Lincoln, June 27.—Lincoln won an exciting ten-inning game from Denver today by a score of 8 to 5. Up to the seventh inning it looked like a walkaway for the locais. Then two egregious errors, a butsman hit, a triple and two singles gave Lienver five runs, fleing the score. Lincoln won out in the tenth. Quillin singled and Thomas beat out an infield hit. Collins sacrificed the runners to third and second. Ketchum, after luniging furlously at the ball, dropped it gently right in front of Pitcher Wright, who in his surprise stood looking at it whife Quillin ran home. Manager Everitt was fined its and ordered from the grounds for disputing the umpire. Score:

NEW POINT IN BASE BALL LAW Catcher Phelps Awarded to Boston Americans.

Cincinnati management did dispose of the player to dish sarviced with the purchase money. Phelips and the first burst to dish and the player to the sarvice with the purchase and the player to save the first of its kind to come before the commission. The case is said to be the first of its kind to come before the commission. The Cincinnaticlub, which disposed of the player to Boston for \$1,500 will be required to pay the player \$750, his half of the purchase money. Pheliphs had been given notice by the Cincinnati management of his prospective release, but that club reserved the right to dispose of his service to any American league club if all National league clubs waived claim to him and provided Phelps received half the purchase money. In accordance with this agreement the Cincinnati management did dispose of the player to the Boston Americans on May is, receiving \$1,500 for his release. It is held by the commission that at the time the player accepted the terms with the Pittsburg club, he did not have his unconditional release from Cincinnati at any subsequent time. President Pulliam had on May 13 notified the Cincinnati club that all national league club had waived claim to Phelps, and on May 15, through President Johnson of the American league, the offer for the player came from Boston, which was closed at once. The agreement of Phelips and the Pittsburg club was signed May 21, but Pittsburg had previously waived claim to the player, and neither had any right to sign such a contract. The finding in this case was submitted to the Pittsburg mañagement some days ago, and on June 25 they submitted further points, which are dectared to make no change in the decision of the case. Take Your Choice—a Drug or a Food

Physicians of the highest scientific attainments unite in declaring that coffee is a form of slow poison a pernicious drug. They point out that it darkens the blood, clogs the liver, colors the skin, weakens the heart's action and ruins the digestion of all who drink it. On the other hand, doctors declare that a pure bottled beer, properly brewed from Malt and Hops, and fully aged, like

YALE AND HARVARD ROW TODAY

on the Thames. NEW LONDON, Conn., June 31.—Not in many years has such a difference of opinion been held by college men and others as to the probable outcome of the varsity eight's event of the Yale-Harvard regards on the Thames as prevails here tonight. It is well known that both crews have been doing record-breakers in their trials and that they are in splendid physical condition. The most important factor appears to be whether Coach J. Kennedy has a better stroke in his Yale crew than

The Chicago National-St. Louis series has been one of the most remarkable played for sometime. Chicago has managed to scratch out each game by just one run by hits at just the right time.

The fans all hope that none of Pa's pitching force will be made social favorites and thus spoil his game as has been the experience in the past. The team needs all the pitchers working right in the long race before it.

Intense Interest in the Annual Race

Coach Wray has in his adoption in the Harvard eight of the less graceful English siyle. The feature of the closing day of the training was the rowing of two minor races, which are now looked upon as of considerable interest to men in quarters. These were the four-oared mile race for freshmen substitutes, which Yale won by a quarter of a length, and the half-mile race for graduate crews for the Graves on and a quarter lengths. Last year Harvard won both of these events.

As the result of the toss tonight for positions in the three races, Harvard was fortunate emough to call the turn on two of these, having the choice in the twasting in the freshmen event. Harvard took the west lane for the four-oared, while Yale took the east course for the freshmen. Spotty Freece is doing some good work for Sloux City since he has been catching regularly. He has caught well, thrown well and batted well. When McCarthy's work got so had Tues-day several cries arose from the bleachers for "Fuiler, Fuiler." The big erst-while umpire was sitting in a box.

a run from being scored on the hit.

The question arises: "What good to a team is a manager who gets put off the grounds every day or two?" Bill Everitt may be a rattling good manager, but if he is it is not because he is so abusive that an umpire, out of sheer necessity, that is not only demoralizing on a team; it is thoroughly disgusting to the fans.
