OMAHA DROPS ANOTHER ONE

MISPLAYS ALSO HELP THINGS ALONG

Contest is Also Remarkable for the number of Fast Double Plays. Both Teams Pulling Off Their Share.

DENVER, Colo., June 16 - Denver defested Omaha today, 7 to 2, hitting Koukalik freely and taking full advantage of the visitors' misplays. Morgan pitched his best game of the season for Denver. Omahas' runs came on paired hits in the fourth and seventh innings. Koukalik was a bit wild, especially in the fourth, when his third successive base on balls forced in a run. In the seventh he retired Denver on four pitched balls, the extra one being a strike.

The features were Zalusky's homer over Bassey's head to the left fence, Gonding's catch against the grand stand of Reddick's foul and the number of fast double

plays. The score:

DES MOINES, June 14.—Des Moines took the second game from Sloux City by a score of 15 to 6. The Champions, though slightly crippled, played good steady ball, but dumb plays marked the work of the visitors. After the fifth inning Des Moines allowed themselves to be retired. McCabe began showing signs of distress in the second inning, but was allowed to remain until the middle of the seventh, when Lindsay replaced him. Miller, after holding Sloux City without a hit until the fifth, decided to rest and trust entirely to his fielders. Score:

PUEBLO, Color, June 14.—After Lincoln had scored six in the opening of the fifth the Indians began pounding Morse hard and won easily, 12 to 7. A base on balls and two singles in the sixth filled the bases and when Jimmie Cook lined out a three-sacker to left things began to brighten for the Indians. An error and another single brought in the last two of the Indians five runs in this inning. Another was attached in the seventh and in the eighth the Indians scored four more establishing a lead that Lincoln could not overcome. With the exception of the fifth inning, when Lincoln pounded out six runs, there was nothing doing in the scoring line for the visitors. The score:

The challenge has been accepted and accordingly about twelve of the best players of the Field club will go up to Sloux City Sunday to wield the ractuet against the Sloux City cracks. Sloux City has two clubs and some good players, including W. S. Gilman, who ranks sixth in the middle west. Those who will represent the Field club are: Conrad Young, Arthur Scribner, Will Wood, Herb Kohn, Jack Hughes, Ralph Ruiney, Gall Martin, Aubrey Potter, Seiwin Doherty, W. B. County Equalisers Have Right, Poster Says, to Boost Assessments of Property.

Real estate owners whose property is undervalued in camparison with neighbor-ing property will be called up before the County Board of Equalization to show cause why their valuations should not be nervased. This was decided on yesterday afternoon after Deputy County Attorney Foster had given an opinion to the effect that the board had the power to raise valuations where they were manifemly lower than the values on other property. Under ordinary circumstances the board does not have the power to reassess reas estate this year, but under the opinion of the county attorney the proposed acion would be in the nature of a correction of error in the valuations which can be made at any time. Under this ruling the board may also proceed to raise valuaions in districts which have been favored with paying and other public improvements which naturally raise the price of property.

## DOCTORS FOR MEN

THE RELIABLE SPECIALISTS BLIGHTING EFFECTS OF WEAKNESS

There are thousands of men whose minds are weak and impaired and whose bodies are unsound and diseased. They suffer from the folites and excesses of youth, which weaken their physical, mental and sexual powers. They are weak, nervous, tired, dissy, languid, despondent and absent-minded, have weak, aching back, palpitation of the heart, capricious appetite, frightful dreams, a constant fear of impending danger, night losses and day drains, which unfit them for work, study, business or marriage. Others are suffering from private diseases, such as Gonorrhoea, Gleet, Stricture, Varicoccie, Emlarged Prostate or Blood Poison (Syphilis).

Are you one of these men? Are you staggering under the burden of a secret weakness, which is a slow but sure drain on your strength and vitality. In your present condition are you fit to hold a responsible position? Can anybody rely on you or can you rely on yourself? Is your body almost wrecked and your brain in a whirl? It is terrible to be in this condition, but it is still worse to allow the trouble to progress and become more aggravated, for it may then fill your whole life with failure, misery and woe. There are thousands of ruined and cheerless homes, filled with discontent and unhappiness, lacking in love and companionshilip, through the sexual weekness and physical impairment of men whose years do not justify such a condition.
