Pa's Papooses Hang Seven Runs to Their Belts in First Inning. Thus Doping Carney's Bucks.

Omaha players signalized their return from the first western trip of the season by knocking the overlasting tar out of Bloux City in a game of ball at Vinton street park Wednesday afternoon. It was done. too, before a large number of visiting dentists and doctors and photographers, who took this occasion to see a real team play ball. They saw an almost perfect game on the part of the Omaha team and a ragged game by Sloux City. The only errors made by Omaha were the dropping of an easy foul popup by Perring and the misthrow of a hard pickup by Humble. The game was won by Omaha in the first inning, when seven runs were scored on four hits and two errors, the final score being

Carney, manager of the Sloux, still suffering from the assault by Hoggie at Sloux City, was on the bench and had an outfielder named Bauer playing first. Mr. Bauer was not at home at this point of the field and made three bad errors. The Sloux at most stages were like a lot of amateurs, booting the ball whenever a chance was offered. Carney sent a large youngster named Corbett to do the slabwork and what Rourke's hirelings did to him was all sufficient. Bender started the good work 400. Bauer was not at home at this point of the all sufficient. Bender started the good work | 400 by hitting a liner over the shortstop's

Oldest Inhabitant. Starting with the an nouncement that the game was to be played under the rules of the National Association of Base Ball clubs and that every rule would be enforced, he kept the players on the jump from the start and brooked no interference or back talk. What would otherwise have been a long drawn out game was played in one hour and thirty minutes. Several decisions were very close and would have caused a wrangle with another umpfre, but not so with Blats. Omnha did the business in the first in-

ning, much to Mr. Corbett's discomfiture. Bender started the works by a hard drivover short and Carter sacrificed him to second, reaching first himself on Bauer's first error. Bender was not satisfied with a base on the sacrifice but simply kept sprinting until he landed safely at home. Bassey's single brought Carter home and Pueblo Welch fouled out to first. Dolan hit for a double and Bunkle followed with a single. Ferring walked and Gonding hit a grounder | ers. 1. to Frost, which the latter tried to throw to second to catch Perring, but he came nearer the right field fence than he did to Phillips and Perring reached third. The chief cause of Catarrh is the suppression and perversion of the normal secretions of the mucus membranes. The chief cause of this perversion are uric acid poisons in the blood, which clog the circulation in the membranes.

With the circulation clogged the mem-branes become congested, and the secretions themselves, instead of keeping the membranes bathed with a soothing moist, antiseptic fluid, become thick and tough, clog the respiratory tract, and seri-ously disturb the whole system. Local inhalations, sprays and washes give some relief, but as they do not remove the cause, their effect is only temporary.

E-lim-i-no clears the uric acid thus restores the natural secretions of the mucous membranes. This relieves the congestion, quiets the irritation, and supplies a normal antiseptic fluid which destroys disease germs and allows nature to work a substantial cure. Ask your druggist for E-lim-i-no,

Slats is the Goods.

Reports have been brought to Omaha concerning the good work of Slats Davis as an umpire. The Omaha fans had an opportunity of seeing for themselves and all left the grounds with the thought that these reports had not been exaggerated, for a harder worker or man who seemed to have better control of the game, or who made his decisions quicker, was never seen on an Omaha diamond in the memory of the Des Moines Wins Snappy Game.

Large Crowd Sees Fight Pictures. Another large crowd attended the moving picture show of the Britt-Nelson prize fight at the Auditorium last night. The fight at the Auditorium last night. The large number of women present indicated that the gentler sex in Omaha has become interested. The show improves in smoothness with each performance. The matheway afternoon drew a good house. Sporting Brevities. All the anglers are rushing to the front since the stories have begun floating around of the large catches being made at Cut Off and Seymour lakes. A good game of ball is expected tomor-row on Creighton field, when the local university plays Wesleyan. Creighton de-feated Wesleyan last week in a close game. But Quick had passed his stage of use-tulness anyway, for Dodge promises to be even more of a drawing card on ladies lay. And besides, the new man promises to do a little pitching on the side.

Del Howard was played at second base for Boston Tuesday. That is surely going one when a player is played at right, left, first and second in a week. Bit Del had an off day Tuesday, making three errors and not a hit. nd not a hit. Lou Raimey and Tom Doyle, the noted Isbermen and genial gentlemen, caught the limit on fish at Cut Off lake Tuesday. That is, Doyle caught the other end of the limit, while Raimey got a nice string of crapples, with a two-pound bass for good measure.

Dick Grotte says the Denver fans are sore at President O'Neil for the bum umps he has sent out. He says that while Te-beau may want to steal the games, the lans themselves are more fair and want to see a ball game on its merits.

Bill Schipke is said to be no better pleased with the bunch handed him by Cleveland than Pa and the rest of the family are if. Bill is going to be swapped around he and his Omaha friends would rather a rival team did not get him. But the little skipper is playing the game, just the same.

The Prohibition Theory on Beers

Has been weighed in the balance and found wanting. The great scientists of all Nations after careful analysis declare that beer brewed from pure barley malt and hops contains only about 31/4 per cent of alcohol or just enough to mildly stimulate the body and promote healthy digestion. Dr. Bauer, the German analyst (whose fame is international) says "Beer has a

number of pleasant and valuable qualities. No other beverage contains such a combination of useful properties. The water

of it quenches the thirst, the carbonic acid refreshes, the extracts are nutritious, the alcohol furthers digestion, the mineral
