#### Are You Tired, Nervous and Sleepless?

Nervousness and sieeplessness are us-naily due to the fact that the nerves are not fed on properly nourishing blood; they are starced nerves. Dr. Pierce's Golden Medical Discovery makes pure, rich blood, and thereby the nerves are properly nourished and all the organs of Golden Medical Discovery makes pure, rich blood, and thereby the nerves are properly nourished and all the organs of the body are run as smoothly as machinery which runs in oil. In this way you feel clean, strong and strenuous—you are toned up and invigorated, and you are good for a whole lot of physical or mental work. Best of all, the strength and increase in vitality and health are lasting.

The trouble with most tonics and medicines which have a large, booming sale for a short time, is that they are largely composed of alcohol holding the drugs in solution. This alcohol shrinks up the red blood corpuscles, and in the long run greatly injures the system. One may feel exhilarated and better for the time being, yet in the end weakened and with vitality decreased. Dr. Pierce's Golden Medical Discovery contains no alcohol. Everybottle of it bears upon its wrapper The Badge of Honesty, in a full list of all its several ingredients. For the druggist to offer you something he claims is 'just as good' is to insult your intelligence.

Every ingredient entering into the world-famed 'Golden Medical Discovery' has the unanimous approval and endorsement of the leading medical authorities of all the several schools of practice. More than the unimous approval and endorsement of the leading medical authorities of all the several schools of practice. More medicine sold through druggists for like purposes has any such endorsement.

The "Golden Medical Discovery" not only produces all the good effects to be obtained from the use of Golden Seal root, in all stomach, liver and bowel troubles, as in dyspepsia, billousness, constipation, ulceration of stomach and bowels and kindred allments, but the Golden Seal root used in its curative action by other ingredients such as Stone root, Black Cherrybark, Bloodroot, Mandrake root and chemically pure triplerefined glycerine.

## High Grade Treatment

If you have a disease or weakness peculiar to the Pelvic region, your condition calls promptly for the best treatment the medical profession affords. Of this fact you must be thoroughly convinced when you stop to consider how many different doctors you have consulted, and how many bottles of worthless medicines you have taken. We have no fault to find with the man who employs such inferior treatment, for that is his privilege, but the money he thus expends would go far toward securing for him a cure that is safe, rapid and permanent. We have long studied and thoroughly mastered infirmitles of this character—male pelvic diseases. Recently we have treated scores of stubborn cases, and not a single failure or unpleasant result has been reported to us. Other physicians may treat men, but we cure them, cure them to remain cured, and this fact we are prepared to prove to the entire satisfaction of any man sincerely interested. Our fees are as low as they can grade treatment.

By the latest and best methods we cure to remain cured, (If responsible, you may pay when oured.)
