### Introduction of Saturday Candy in Omaha

We have secured the agency in Omaha of LIGGETT'S SATURDAY CANDY. This candy already enjoys a large sale in the leading drug stores of Chicago, New York and all the principal eastern cities. Its success is due to two principal features. First, it is a 6c candy and is sold at 2c per pound; second, it is never sold on any day but SATURDAY. A supply is ordered which will certainly be sold on Saturday. A new supply will be obtained each week.
