"I Believe In The Use of Beer"

—Rev. A. W. Stein.

Distinguished Divine Pleads for Popular Beverage in the Home

From staid old Pittsburg, Mass., comes the voice of a rector pleading for the sane use of wine and beer. The Rev. Alexis W. Stein, rector of Christ Episcopal church of that city and formerly assistant to the Rev. Dr. Hainford at St. George's church, New York, and previously rector of Christ's church, Cincinnati, believes in facing conditions as they exist.

All Charges Denied.

Stolypin said the ministry would soon come before the house with a request for a sum almost as large as required for this year.

ST. PETERSBURG, June 25.

Apprehension of the government with regard to political agitation in the army is the direct cause of its efforts for the suppression of the development of the peasant organization. As the majority of the soldiers come from the peasant classes, any disaffection in the army is sure to spread in the peasant ranks.
