HAYDEN BROS.

SMOOT REPORT PRESENTED

Senate Committee on Privileges and Elections Votes to Unseat.

UTAH SENATOR NOT ENTITLED TO SEAT

Committee Reaches Decision After Long Debate on Constitutional Question and Determines on Report to Senate.

WASHINGTON, June 1.—That Reed Smoot is not entitled to his seat in the United States senate as a senator from Utah was the decision of the senate committee on privileges and elections, declared today by a vote of 7 to 5. The decision was on Senator Dubois' resolution offered at the meeting two weeks ago, which was carried by Senators Burrows, Dilligam, Pettus, Overman, Bailey and Dubois and Senator Frazier in the affirmative and Senators Foraker, Dilligam, Hopkins, Beveridge and Knox in the negative. The vote of Senator Dewey was not cast. Votes were had on the constitutional questions of expulsion and exclusion, after which the members of the committee expressed themselves in favor of a vote in the senate at the present session of congress.

NOTES ON OMAHA SOCIETY.

Mrs. Max Burkenroad was hostess at a delightful luncheon yesterday, her guests being the members of the Florodora Club and those who have substituted during the absence of the Florodora Club. Mrs. H. Harding, Mrs. Frank Huntley, Miss Irene Liddell and Miss Grace Scafe were enjoyed, and high five, at which the prizes were won by Mrs. C. M. Bush, Mrs. Frank Huntley and Mrs. John Cleveland, was the amusement of the afternoon. The table was adorned with pink carnations and such plate was a Limescup and saucer as a favor. Covers were laid for Meadames Urbach, Veit, Schaeffer, Nathan, Cleveland, Nicholson, Davis, Goldsmith, Liddell, Bush, Harding, Huntley, Burkenroad and Misses Scafe and Liddell.

SEASONABLE FASHIONS.

NO. 400-A PLEASING LITTLE FRENCH GOWN. Simplicity is the best setting for a touch of the elaborate, and we see this to advantage in the little French gown portrayed. In fundamentals it is entirely simple, having the blouse tucked in deep pointed yoke effect and a straight gathered skirt with a plain waistband joining the two. The sleeve has fine tucks to suggest a cuff and a small turban cuff of embroidery. A shallow-shaped yoke affords opportunity for adornment, and here it is made of embroidered Swiss. The edge is daintily finished with a narrow valenciennes put on very generously. The little gown is especially pretty made of lawn, mull or Swiss, but where warmth is desired a soft cashmere or challis may develop the pattern and be quite attractive. If made of a lingerie fabric it may be worn over a slip of pink or blue, according to the latest mode, and have a slash of the same color. The little dress is not at all difficult to fashion and requires 3/4 yards of 36-inch material in the medium size. Seven sizes, 2 to 5 years.

For the accommodation of The Bee readers these patterns, which usually retail at from 25 to 50 cents, will be furnished at a nominal price (10 cents), which covers all expenses. In order to get a pattern enclose 10 cents, giving number and name of patient wanted and bust measure. As the patterns are mailed direct from the publishers at New York it will require about a week's time to fill the order. Address: Pattern Department, Bee Publishing Co., Omaha, Neb.

S.S.S. FOR THE BLOOD

The purifying action and curative properties of this great remedy have made "S. S. S. For the Blood" a household saying, and thousands who are today enjoying perfect health owe their recovery from blood or skin diseases to this universally used blood medicine. S. S. S. is made entirely from roots, herbs and barks which possess not only cleansing and healing ingredients, but building-up and strengthening properties to keep the blood in perfect order. No one can be well when the blood is impure; they lack the energy and strength that is natural with health, the complexion becomes pale and sallow, the vitality is weakened and they suffer from a general broken down condition. When the waste or refuse matter, which nature intends shall be thrown off, is left in the system because of a sluggish, torpid condition of the expelling members, it is absorbed into the blood, making this vital stream weak, sour and acid, and its condition is manifested by boils, pimples, rashes, blotches and other eruptions of the skin. S. S. S. goes into the circulation and removes every particle of blood taint or poison of every character, makes the blood fresh and strong and gives energy to the entire body. When the blood has been cleansed by S. S. S. all skin diseases and eruptions pass away and the smooth, clear skin, glowing with health, shows that the body is being nourished by rich, pure blood. Rheumatism, Catarrh, Sores and Ulcers, Scrofula, Contagious Blood Poison, etc., are all deep-seated blood disorders, and for their cure nothing equals S. S. S. It does not injuriously affect the most delicate parts of the body and can be taken with perfect safety by old or young. Book on the blood and any medical advice desired without charge.

LOCAL BREVITIES.

Anton Chada was sentenced thirty days by the police judge Friday morning. Drunkenness and disorderly conduct was the charge against Chada, who has been making a general nuisance of himself for weeks. He was the man who had half half teeth pulled a few days ago and brought the teeth into court and told the judge to have a look.

Mr. Joseph M. Sternberg was hostess at a card party Thursday night in honor of Mr. and Mrs. Charles Sunshine, who leave this month for Denver. The first prize, a beautiful hand-painted American Beauty dish, was won by Mrs. Sunshine and the second prize by Mr. Harry Foyt. Those present were: Mr. and Mrs. C. Sunshine, Mr. and Mrs. H. Foyt, Mr. and Mrs. Sam Riesenman, Mr. Sam Altun, Mr. Morris Sternberg and Mr. Joseph Sternberg.

United States District Attorney Goss has asked for a judgment of \$10 in the United States district court on behalf of the government against the Chicago, Burlington & Quincy Railroad company for a violation of the safety coupling act passed by congress. The action is brought charging the railroad company with hauling a car from Scribner to another point on its line that was not equipped with safety couplers as required by law.

A Food to Work On

Work! Work!! Work!!! Lots of energy is needed to keep up the pace. In the struggle, the man with the strong body and clear brain wins out every time. The man of to-day needs something more than mere food; he needs a food that makes energy—a food to work on. Although some people may not realize it, yet it is a fact, proved and established beyond doubt, that soda crackers—and this means Uneda Biscuit—are richer in muscle and fat-making elements and have a much higher per cent of tissue-building properties than any other article of food made from flour. That this is becoming known more and more every day is attested by the sale of nearly 4,000,000 packages of Uneda Biscuit, the finest soda cracker ever baked. An energy-giving food of surpassing value—sold in a package which brings it to you with all the original flavor and nutrient perfectly preserved. Truly the food to work on. Whoever you are—whatever you are—wherever you work—Uneda Biscuit.

NATIONAL BISCUIT COMPANY 5c
