TWENTY-FOUR MILLIONS FOR CANAL

Big Item for Which Treasury Will Be Reimbursed by Sale of Bonds Arthorized for the Purpose.

WASHINGTON, May 29 .- The sundry civil appropriation bill was completed and Chairman Tawney was authorized by the appropriations committee to report it to the house today. It is the largest sundry civil bill ever reported, carrying \$24.246,573, of which \$25,466,991 is for work on the Panama canal. The amount carried is \$11,070,003 less than the estimates from the various departments. The canal appropriation is to be reimbursed to the treasury from the proceeds of the sale of canal bonds which have been authorized to the aggregate amount of \$130,000,000. the appropriations committee to report it

bill carries \$1,721,980 more than the current sundry civil act.

\$5,170,583 is appropriated, a reduction of \$2,806,601 from the current appropriation under this head. Among the items of appropriations for

the canal are: Pay of employes on the isthmus, other than skilled and unskilled laborers, \$3,328,088. Skilled labor on the isthmus, \$5,593,020

Inskilled labor on the inthmus, \$4,148,-Purchase and delivery of supplies and equipment on the isthmus, \$10,374,511.

Loan to the Panama railroad for new equipment, \$1,000,000.

There was no opposing vote.

A printing reform is inaugurated by \*equirements that no money appropriated in the bill shall be used to maintain branch printing offices in any executive department in Washington; that the plants of such branch offices shall be turned over after the passage of the bill, and that votes. hereafter detailed estimates for printing In an instant Representative Hunt of Mis must be transmitted to congress from souri moved that the committee suspend each department.

by the attorney general, if the secretary ried summons for republican members was of the treasury desires, of a solicitor of sent out, but without producing results. customs at an annual salary of \$5,000, and In executive session the motion was made such assistant solicitors as 'are necessary, at ralaries of \$3,000.

Some Important Items

The bill probably will be called up for Some of the more important items are: Construction of vessels under revenue cutter service, \$270,000; increase, \$170,-Construction of national museum building in Washington, D. C., \$500,600.

For the Interstate Commerce commission, \$375,000, an increase of \$10,000. This increase is to the fund of \$75,000, to enable the commission to keep informed regarding compliance with the act to promote the safety of employes and travelers on roads. In addition to the regular fund of \$249,000 for general expenses there is transferred \$160,000 from the so-called anti-trust fund under the Department of Justice to further enable the commission to carry out the interstate commerce act.

Public health and marine hospitals service, \$1,185,990.
Quarantine service, \$340,000.
Prevention of epidemics, \$316,000, which includes an unexpended balance of about \$116,000.

Pioneer III. Edwin R. Clapp, one of the oldest residents of Iowa and one of the wealthiest men in Des Moines, is seriously iil here at his palatial home on Grand avenue: He is afflicted with angina pectoris.

Sunday Services in Parks. The Young Men's Christian association and the Young Women's Christian association of Des Moines are determined to give the city's young people religious services on Sunday afternoons. As soon as good weather comes the young people make for the public parks on Sunday afternoons. The Christian associations have decided to carry religion to them. In pursuance of this idea, a plan for holding religious services in each of the public parks every Sun-

day afternoon throughout the summer has

been adopted. Settles Iowa Scale. The settlement of the coal strike in Illinois on the basis of the 1903 scale yesterday afternoon makes it certain that the same scale will prevail in Iowa for the next two years. When the Iowa operators signed the wage scale at the joint conference here it was upon the agreement that in case a lower rate should has given up the literary part of the exer- the department. be made in competitive fields, referring to cises. Illinois, the Iowa operators should have the benefit of it. To this the miners assented, although they declared that the Illinois miners could accept no less sculo than the restoration of the 1903 wages. That this proved correct is apparent from the settlement in that state upon that basis. There is now no question that the

> At the instance of Senator Latimer the senate today adopted an amendment to the postoffice appropriation bill permitting pathis morning after a lingering illness at trons of the rural free delivery routes to the advanced age of 76 years. He was the supply such boxes as they may desire for father of T. M. Davis, president of the the reception of their mail. The South First State bank, The funeral services Carolina senator says that the present regulations of the postoffice require the honor the Grand Army of the Republic use of patented boxes recommended by

Senator Stone offered an amendment, which was adopted, compelling the acceptance by the Postoffice department of periodicals issued by college alumni gssociations as second-class mail matter. Mr. Dolliver also presented an amendment which was adopted providing for the acceptance of the periodicals of charitable, religious and educational institutions as second-class mail matter.

In presenting his reasons to the senate n support of his amendment Senator Stone said that a quarterly magazine issued by the alumni of the Missouri State university had been refused access to the mails as second-class matter, while similar publicationse are granted that privilege. He complained of this as an unjust discrimination and contended that all alumni periodicals should be caried as cheaply as are other periodical publications.

CROMWELL AND MORGAN FENCE Senator Still Unable to Secure from Lawyer the Admissions He Desires.

WASHINGTON, May 29 .- William Nelson Cromwell was before the senate committee on interoceanic canais today and was examined by Senator Morgan under his motion to compel the witness to answer certain questions relative to the cost of the canal property to the United States. The investigation was begun by Mr. Morgan calling attention to a letter written by Secretary Taft to Mr. Cromwell, in which the former referred to the witness as having negotiated the sale.

"I believe you admitted that you nego-tiated the sale?" said Mr. Morgan. "That is not correct." replied Mr. Cromwell, whereupon he was told to state the situation himselif. A declination to make any statement was met by a demand from Mr Morgan grounded on the fact his statement had been characterised as not accu-

Mr. Cromwell explained that profession ally he assisted in negotiations of the sale, but he was interrupted by Mr. Morgan, who

"Secretary Taft says you negotiated the sale to the government. Is that correct?" At this point Senator Hopkins protested that one witness could not be compelled to pass on the accuracy of a statement made by another witness, and that if the witness

declared the statement of Secretary Taft to incorrect it would have the effect of im peaching the secretary.

Mr. Cromwell said he thought Secretary Taft had used the word "negotiated" in a broad, liberal sense, and that while professionally he assisted in the completion of the offer of sale, he had done so as counsel for the new Panama Canal company, and at no time as the representative of the United States. He declined to enter further into
