Wait for this sale and get best values of the season.

Omaha Suit Co.,

1511 Douglas Street.

CELEBRATION IS ON THE

Noise Producers Tossed Off Promptly with Setting of Sun.

ORPEDES ON CAR TRACKS UNDER BAN

No Official Observance Today, but Ample Program of Sports Provided, with Music at Resorts and Parks.

Preceded several hours by the spirit of the day, the "Fourth of 1906" arrived last night, lights burning, rockets flying, crackers and torpedoes booming and balloons floating to herald its appearance. The reception given by the city was of the most elaborate and noisy and auspicious than other Fourth days has received. It was noteworthy in that no incidental casualties of serious accidents were reported.

Temporary street stands and other places selling fireworks did a thriving business all day and with the setting of the sun the continuous roar of a grand salute to the approaching anniversary day began in all parts of the city. Noise-producing paraphernalia of all sorts were put into use, but the efforts of the police to suppress the use of revolvers, large torpedoes and large crackers made these dangerous articles hard to find.

The habit of placing torpedoes on the street car tracks is particularly tabooed this year, but although this was given wide publicity through the press, there were some who, through ignorance, carelessness or heedlessness paid no heed to the warning and as a result many found themselves under arrest. Most of them were released on bond to appear in police court this morning, but all were handled "without gloves" by the police, as they believed sufficient warning had been given.

Persons who do not wish to take a ride in the patrol wagon today will do well to remember that torpedoes are not to be placed on street car tracks; that revolvers must not be used, even with blank, and that the other articles mentioned are too dangerous or too great a nuisance must be let alone. No shooting should be done in the vicinity of hospitals or houses containing sick persons. Policemen were placed near some of the hospitals last night and will keep them today.

Amusements of the Day.

A card of sports and amusements has been prepared and all the parks and resorts will be open. The program runs something like this:
Vinton Street Park—Two games of base ball between the Omaha and Des Moines Western League teams, one called at 10:30 a. m. and the other at 2:30 p. m.
Krug Park—Special patriotic concert by Royal Canadian band, with solo features; two ballroom sessions, one of them being by Miss Madeline Waldemar, and both with special fireworks display in military, patriotic and dramatic sketches, including the "Siege of Odesa."
Lake Manawa—Usual features, with special attractions and a fireworks exhibition in the evening.

Riverview Park—Free band concerts and several picnics, including those of the socialists and "I. W. W." organizations, which will have a program of music and speaking.
Hanscom Park—Free band concerts in the afternoon and evening by George Greene's orchestra.
Florence—Old-fashioned Fourth of July celebration, beginning in the morning and lasting all day.
Country Club—Tennis tournament and golf.
Field Club—Golf and tennis.

Chief of Police Donahue's orders regarding the use of gunpowder are explicit and patrolmen and detectives have orders to arrest anyone who violates them. The chief is determined to again have in Omaha an approach to the city limits. Firecrackers more than three inches long are forbidden, together with torpedoes of any kind more than an inch in diameter. Explosive canes are under the ban and pistols, shotguns, real or toy cannons are strictly prohibited. No fireworks, crackers more than three inches long are forbidden, together with torpedoes of any kind more than an inch in diameter. Explosive canes are under the ban and pistols, shotguns, real or toy cannons are strictly prohibited. No fireworks, crackers more than three inches long are forbidden, together with torpedoes of any kind more than an inch in diameter. Explosive canes are under the ban and pistols, shotguns, real or toy cannons are strictly prohibited.

HUMANE SOCIETY EXPANDS

Twenty-Five Members Added as Result of Letters Sent Out by Ellison.

The membership of the Nebraska Humane society, which for two years has been at a standstill, has been increased by twenty-five active and one associate member as a result of letters sent out June 15 by Superintendent Ellison. The latter is now equipped with a horse, and mounted, is able to perform a much broader range of duty. His report for June shows that twenty-two cases were assigned to him, of which he had secured four cases being left still open. Sixty of these cases involved animals and sixteen involved children. Three persons were taken into court to answer to charges of cruelty to animals and one was fined \$19 and cost. Forty-three warnings were given and one horse destroyed. Forty-one horses were ordered out of harness. Altogether there were eighty-eight horses concerned in investigations, thirty-three small animals and 394 persons.
The investigations about children involved twenty-six adults, eight boys and nineteen girls. Five convictions were accomplished, two cases were acquitted and two dismissed by consent. Two circus horses inspected, meaning a total number of horses inspected of 529, of which six were ordered not used.

Hints for Planning Your Vacation.

A little note will bring to you our booklet on summer vacation where to go, how to get there and what it will cost. It contains over eighty different tours, combining rail and water routes. No vacation plans should be completed without consulting this guide. For a copy address C. C. Merrill, Training Passenger Agent, 16th and Walnut Sts., Kansas City, Mo. W. J. Lynch, Pass. Traffic Manager, Chicago.

Go to New York on the Lehigh.

This track scenic highway, connects at Buffalo or Niagara Falls with all lines from the west.

Write passenger department, Lehigh Valley R. R., 218 South Clark St., Chicago, Ill.

Pockets Picked in Red-light District.

Two colored women were arrested by the police Tuesday evening and locked up at the police station. The woman on complaint of white man, Chris Christianson of Gardner, Ill., was the one who was arrested. She was found by Anna Frank, 223 Capital avenue, South Omaha, who saw her in the red-light district. She was charged with taking a white man who was charged with striking Christianson when he asked the return of his pocketbook was also locked up.

Hus Driver Injured.

Oscar Schultz, 338 South 17th street, was thrown from an Omaha Transfer company depot bus which he was driving in front of Calumet street, last night. Fourteenth street, and sustained a painful sprain of the right ankle. The horse attached to the vehicle was running away, probably frightened by the noise of exploding fireworks. Schultz was carried into the Callahan barn and later removed to his home by the police. Surgeon Elmore attended him.

O'DONAHUE-REDMOND CO.

INHERITANCE TAX FUND USES

Money Cannot Be Devoted to Roads Within City Limits.

SUCH IS DECISION OF JUDGE SLABAUGH

County Attorney Slabaugh has given a written opinion to County Commissioner Solomon covering some of the mooted points in the use of the money raised by the inheritance tax on the permanent roads of the county. Mr. Solomon wanted to know whether the money could be used to build roads through incorporated villages and whether it could be used in making cuts and fills in order to level up the roadbed.

Beware of Lockjaw.

The danger from Fourth of July accidents is of their resulting in lockjaw. The street dirt contains the germs of this disease and injured persons are unconsciously vaccinated with it. Apply Chamberlain's Pain Balm as soon as the injury is received and all danger will be avoided. Do not bandage the injured parts.

To Correct a False Report.

The report being circulated that Hayden Bros. are using the depositors' money in their business is absolutely untrue. The deposits in Hayden Bros' bank are loaned on the best and most available security for the safety of the depositors. Not only that, but Hayden Bros' bank has more solid wealth and cash resource for its liabilities than any other bank we know of, either in this state or elsewhere. There is no mortgage or incumbrance of any kind on Hayden Bros' property; it is all clear to strengthen and support the bank in the event of any other business conditions of any kind. It might be well to think of these facts when making your savings deposits.

Hayden Bros. Bankers.

Hayden Bros. Bank will pay 4 per cent interest from July 1 on all deposits made before July 15; no notice required to withdraw your money.

Useful Holiday Excursion Tickets Will Be on Sale via Missouri Pacific Ry. Ticket Office B. E. Corner 15th and Farnam, or Union Station.

Early Closing of Stores

Leading Omaha Retailers Will Stop Business at 5 O'Clock in the Evening.

Leading merchants of Omaha to the number of about forty have united in an early closing movement to be begun on Thursday. Beginning with July 6 they will close their places of business at 5 o'clock each afternoon except Saturday until September 1. This is to allow the clerks and other employees of the stores to get away early during the hot months. Shoppers are requested to keep this in mind and do their buying early. The list of firms interested is printed elsewhere in this issue.

New Homes in the West.

Werts, Dentist, 605-6 Farnam Block.

Street Car Company Wins.

A verdict for the street car company was returned Tuesday morning in district court in the case in which Helms Kramer sued for \$5,000 for injuries he received at Sixteenth and William streets while alighting from a street car. Helms' car started while he was getting off and threw him to the ground, severely injuring him. The street car company asserted he climbed off while the car was in motion.

Indiscriminating—

Old Dutch Cleanser chases dirt no matter in what form or how thick, hard, crusted or greasy, from every crack and crevice throughout the house, leaving the surface spotlessly clean and uninjured.

Saves time and energy, and avoids the drudgery.

Sold in large, convenient sifting top cans. At all grocers, 10c

Sent FREE, on request, the useful little booklet "Hints for Housewives."

OTHER ROADS JOIN IN FIGHT

Milwaukee and Missouri Pacific Announce Oute on Grain and Grain Products.

ELEVATION FEE WILL ALSO BE DROPPED

Union Pacific in Its Comeback Declares It Will Meet the Cut Instituted by the Burlington.

The Milwaukee road has announced it will follow the lead of the other roads and reduce its tariff on grain from the Missouri river to Chicago and Mississippi river points 1/4 cent, at the same time doing away with the payment of elevation charges. The Missouri Pacific announced late yesterday that it would make the same cut of 1/4 cent, effective July 8, on all grain and grain products originating west of Omaha and going south and southwest. The battle is waxing warm. On Monday, the Burlington announced the grain rate from Nebraska points to Omaha would be reduced 1/4 cent as long as the Union Pacific continued to pay elevation. At the same time the payment of elevation was announced as discontinued and the rate from the Missouri river to the Mississippi and Chicago was reduced the same amount.

Now comes the Union Pacific and says that road is going to take a further hand in the fight. At Union Pacific headquarters Tuesday it was said there was but one thing to do if the Burlington lowered the rate and that was to meet the cut. Grain not elevated would be overcharged by the Union Pacific just 1/4 cent unless the cut is made by the Union Pacific as it is by the Burlington.

"And the end is not yet," said a leading Union Pacific freight official. "As the 1/4 cent per hundred refund applies only to grain elevated, the Union Pacific would be at a disadvantage to that amount if the Burlington cuts."

Lincoln Displays Its Nerve.

A protracted meeting of the freight officials of the Burlington, Rock Island and Missouri Pacific was held in Omaha Tuesday to take up the question of Lincoln rates. The Commercial club of Lincoln has been pounding the railroad officials on the back to get them to put Lincoln on the same basis as Omaha. Nothing definite was decided upon.

"That proposition is almost too foolish to consider," said one railroad man. "For if Lincoln was put on the same basis as Omaha, why not Beatrice and Hastings and Kearney? Where would you stop?" Another railroad man said:

"That would be the worst thing which could happen to Omaha, for much of the freight from the south comes through Lincoln. If Lincoln was put on the same basis as Omaha, and some legislators should come along and put in the mileage basis that is in effect in Iowa, the Omaha merchants might as well close up shop and move to Lincoln. The river is the proper heading point and towns inland should not expect to get on the same basis as the river cities."

Better Freight Rates.

That something will have to be done to induce the railroads to inaugurate better freight service between Omaha and the towns of southwestern Nebraska was the decision reached by the transportation committee of the Commercial club at its meeting Tuesday. The agitation is a result of the recent trade excursion, on which the jobs were made to realize more than ever the advantage better freight service gives St. Joseph and Kansas City. The transportation committee of the club and the heavy shippers of the city will be called together Friday to talk over the subject. It was decided to begin a campaign for

new members and not stop until the membership reaches 1,000. It is now 800.

T. E. Stevens, J. P. O'Brien and C. A. Mallory were elected to membership in the First Methodist church to honor membership. Inspired by an address of T. W. McCullough at the Ak-Bar-Ben den Monday night on the subject of denatured alcohol, the committee decided to make a study of the possibilities of that product.

NEBRASKA CROPS EXCELLENT

Conditions Along the Burlington Are Promising of the Best Results.

The Burlington crop and soil report for the Nebraska district for the week ending June 30 shows the crops of the state to be in excellent condition. The Lincoln and Wymore divisions were visited by several good rains during the week and the soil is everywhere in excellent condition. Some rain fell on the McCook division, but more is needed. The report says:

"Winter wheat is being harvested on the Lincoln division and is everywhere a good yield. It is a little early to estimate the yield, but it is probably to be up to or in excess of the crop of 1905. On the Wymore division the winter wheat harvest is progressing rapidly and a good yield is reported in every locality. In some places the straw is somewhat short, but the heads are well filled. Harvesting has commenced on the McCook division, but the crop is not in as good condition in all places as the two eastern divisions on account of lack of moisture.

Corn in all parts of the district is in excellent condition. The heads are clear of weeds, and on the two eastern divisions the rains and warm weather of the week have been very helpful. On the McCook division, while corn is not yet in a stage where a good yield is expected, it is very beneficial.

The recent rains have been a material help in all parts of the district. The northern part of the Wymore and on the Lincoln divisions. The straw is short, but the heads are filling much better than was anticipated, and in the Lincoln section the heads are not extensively raised on the McCook division, but about a half crop is expected. Other spring grains in the district will not amount to much.

Wheat is in good condition. On the Lincoln division the early-planted potatoes are ready for market and are of good quality. Pastures on the Lincoln and Wymore divisions are in good condition. Pastures on the McCook division, while not yet suffering for moisture, would be greatly benefited by a good rain. The alfalfa crop of alfalfa is everywhere in excellent condition.

Pastures on the Imperial line are in good condition; also in the Irigation district on the west end of the McCook division. On other parts of the division where irrigation is not resorted to, the sugar beet crop is not in good condition, owing to lack of moisture. Prospects for fruit continue good.

Keep Wounds Open.

The danger of lockjaw from Fourth of July accidents may be avoided by applying Chamberlain's Pain Balm and keeping the wounds open. Do not bandage.

Excursions.

On July 5, 6 and 7, to Chautauqua Lake, N. Y., and return via R.R. good 30 days; and daily June 1 until September 30, at \$20, via Erie Railroad from Chicago; stopovers also permitted on all tickets to New York, Boston, Niagara Falls, etc. Apply to your local ticket agent or J. A. Dolan, T. P. A., 355 Railway Exchange, Chicago, Ill.

DIAMONDS—Edholm, 16th and Harney.
