The wise ones failed to pick the winners the matches between Johnston of Minneapolis and McCartney of Denver and Abbott and McCartney had won the match, 1 up. of Omaha and Jaffray of Minneapolis. Johnston had been playing such a steady, consistent game that most of the followers of the sport had it figured out that he would be able to win from McCartney, who Abbotthad such phenomenal luck in his match with the champion, Warren Dickinson, Thursday afternoon, when he made three putts at the finish, one of 25, the next 20 and the last 12 yards. Speculation as to Finals. The finals in the championship consists of 36 holes, the first 18 this morning and the second 18 this afternoon. There is considerable speculation as to who will win out, as both these players are playing remarkable golf and both seem to be strong at match play. The match next in importance is between the two "Mikes," Mike Doran, ir., of St. Paul and "Mike" Thomas of the Field club. This match is considered so close that none dare to pick the winner. Gaines will play Bancker for the directors' prize and Hawkins of Des Moines will play A. L. Reed of the Country club for the sec-

Three Straight for Ducklings. LINCOLN, June 22—Lincoln made it three in a row from Pueblo today by batting Morrison almost at will, twenty-one hits netting ten runs. Morrison was also wild, but the fielding behind him was excellent. Morse, the college boy, pitched a good game for the locals. He had two streaks of wildness, but steadled down before the visitors began to look dangerous.

GRAND ISLAND AN EASY WINNER

Good Pitching and Perfect Support Tells the Story.

WAHOO, Neb., June 22.—(Special Telegram.)—Grand Island's perfect playing and the locals' inability to hit easily won the game for the visitors. Kroll's hit over right field fence, bringing in two runs. Was enough to decide the contest in the first inning. Crawford started to umpire, but the rooters objected to a couple of close decisions, so he left the field and was succeeded by Cook. Crawford's decisions were right, however. Score: GRAND ISLAND. S.S. BLOOD HUMORS

Itching, disfiguring eruptions, rashes, boils, etc., as well as pimples, black-heads and rough, scaly skins, show the presence of some irritating humor in the blood. These acids and humors with which the blood is filled are being constantly thrown off through the pores and glands, and the skin is kept in a feverish, diseased and unsightly condition. Nothing applied externally can change the condition of the blood or prevent the outflow of poisons and acids; only constitutional treatment can do this. The countless washes, salves, lotions, etc., that are used cannot reach the humor-laden blood and are, therefore, useless, except for the temporary comfort and cleanliness they afford. The acid poison in the blood, which is the cause of the trouble, must be removed before a cure can be effected. S. S. S. is a real blood purifier, possessing all the requirements to neutralize and remove the humor from the circulation. It completely eradicates every trace of the poison and restores this vital fluid to its natural state of purity S. S. S. cools the acid-heated blood so that instead of pouring out acrid matter on the skin it feeds and nourishes it with health-sustaining properties, and the eruptions and diseases of the skin pass away.
