FRIDAY—Dinner and dance at Field club, dinner and dance at Country club.

The past week, opening with a delightful musical at the Country club, was a busy one in society. This second entertainment was even more successful than the first and brought out a large attendance, over 300 guests being present. Cupid, before sharpening his arrows for the summer, finished up his work with a large number of weddings, so that the last week of June almost equaled the first in this respect. The Rosenthal-Singer and Parsons-Edwards weddings were among the prettiest of the month. The many friends of Miss Kirkendall, who is a great favorite in society, vied with each other in entertaining for her guest, Miss Whiting, of Mobile, Ala., who is a typical southern girl and one of the most charming visitors Omaha has had this season. There have been luncheons, dinners, bridge and sailing parties without number in her honor and this week promises to be a repetition of last week. Miss Platt and Mrs. Bridgman are also very popular visitors, for whom much entertaining will be done.

Society's gay social whirl is about over, judging from the calendar for the week, which contains few events, and these few are for two charming visitors, Miss Whiting and Mrs. Bridgman. Were it not for these visitors and a few others society would be dead indeed. The extreme warm weather of the past week has caused people to think of seeking cooler climates and the exodus to the mountains, lakes and watering places has commenced and from now on the social column will consist almost entirely of mention of those who are leaving town or returning. The Fourth of July comes on Wednesday of this week and this partly accounts for the dull outlook, for most people prefer to spend that day quietly or else go into the country for a jolly little picnic or outing and are so busy getting ready for it that they have no time for social doings. Those who belong to the Country or Field clubs will probably spend the day there. At the former there will be novel Japanese daylight fireworks, followed by a table d'hôte dinner and dance, ending with a brilliant pyrotechnical display. At the latter the regular dinner and dance will be given, at which there will probably be a crush as there is every year. At the Country club there have been over 50 reservations for dinner. The largest party will be that of Miss Wood, given in honor of Miss Whiting. Large dinners will also be given by Mr. and Mrs. Brogan and Mr. and Mrs. W. A. Redick, while Messrs. George Redick, W. A. Gilbert, Vinsonhauser and C. C. George will have eight guests each.

At the Country club last evening the largest dinner was given by Mr. and Mrs. G. W. Wattles, whose guests were Mr. and Mrs. J. E. Baum, Mr. and Mrs. J. R. Scobie, Mr. and Mrs. J. B. Brady, Mr. and Mrs. J. A. McShane and Mr. and Mrs. Kirkendall.

Mr. and Mrs. F. A. Brogan entertained for their guest, Mr. Otis Howard of Chicago; the other guests were Mrs. W. H. Lowe, Miss Curtis, Mr. and Mrs. E. H. Sprague and Mr. and Mrs. Howard Baldry.

Mr. and Mrs. C. N. Robinson were the guests of Mr. and Mrs. C. B. Keller, and Mr. and Mrs. J. W. Griffith were with Mr. and Mrs. J. R. Lehmer.

Mr. E. A. Cope gave a dinner in honor of Miss Whiting. In his party were Miss Whiting, Miss Keeline, Miss Kirkendall and Miss Hoggins; Messrs. Lawrence Brinker, Frank Haskell and Lee McShane.

Among the others entertaining were Major Zalkinski, Mrs. G. B. Bourke, Messrs. E. T. Swobe, W. B. Roberts, Cowgill, W. E. Martin and O. C. Redick.

At the Field club last evening the warm evening brought out a large attendance at the dinner and at the dance afterwards.

Among those who gave dinners were Mr. Glen Buck, who had ten guests, and Mr. and Mrs. F. H. Blake, who also gave a dinner of ten covers. Others entertaining were Messrs. Aubrey Potter, E. B. Carrigan, E. E. Huston, F. A. Ewing, J. B. Clark, P. W. Judson, J. D. Foster, P. H. Myers and Dr. Hunt.

GREAT WEEK AT KRUG PARK

Sunday and Fourth of July Fairs
Include Much that is Attractive.

Bandmaster J. M. Finn of the Royal Canadian band has arranged a special program for this afternoon and evening at Krug park. A notable feature will be the first Sunday appearance of Mr. A. Rumsby, above noted, who arrived from New York last Monday, and who has played most acceptably during the daily concerts of the past week.

Next Wednesday will be a big day at Krug park. The Royal Canadian band will play a special program, in which the prominence due to the day will be given to patriotic music and solo numbers. Two balloon ascensions will take place. Miss Madeline Waldemar will make the evening ascension and parachute jump. Vee Huntley will make the night ascension and will make a grand aerial fireworks display from his balloon. The great fireworks event of the day will be a representation of "The Siege of Odesa," a very imposing piece of pyrotechnic art, secured at heavy expense. There will be something doing all the day and evening. There will be more to interest the thousands of visitors than on any previous Fourth of July.

The following are the coming events at Krug park:

Thompson's elephants, presenting the greatest animal act in the world, will open a week's engagement next Sunday. This is a free attraction in the arena, performances being given at 5:30 and 10 p. m. daily.

For the week of June 15 Sanford Dodge and his dramatic company will give an all-fresco production of "Ingomar." It will be the first professional company to give an open air performance in this city.

The fourth annual picnic of the Wise Memorial hospital will be on Wednesday, July 15.

The last Maennerchor concert will take place Friday evening, July 30.

The Slayton Jubilee singers are coming for the week of July 2.

Chevalier Gargano and his Italian concert band of sixty musicians will commence a seven days' engagement on Wednesday, August 1.

MANAWA PLANS FOR WEEK

Lake Resort Offers Much to Attract the Pleasure Seeker from the City.

Manawa is the place where the cool lake breeze and the big list of attractions offer a great inducement to all seeking summer recreation. The main feature for today will be the special musical program rendered by Norden's concert band, which will include a flute solo by Mr. O. E. Pederson, one of the most renowned flutists of the middle west. Mr. Ed Hoffman will also play a xylophone solo.

The big velvet roller coaster will be able to accommodate the large crowds who wish to take a spin, as a new chair has been placed on the incline. Bathing is now a very popular feature, hundreds taking a cool dip at Manhattan beach daily. New bathing suits have been purchased and will be at the kiosk today. Boating is doing a capacity business, every evening the entire fleet of pleasure craft being in use. All other attractions, including the merry go round, electric studio, Japanese ball game, plate game, penny arcade, baby rack, howling alley, shooting gallery and novelty stand will be in readiness to handle the immense crowd expected today.

The Manawa management is making elaborate preparations for the big Fourth of July celebration. The outpour of fireworks from the Pain company, Chicago, has been received, and Manager Byrne calculates to present the largest and most spectacular pyrotechnic display ever seen in this western country. The fireworks will be sent off from a large barge in the center of the lake, thus making a grand reflection in the water. Ten experienced men in pyrotechnics, under Prof. Charles Kosters, will have charge of the display.

ROUTES OF NEW BOULEVARDS

Lines Finally Are Definitely Decided On by the Park Board Saturday.

The Park board yesterday afternoon, in the presence of a large number of interested citizens, formally decided on the exact routes of the new North Central and North-west boulevards. The lines follow the same general descriptions published months ago, but are so anxious as to make it impossible to show the surveys verbally.

The action means a definite step toward the construction of the driveways, which are to be 150 feet wide and to run from Bemis park to the city limits. The engineer is instructed to prepare descriptions of the property to be condemned in order that the land necessary may be acquired without delay. It is the intention of the board to lay out the boulevards as rapidly as funds will permit and to improve them with trees and parking in a leisurely manner, planning at the end of ten years to have improvements of an admirable character. Much of the property necessary for the Northwest boulevard is to be donated to the board.

To Correct a False Report.
The report being circulated that Hayden Bros. are using the depositors' money in their business is absolutely untrue.

The deposits in Hayden Bros' bank are loaned on the best and most available security for the safety of the depositors. Not only that, but Hayden Bros' bank has more solid wealth and cash resource for its liabilities than any other bank we know of, either in this state or elsewhere. There is no mortgage or incumbrance of any kind on Hayden Bros' property; it is all clear to strengthen and support the bank assets in case of panic or adverse conditions of any kind. It might be well to think of these facts when making your savings deposits.

Hayden Bros' bank will pay 4 per cent interest from July 1 on all deposits made in their business absolutely untrue.
