GAME FULL OF FREAK OCCURRENCES

Lot of Things Noted that Are Not Usually Seen, but Bill Everett is Put Out of Lot as Usual.

In a game in which the umpire was lad, in which Denver made more hits than Omaha, in which several hits were made which are not counted in the summary because the umpire ruled otherwise, in which several good fielding chances were taken, in which Omaha stole all the bases, in which Old Man Everett was ejected from the grounds for talking too much, in which Belden made three hits in three times up and in which none of the Omaha players were struck but, Omaha won from Denver at Vinton Street park Tuesday afternoon by a score of 5 to 1.

Everett, for want of a better man, sen in Adams to do the twirling stunt for him, and he exploded in the first, but the Old Man decided to let him stay and get his bumg. His sagacity was proven, for the yourgater pitched excellent ball for the remainder of the game, the Omaha bunch making but four hits from his delivery during the balance of the fun. The first inning, however, was a bad one for Mr. Adams, and he began to wish he had stayed in Greeley before Pa's Colts were through with him.

Omaha Wins in Piret. Johnny Bender, who was playing right in place of Carter, who had his shoulder wrenched at the den Monday night when the goat bunted him into one of the heavy timbers, led off with a hit, and Howard proped out to the pitcher in trying to bunt. Perring hit for a double, and Dr. Welch walked. Bassey's single brought Perring home, and Joe Dolan also singled. which scored Welch and put Bassey on Bassey and Dolan pulled off a succesaful double steal, which made a total of four and ended the run getting.

Denver scored one in the fourth by Belden, J. Smith and Zalusky each making a In the seventh two more were edded thusly: T. Smith walked and Randall hit for a three-sacker, bringing him home. After Russell and Reddick had retired Belden made his third single in the day and brought Randall home.

Omaha's other score was made in the fifth inning, when Perring led off with a double and Welch walked. Bill Everett took such violent exceptions to the de cisions of the umpire that Mr. McCarthy told him he had better go back of the grandstand and sit down, which Old Bill did, after parading in front of the grandstand for some time to show his manly form. Bill was not doing much but bark a the prip. After Bill had retired Bassey hit to Adams, who caught him at first, and in the meanwhile Perring had gone to third and came home on Dolan's out from Reddick to Russell.

Corns in Tight Hole. That was all the scoring done. Corns looked like he was about to explode in off his delivery, and after Herman Long had McNeeley warm up he settled down and finished strong. Howard and Perring each were star actors in some fast fielding

SIOUX CITY, In., June 26.—Sawyer, the young collegian from South Dakotz, was tried out by Sioux City today and he fitched a stellar game, allowing Lincoln only six scattering hits and winning by a score of 6 to 4. Up to the fifth inning for Lincoln batter succeeded in reaching first. Then loose work in the infield and so wild pitch brought in two runs. Lincoln scored again in the seventh and sighth, the latter being earned. Zackert also pitched a fairly good game, but was hit harder than Sawyer and at times when litts meant runs. Blue Defeats the Crimson in Second Game of Series.

NEW HAVEN, June M.—Before crowded stands, which at times were masses of bine and crimson flags, and in the presence of variously attired classes back for class reunions. Yale defeated Harvard today at Yale field in the second of the championship series of base ball by the score of 3 to 2. The game went through ten innings. The victory this afternoon gives Yale the series, the Blues having defeated the Crimsons at Cambridge last week by the score of 3 to 1. This makes a third game unnecessary. Jackson's clean drive to left field after two men had been retired in the last half of the tenth luning won the game. All the pent-up enthusiasm of the 1sat crowd burst forth at this play and Jackson, caught up in the arms of excited and jubilant undergraduates, was borne from the field amid thundering cheers and the strains of 'Boola."

Brooklyn Wins in First.

BOSTON, June 26.—Four hits, Including a three-bagger, with two out, netted Brooklyn four runs in the first inning today, giving them a victory over Boston, 4 to 1. The game was interrupted by a small riot which occurred when the police made two arrests for alleged gambling in the first base bleachers. The crowd got out upon the field and the players left the game to watch the exertions of the police, who had to beat off many would-be rescuers of the prisoners on the way to the gates. This action on the part of the police is the result of a recent crusade against betting at the local base ball games. Score: Moines, base ball games, Score;

## Greatest Fire Sale Standard Pianos

In the fire that occurred June 3 our pianos, consisting of 278 high grade standard makes, were not materially injured. The only damage done to the most of these instruments was a slight marring of the cases, caused by the hasty removal of this great stock from one part of the building to another. Owing to a liberal allowance by the different insurance companies, we are able to sell pianos at half the former prices, and can save the purchaser from \$150 to \$200.

Piano buyers or prospective buyers should accept this opportunity to purchase a high grade instrument at the price they would ordinarily pay for the most ordinary kind. A sale of pianos at such a saving as we will offer you will never again occur in Nebraska. All the pianos on our floors are high grade standard makes. All the pianos on the floor are the 1906 patterns, thus insuring the purchaser all the latest improvements known to the piano manufacturers. All pianos will, as usual, be sold on easy terms if purchaser so desires. Pianos are on display in our new piano parlor-entrance on Douglas street.

Everything in sheet music, book studies, mandolins, violins, guitars, banjos, Zithers, accordions, talking machines and records, in fact everything pertaining to music will be included in this sale.

## DOCTORS FOR MEN

THE RELIABLE SPECIALISTS MEN OF ALL AGES

no matter in what walk of life, whose weakened vitality, exhausted energies no matter in what walk of life, whose weakened vitality, exhausted energies and shattered nerves tell a pitiable story, and who are in a condition of extreme peril unless promptly rescued, caused in many cases by ignorance, excesses or contagion, these are the very men we want to talk to and help.

What can be more pitiable than to see a young man, who is just budding into manhood, drooping and fading away in the springtime of life? Disease soon robs the face of its color and the eyes of their brightness. The stooping form, languid step and dewncast countenance reveal to the critical eye the hlight of his existence, but this is only the shadow or outward mark of the trouble existing within, and the young man soon passes from the boundaries of health into the confines of disease. He is nervous, easily confused, absent-ninded, forgetful, continually possessed of doubts and fears, shy, suspicious, irritable, avoids society and would rather be alone. Night losses, day drains, waste in urine and marked sexual decline almost invariably follow. The system unstrung, he has hesdache, backache, palpitation of the heart, shortness of breath, dizziness, deranged atomach, torpid liver, weak kidneys, poor circulation, and is tired, lifeless and worn-out. He lacks ambline, confidence and courage.

If you are alling, call and consult us without delay. We will help you to escape from the slavery that is holding you captive and depleting your manhood. We cure safely and thoroughly: Stricture, Varicocele, Emissions, Nervo-Sexual Debility, Impotency, Blood Poison (Syphilis), Rectal,
