RECEIPTS FOR THE YEAR TO DATE

Table showing receipts for the year to date for various commodities, including flour, wheat, and other grain products.

OMAHA, June 13, 1906.

Wheat was down 1 1/2c at the close today, having been up at one time. Prices at the opening were up 1/2c to 3/4c due to continued drought in the northwest, and cables 1/2c to 3/4c higher. The market held firm for an hour or so, but then gave way to commission houses, but turned weak on profit taking.

NEW YORK STOCKS AND BONDS

NEW YORK, June 13.—In its main essentials today's stock market was but a repetition of those of the early week. Trading was again in the nature of a volume, fluctuations here for the most part being relatively narrow and the bulk of the business being done in the market.
