Harry Welch put the ball over the right field fence twice on the glorious fourth and that was most of the honor Omaha got from the two games played with Des Moines at Vinton Street park, for the champions won both morning and afternoon, the first by Sanders and Dodge, the second by Carter and Welch.

Lincoln, July 4.—The first of two games from Lincoln today before crowds which packed the grandstand and bleachers was the morning game. Omaha was to play the Des Moines aggregation simply played better ball and won the game, and that was all there was to it. Omaha could make but six hits off Cleotis in the morning and two off Roscoe Miller in the afternoon, while the champions were piling up twelve hits off Dodge in the morning and nine off Sanders in the afternoon. At that other game could have been won by a little change in the proceedings. Des Moines would never have tied the afternoon game had Welch fielded the ball on in as he should, Schaefer hit the second to the center, the morning game was full of interest all the way through and was won by the champions by the score of 2 to 1, the only run Omaha made being the homer over the fence by Welch. Castillon sent in Cleotis, the Michigan Central brakeman, to do his job work, while Manager Long relied upon Dodge. Cleotis was in rare form and held the Colts to six hits, all scattered, while Dodge was touched up for an even dozen, perfect fielding keeping the score down to two runs.

Champs Start Right Out. Des Moines started after the first game with the first of the ump. Caffyn hitting safe to middle field, too short for Welch to get. Sluiger Bill tried to bunt and Dodge elected to catch Caffyn at second, but his throw was wild and both were safe. Weidly advanced them each a base and Caffyn was caught at the plate when heater hit a line one to Perring, who yielded it perfectly and pushed it on home. Double steal was attempted by Schipke and Dexter, which was successful because of the poor throw by Bender.

Omaha tied the score in the second with Welch's homer, which was a three-bagger with two strikes. The third started out for Omaha and it looked as if plenty of runs would be made, but only one toward crossed the plate. Schipke hit a high one which Carter muffed. He went to second in Dexter's single and home on Towne's longer to right. That was all the scoring done, but there was plenty of sharp hitting to keep the interest keyed up to the finish.

After Magoon had popped one to Perring on the seventh Cleotis hit safe and Caffyn followed with a double, on which Cleotis did not score. He looked as if Welch might make the catch. Dodge then struck out Schipke and Weidly.

The Omaha team started off like winners in the afternoon game, when after retiring the champions one, two, three, Carter went to third on a three-bagger throw of Anderson. He missed his chance to score on Perring's out from Miller to Dexter and the crowd was condemning him when Harry Welch solved the problem by hitting the ball clear and clean over the right field fence, as he had done in the morning game. This made Omaha two to the good and as the slawkeys were unable to do much with War Wanda, it looked as if Omaha would even up on the day. That was the last made, however, and Des Moines made one at a time until it had five to Omaha's one.

Towne made a triple in the second, but a neat double, executed by Sanders to Dolan to Gauding, headed that off. In the fourth Des Moines made the first run when Weidly led off with a triple and scored on Dexter's Texas leaguer to right. In the morning game, this made Omaha three in a run, and at that it might have been headed off. Magoon hit safe to left and Miller fell to Welch. Caffyn hit safe and Sluiger Bill drove one to Welch, who against the batter's strength to let Magoon cross the plate.

The game was on in the last inning, 'owne flew out to Bassey and Horgie hit safe for a double down the third base line. Andreas drove one which Dolan did not stop and the game was won.

out of business. He was game, however, and finished strong. He struck out eleven and yet was hit safely twelve times. Hutch Fress occupied a box, having been on the hospital list at Fremont Tuesday.

Sluiger Bill was caught napping at first by Sanders and Dodge, and the fans handed him a few side remarks. Sluiger Bill made the two runs which won the morning game. He has that habit against his side of the plate.

With 3,500 people at the morning game and 4,000 at the afternoon game, Omaha should have a little consolation if he could not stop it.

Welch sent one to Dexter in the sixth which had whiskers on it, at any rate. Dexter with his big hit and all could not stop it.

Devis made several decisions that did not look just right to the man up a tree, but as his work was so generally good, they were overlooked. When he struck out with the third strike four feet off the base it was a little strong, still it had to be swallowed.

Kansas City Wins First Game to Milwaukee. MILWAUKEE, Wis., July 4.—With the score 3 to 1 in favor of Milwaukee in the sixth inning, Manager Burke of Kansas City led his team off the field this afternoon, forfeiting the game. The home team by a score of 3 to 1. Burke claimed that a passed ball by Leary, letting two runs, hit Oberlin, who was at bat, but Empire Langley decided differently, and after giving the visitors the required time to get back on the field, he declared the game forfeited. 13 to that time it was a pitcher's battle between Oberlin and Franz. President O'Brien of the American association, who was on the stand, said that Burke would be fined \$100 for his action. Score: MILWAUKEE, 3; KANSAS CITY, 1.
