THE PAINT WE RECOMMEND: We put our reputation behind it as well as that of the makers, because we know that it GIVES THE BEST RESULTS. Covers best, spreads best, lasts longest, looks prettiest and is most economical. Give us the location of your house and we will show you some of our neighbors houses that are painted with "High Standard" paint. The houses are our best advertisement.

Stupendous Bargains Await You

So general and far-reaching was the damage to our stocks, not one escaping without some loss, that to reach an equitable adjustment it was found necessary to take a complete and careful invoice of our entire summer stock. This being the case, it was found impossible to open our store before this time.

Everything Must Go

And all goods are marked for this sale with absolutely no regard as to cost or previous selling price. It is impossible at the present time to quote prices, but as an example—

Table with 2 columns: ALL SLIGHTLY DAMAGED WALL PAPERS, LADIES' MUSLIN UNDERWEAR, DRESS GOODS AND SILKS, CHINA, GLASSWARE, LAMPS, Etc., with descriptions of discounts.
