Lincoln Has Two Out of Three of the Present Series.

VISITORS BEAT BY PLAYING BETTER Umpire Faller Makes the Star

Decision of His Career-Game Today for the Benefit of Elks.

The Saltpeters took the third game of the present series from the Rourkes at Vinton Street park Wednesday afternoon by the score of 3 to 1 by playing better ball all the way through and winning a hard fought game on its merits. There were times through the game when the lack of decision on the part of Mr. Fuller, who was niling the umpire's position, gave the home team much the worst of the deal, but this may have not been sufficient to have changed the result. The spectators. stitting back of the home plate, were led to wonder how a man standing right over the plate with his towering six-foot-six could have gone wrong so often on balls and stellers.

McNeeley and Jones were the opposing slab artists. Jones had pitched three innings the day before, but this did not his effectiveness, for he got away with his slight curves in fine style. Mo-Neeley was given poor support in the opening inning and this took some of the ginger from the play, although he worked apparently as hard all the way through, Several remarkable stunts were pulled off during the game. Dolun at first was

credited with but four putouts for the en-

tire game, while Bussey, in left, had eight

and Carter four and Welch none. The infield had but five assists. Fuller did some of the dumbest umpiring in the third inning ever seen on the home grounds. Bender was at but with two and two on him when a ball came above his shoulders, which Zinran missed. Bender asked the umpire what it was, but the ump. refused to say a word until the ball had rolled over to the visitors bench and was thrown to first, when he called it a strike. The first inning started out bad for Omaha. Fillman hit a high one which Herman Long muffed because he did not make sufficient allowance for the wind. Holmes Morgan, p... flew out to Carter and Quillan was hit with Paige, p... the hall. Ketchem flew out to Carter and a double steal was started by Fillman from third and Quillan from first. Bender threw the ball to Runkle in time to hold Quillan off first and then, keeping Fillman on third

ball and Fillman scored. The second run for Lincoln was made by Jones in the fourth, who hit for a triple and came home on Quillan's single. The third run was came in the sixth in-

he followed Quillan back almost to first

ning, when three singles were made in succession by Quillan, Ketchem and Thmeas.

Omaha's only run was made in the fourth inning. Bassey was given a life when Shorty Barton booted the ball and was put out at second on Welch's grounder to Barton. Dolan's out from Jones to Thomas sent Welch to second and he scored on Runkle's single. Bender started out with a hit in the fifth inning, was sacrificed to hit in the fifth inning, was sacrificed to second by McNeeley and tried to come home on Carter's short single to right. Omaha Poor coaching on the part of Perring permitted him to overrun third; for he had no chance to come home with Collins stopping Pueblo

for the benefit of the Elks' building fund; and all of the receipts will be given to BENEFIT BALL GAME FOR ELKS that fund. Thousands of tickets have been sold, so it behooves the fans to be out early if they wish to get a seat. The score:

Miss Sutton Wins Tennis Match. LIVERPOOL, June 6.—There was a fine attendance when play in the English forthern counties tennis championship games were resumed. The most interest northern counties tennis championship games were resumed. The most interest focused in the singles match, in which Miss May Sutton of Pasadena, Cal., met Miss J. D. Sturton of Lincoln, Throughout it was just a question as to the margin by which Miss Sutton would win. She gave no quarter, and driving and serving with great power, won, 6-0, 6-1. It is the general impression that the American will retain the northern championship, despite general impression that the American will retain the northern championship, despite the recent fine form of Miss D. K. Douglass, who is considered her most dangerous rival. In the ladies doubles Miss Sutton and Mrs. Hillyard had a walkover. Misses Sturton and Carter scratching. D. R. Rhodes of Boston had for a partner E. J. Sampson of Manchester in the preliminary round of the gentlemen's doubles, and these two won comfortably over the others, Hugh and Harry Peace of Liverpool, 6-2, 6-9, 5-3.
