WORST ECZEMA DOCTORS EVER SAW

Spread Rapidly Over Body-Limbs and Arms Had to Be Bandaged and Scalp Looked Dreadful -Suffered Untold Misery for Three Years-Better in Two Months

MARVELOUS CURE BY CUTICURA REMEDIES

"My son, who is now twenty-two years of age, when he was four months old began to have ecsema on his face, spreading quite rapidly until he was nearly covered. We had all the doctors around us and some from larger places, but no one helped him a particle. The eczema was something terrible. and the doctors said it was the worst case they ever saw. At times his whole body and face were covered, all but his feet. I had to bandage his limbs and arms; his scalp was just dreadful. I used many kinds of patent medicines before trying the Cuticura Remedies, -

"A friend tessed me to try Cuticura. At last I consented, when my boy was three years and four months old; having had eczema all that time, and suffering untold misery. I began to use all three of the Cuticura Remedies; the Cuticura Soap helped as well as the Ointment. He was better in two months; in six months he was well; but I gave him the Cuticura Resolvent one year, - using twelve bottles, I think, - and always used the Cuticura Soap for bathing, and do now a good deal. He was four years old before he was well, and his skin became perfectly fair when cured. I give you per-mission to publish this letter for I am always glad to do good when I can. I think I have told you all there is neces-sary to tell." Mrs. R. L. Risley, Oct. 24, 1905. Piermont, N. H.
