CITY TO HIRE AN ENGINEER

Council Votes to Close Contract for Experts to Value Water Works.

FLEMING SWITCHES TO MAKE MAJORITY

Light Contract is Discussed, but No Action Taken—W. C. Boyer, for West-Enders, Protests Against Its Approval.

The city council last night by a vote of 5 to 3 decided to employ W. Kierstead, the hydraulic engineer of Kansas City, to make a computation of the value of the present water works plant and to furnish an estimate of the cost of a new one at a remuneration of \$1,000.

Light Contract is Discussed, but No Action Taken—W. C. Boyer, for West-Enders, Protests Against Its Approval.

When the recommendation of the special waterworks committee relative to the employment of Engineer Kierstead was brought up the question as to whether the \$1,000 was to come from the proposed new contract, with the Citizens' Gas & Electric company to the committee of the whole, which will meet today to consider it.

Light Contract Deferred.

The contract with the Citizens' Gas & Electric company had been drawn up by City Solicitor Kimball and approved by E. A. Nash, president of the company, with Attorney C. M. Harl, counsel for the company, present. These are the main features of the contract:

To be for five years from July 1 of this year to July 1, 1911; the company to furnish gas to the city at a nominal candle price under the Philadelphia moonlight schedule at \$0.50 per light per year; this rate to be subject to a rebate of 10 per cent on all other electrical business in the city; the company to be required to light streets or to seek to collect from the city after the application of such rebate or royalty at a rate not exceeding the rate of 20 cents per light per year, of hours under the moonlight schedule; the rate under an all-night schedule to be 25 cents per light per year; to be placed requiring an extension light to be placed within 100 feet without the city's consent; light to be placed before the 15th of each month; the rate to be \$1.25 where bills are not paid by that time; the company to take effect January 1, 1907; the company to make extensions of its gas mains whenever and wherever ordered by the city; the city to provide there be not less than six consumers to each 300 feet of such extension.

Boyer Makes Protest.

The question of the light to be furnished by the city was discussed by the council last night. W. C. Boyer appeared on behalf of the residents of the western part of the city and objected to the \$1.25 rate for gas, contending that it ought to be \$1. He also urged that the contract be not approved until the company pledged itself to extend its mains to that part of the city. He also opposed the provision of six consumers to every 300 feet of extension on the ground that it would afford the company an excuse not to furnish gas to the western part of the city. Mr. Nash answered Mr. Boyer by stating that his contract had promised to extend its mains to that part of the city and that the pipe had been ordered and work begun.

Councilman Smith's Ordinance Requiring all animals and fowls offered for food use to be drawn met a sudden death, on being brought up for the third reading. Every councilman voted against it except Wallace.

Firecracker Sales Spoiled.

The impression that has gained circulation over the fact that the last legislature passed a bill prohibiting firecrackers has spoiled the sale of the noise-makers in this state. The bill passed the house, but not the senate. Wholesalers say the trade this year is less than half what it formerly was, because of this mistaken impression.

Law for New Mexican Jurors

Men Who Try Cases May Learn Facts Through an Official Interpreter. WASHINGTON, June 25.—The senate today passed a bill requiring jury service in New Mexico after Senator Spooner, on behalf of the raising of necessary funds and suggested that each of the 40,000 Daughters in the country make a contribution of 50 cents, which will entitle them to all courtesies of the building. At the close of the exposition it is proposed to sell the building, the proceeds to go into the general treasury of the United Daughters of the Confederacy, the president of which, Mrs. Elizabeth George Henderson of Gulfport, Miss., has given her official endorsement to the building movement.

COULD NOT REST NIGHT OR DAY

With Irritating Skin Humor—Whole Body Affected—Scalp Itched All the Time and Hair Begun to Fall Out—Wonderful Result From APPLICATION OF CUTICURA REMEDIES

"I am never without Cuticura Soap and Cuticura Ointment since I tried them last summer. About the latter part of July my whole body began to itch. I did not take much notice of it at first, but it began to get worse all the time, and then I began to get uneasy and tried all kinds of baths and other remedies that were recommended for skin humors; but I became worse all the time. My hair began to fall out and my scalp itched all the time. Especially at night, just as soon as I would get in bed and get warm, my whole body would begin to itch and my hair would keep falling out. I would take a hot bath every night and then apply the Cuticura Ointment to my whole body; and I kept getting better, and by the time I used four boxes of Cuticura I was entirely cured, and my hair stopped falling out, but I continue to use the Cuticura on my scalp. It keeps all dandruff out and scalp is always clean. I always use Cuticura Ointment on my face after shaving, and I have found nothing so equal to it. I will never be without it." D. E. Blankenship, 319 N. Del. St., Indianapolis, Ind., Oct. 27, 1905.

RECOMMENDED TO ALL MOTHERS

"I have used Cuticura Ointment for chafing of infants, and as they grow older all skin diseases were given treatment with that and the Cuticura Soap. I never found it necessary to call a doctor, as these Remedies are a sure cure, if used as directed. I am glad to recommend them to all mothers." Sincerely yours, Mrs. F. A. Kennard, June 21, 1905. St. Paul, Minn. Cuticura Soap, Ointment and Pills are sold throughout the world. Beware of cheap imitations. "See to it that you get the real Cuticura."

Stop Your Pain

Without Opium, Morphine, Cocaine, Alcohol or other habit-forming drugs. The Terrible Pains and Soreness of Rheumatism, Sciatica, Cramp, Lumbago, LaGrippe, Neuralgia, Headaches, Painful Periods, Lameness and Stiffness are caused by Uric Acid Poisons which settle out of the Blood and form crystals like splintered glass in the parts affected.

With this fact in mind the sensible way to relieve these irritating crystals and cause them to be thrown out of the system, Dr. E. C. Scott originated E-Lim-in-a-tum, for this express purpose.

Stops Pain by dissolving the crystals so they can be excreted without irritating the Kidneys and Bladder. People who think will use it because it cures by removing the cause and leaves no bad after effects. They will not use habit-forming drugs to destroy the sensibilities, and leave the poison in the system to make the case chronic, to require operations, or to develop enlargements and other deformities.
