request.

S.S.S. FOR THE BLOOD

The purifying action and curative properties of this great remedy have made "S. S. S. For the Blood" a household name, and thousands who are today enjoying perfect health owe their recovery from blood or skin diseases to this universally used blood medicine.

"S. S. S." is made entirely from roots, herbs and barks which possess not only cleansing and healing ingredients, but building-up and strengthening properties to keep the blood in perfect order. No one can be well when the blood is impure; they lack the energy and strength that is natural with health, the complexion becomes pale and sallow, the vitality is weakened and they suffer from a general broken down condition. When the waste or refuse matter, which nature intends shall be thrown off, is left in the system because of a sluggish, torpid condition of the expelling members, it is absorbed into the blood, making this vital stream weak, sour and acid, and its condition is manifested by boils, pimples, rashes, blotches and other eruptions of the skin. S. S. S. goes into the circulation and removes every particle of blood taint or poison of every character, makes the blood fresh and strong and gives energy to the entire body. When the blood has been cleansed by S. S. S. all skin diseases and eruptions pass away and the smooth, clear skin, glowing with health, shows that the body is being nourished by rich, pure blood. Rheumatism, Catarrh, Sores and Ulcers, Scrofula, Contagious Blood Poison, etc., are all deep-seated blood disorders, and for their cure nothing equals S. S. S. It does not injuriously affect the most delicate parts of the body and can be taken with perfect safety by old or young. Book on the blood and any medical advice desired without charge.
