IS OUT FOR SENATOR Custer County Man Makes His

Announcement. ANSLEY, Neb., June 7 .- (Special.)-The Chronicle-Citizen of this place will make the following announcement in its issue of Friday, June 8:

issue of Friday, June 8:

Hon. F. M. Currie of Custer county will be a candidate before the republican state convention for the endorsement for United States senator.

In previous issues of the Chronicle the name of Mr. Currie has been frequently mentioned as an ideal candidate for this high office. His name was suggested by this paper without his consent because it conscientiously believes that no better man can be found in the state to fill this responsible position, and it is with a high degree of pride that we can now make the announcement of his candidacy.

The friends and personal admirers of Mr. Currie (and they are legion, will make a strong effort along honorable lines to secure the endorsement of his candidacy in the republican state convention. The candidacy of Mr. Currie will be built upon the merits and qualifications of she man. Those who know Mr. Currie know that his candidacy must be fought out in a manly way or not at all, and it is hoped that the same courtesy will be accorded his candidacy as will be conceded to others.

his candidacy as will be conceded to others.

Mr. Currie is an ideal candidate. He is a man in the prime of life, whose honesty has never been questioned and whose public and private life, is an open book. He served two terms in the state senate sind was a prominent candidate for United States senator during the long senatorial struggle in 1901. He is a man who is close to the people and who knows their needs. He stands aloof from corporation influences and is a man of courage and convictions. If the republicans of Nobraska are looking for a man among the common people, who has always believed in a square deal—a man who is highly educated and a brilliant speaker—a man who will instill life and enthusiasm into the party and represent Nebraska in the national capitol with honor to the state and credit to the nation—Custer county nominates Hon. F. M. Currie.

Why Doctors Say "Drink Pabst Beer"

AREFUL inquiry shows that doctors, in perhaps the large majority of cases, prescribe Pabst Blue Ribbon Beer because they know of its absolute purity and positive cleanliness. "It is the cleanest and richest beer in the world," said one of Chicago's leading doctors the other day. "What appeals to me," he said, "is the Pabst process and Pabst eight-day malt, so very different from all the rest. We doctors appreciate sterilization and we are teaching the people in their homes the value of sterilization. On almost every visit we make we emphasize that. I have visited all the breweries of importance in the country, and I must say that for absolute cleanliness there is no beer to equal
