Early Morning Blaze Ruins the Interior Decorations and Furnishing of the Elks' Club Rooms.

(From a Staff Correspondent.) LINCOLN, Neb., May 30 .- (Special.) -Rev. W. M. Baich, pastor of Trinity Methodist church, delivered the Memorial Day address this afternoon at the Auditorium before a large audience. Three hundred and forty-three graves were decorated in the forenoon at the cemeteries. In closing Rev Balch said:

In closing Rev. Balch said:

A nation's gratitude is but a paltry thing, indeed, unless it shall cherish the living veteran as generously as it praises the dead. The veterans who have gathered here today are but a little handful, few and feeble. The men who marched from Atlanta to the sas could hardly walk to the cemetery this morning. But think! when next Memorial Day comes 'round some who are with us today will lie under the sod; the heroes who answer our greetings today will return no sign when we strew the flowers on their graves next May, O, better to give the flowers into the living hands, better the greeting while still they can hear us, better the kindness and service of today than to wait for the mystery that may chance tomorrow: Friends, I always lift my hat when I see the bronze button. My father wore it in his day, and earlier he wore the blue; and all who wear it are as my father in my honor and gratitude, for unto them I owe my country and all my privilege and pride in being a citizen of this undivided republic.

And yet the dead are not dead, but living spirits all around us. In the life of the republic they live. In the memory of their deeds they live. In the memory of their deeds they live. In the memory of their deeds they live. In the memory of the graterus millions they live. And by the grace of God, the spirits of the just made perfect, close to the tree of life, beyond the smilling and the weeping, shall live forever more.

Fire in Elks' Club. Fire broke out in the Elks' club room at 1318 O street early this morning and the damage is estimated at \$4,000, fully in-

The fire started about 5 o'clock this morn ing. No one was in the place at the time, and the cause of the blaze remains a mystery. From appearances it started in a light shaft which opens at the roof in a skylight. When the department reached the scene flames were leaping from this skylight more than ten feet into the air Consuming a light partition between the reception room and the parlors, the flames municated to hangings in the latter apartment and spread throughout the room. It was a desperate battle between the firemen and the flames, with the former winning out, though not until the interior of the elegant rooms had been charred and the expensive furniture ruined. The club yesterday awarded a contract for a new \$41,000 building, to be erected at

the corner of Thirteenth and P streets. TECUMSER MEN CONGRATULATED Band Serenades Two Who Win in

Dr. Fyrs further says: "The following are among the leading indications for Helonias (Unicorn root).
