

FIVE MILLION INCREASE

Advance in Real and Personal Property in Douglas County.

REED REPORTS TO THE STATE BOARD

Total Amount is Over One Hundred Million, Improved Lots Bringing Up the Aggregate.

An increase of \$5,000,000 in the valuation of Douglas county real and personal property is shown by the report of County Assessor H. D. Reed to the State Board of Equalization, which he has just completed.

The total valuation of real estate in the county is \$122,294,718, which is an increase of more than \$2,000,000 over last year, when it was \$120,294,718. The rise in values comes entirely in the item of improved lots, the increase there being about \$2,500,000. This is decreased in the total by the two items of unplatted land and unimproved lands, both of which naturally show a falling off. This is due to the fact that considerable land from these two classes has been transferred to the improved class. The gross figures follow:

Table with 2 columns: Category and Value. Includes Unimproved lands, Improved lots, and Personal property.

Table with 2 columns: Category and Value. Includes Merchandise, Cattle, Sheep, Hogs, Poultry, and Franchises.

HOUSES ON CIRCUS GROUNDS

Cottages Will Be Erected on Old Lots Where Big Shows Have Performed.

Goodby, circus grounds at Twenty-first and Paul streets. The hallowed precincts are to be broken up and devoted to the erection of small dwellings by the Horbach estate, and in a few short months no circus of any size can show where this kind of entertainment has been held in Omaha for many years.

Adults and children have learned to regard the vacant lots at Twenty-first and Paul streets as the official show ground in the city. Advance men for circus never thought of renting a location any place else, and every succeeding summer fixed the spot more definitely in the public mind.

BIG CROWD FOR BLACK HILLS

One Hundred People Will Be Ready to Start with the Commercial Club.

More men have signified their intention of going on the Black Hills trade excursion than we have ever had at the very start," said President F. W. Judson of the Commercial club, "and I am confident we will have 100 at least. Though the trip will be a long one—four days and five nights—the weather will be cool up in the hills, and we will have long days at Belle Fourche, Deadwood and Hot Springs.

WORKMAN HAS CLOSE CALL

Man in Redmond-O'Donohue Building Barely Missed by Heavy Timber.

An unusual accident occurred Friday morning at the new Redmond-O'Donohue building, Sixteenth and Howard streets, where a twenty-foot plank fell from the roof to the main floor, through an elevator shaft, narrowly escaping three workmen. The big stick was twenty feet long, three inches thick and nearly foot in width. A workman was moving it from the roof and let it fall when he could no longer keep it in tow. The timber went down with a deafening crash, ripping two ladders in twain in the descent. On the second floor Charles Quinche, a steamfitter, and his helper had just left one of the ladders which was struck by the plank. On the main floor the plank landed within two feet of George Bowen, a Chicago electrician working on the building. The plank

CITY AFTER THAT GAS TANK

Council Wants Ordinance to Compel Company to Move the Thing.

HOME CITY MUST HAVE PRIOR CLAIM

Will Be Pleased to Come to Omaha Afterward and Mayor Thinks that is All Right.

William J. Bryan will give first aid to the home-coming reception planned for him at Lincoln and will do what he can for Omaha's proposed reception later on.

This is the substance of Mr. Bryan's decision as expressed in a letter from him received by Mayor Dahlgren Friday morning. The mayor, several weeks ago, proposed a big welcome home for Bryan when he entered Nebraska reception to the city, who, after hobnobbing with kings, was worthy of such an honor. Spurred by the fear that Omaha might get in first, Lincoln called Bryan Mayor Dahlgren merely wrote. Hence Mr. Bryan concluded Lincoln had first claim and therefore, as a just referee, awarded the verdict to the capital, his home city.

NOTICE TO CUT THE WEEDS

Warning Served on Citizens by Three Men Appointed by City Officials.

Health Commissioner Connell, after receiving assurance from the city council that it would approve his bill, has put three men to work serving notices on property owners, occupants and agents to cut weeds. Five days are given for obeying the mandate. If the notices are not complied with the commissioner will file police court complaints charging the maintenance of a nuisance.

He has taken this course rather than taxing the costs of wood cutting to abutting property, as he finds that he has no funds to do the work. He has secured the cooperation of real estate men and agents for large estates and believes that he can accomplish more by \$200 or \$500 for serving notices than spending the annual allotment of \$2,000 for indiscriminate cutting. His effort has taken a business-like shape and he says he is perfectly willing to cross arms in police court with anyone who thinks he is running a bluff.

VICTIM OF HIS OWN SUCCESS

Saleman Wins Pair of Goats at Raffle and is Sorry of It.

Olle Kanett, a genial dispenser of the cooling highball at Twenty-eighth and Farnam streets, is wondering if the loser in a raffle is not better off than the winner. The other night a neighboring saloon man raffled off a pair of goats and Kanett took a chance. He won and for a few hours was greatly pleased. Then personal and telephone inquiries began to pour in regarding an alleged goat farm which he was suspected of being about to start. Inasmuch as his goats have whickers longer than any buck ever wore, Kanett got a trifle tired of the chaffing. But the trouble has increased and applications for jobs on the goat farm are now contained in every mail. It has already cost Kanett eighteen times the worth of the goats in real drinks and the end is not in sight.

To Correct False Reports

The report being circulated that Hayden Bros. are using the depositors' money in their business is absolutely untrue. The deposits in Hayden Bros' bank are loaned on the best and most available security for the safety of the depositors. Not only that, but Hayden Bros' bank has more solid wealth and cash resources for its liabilities than any other bank we know of, either in this state or elsewhere. There is no mortgage or incumbrance of any kind on Hayden Bros' property; it is all clear to strengthen and support the bank assets in case of panic or adverse conditions of any kind. It might be well to think of these facts when making your savings deposits.

Best Medicine in the World for Colic and Diarrhoea

"I find Chamberlain's Colic, Cholera and Diarrhoea Remedy to be the best remedy in the world," says Mr. C. L. Carter of Skrum, Ala. "I am subject to colic and diarrhoea. Last spring it seemed as though I would die, and I think I would if I hadn't taken Chamberlain's Colic, Cholera and Diarrhoea Remedy. I haven't been troubled with it since until this week, when I had a very severe attack and took half a bottle of the 25-cent size of this remedy, and this morning I feel like a new man."

MAN BALKS AT WHOLE FAMILY

Husband Refuses to Support All Wife's Relatives and Divorce Suit Follows.

The refusal of Frank Wille to support his wife's relatives was one of the principal reasons they could not get along together, according to Mr. Wille's petition for divorce from Florence Wille, filed in district court Friday. They were married October 28, 1904, at Council Bluffs. He charges her with having "foul and extravagant habits" and with calling him "bad names." Finally, when he refused to allow her relatives to come and live with them at his expense, he says, his wife scolded him so it was impossible for him to live with her any longer. He also says she made threats of personal violence.

Howard W. Bloodgood secured a decree of divorce from Amor D. Bloodgood on the grounds of desertion.

RECESS FIRST OF AUGUST

District Court Will Saw Off Then Until Middle of Next Month.

At a meeting of the judges of the district court Friday afternoon it was decided to take a recess about August 1 until September 17, when the work of the present term of court will be taken up again and continued until October 1, when the regular October term will begin.

Judge Sutton said he might call a jury in September to try criminal cases if an unusual number of cases go on the docket during the summer.

Announcements of the Theaters

The new Bijou theater, with its attractive summer garden, has sprung into popular favor quickly this week. Crowded houses have been the rule since the capital vaudeville program won much praise at each performance. The Lockhart Sisters, who have proved one of the big hits of the bill, are making their debut in vaudeville this season. They have been with musical comedies heretofore, having appeared in Omaha in "The Burgomaster" and "His Highness, the Bey." The musical act of Lopez and Lopes is accompanied by a brilliant electrical stage setting, which is in itself something to see. The Berger Brothers perform some wonderful feats of hand to hand balancing. Others on the program are Jack Casin, with his songs and funny stories; the Bijou Stock company, presenting "An Honor Bound"; Pauline Courtney, the popular singer, and a series of sensational motion pictures which are quite out of the ordinary. An orchestral concert is given each evening in the summer garden at 7:30. The performance begins at 8:15 sharp. A matinee will be given Saturday at 2:30 and bargain prices will prevail.

The elephants have made a sensation at Krug Park this week and have drawn many thousands of people to witness the marvelous performance that they give. It is wonderful to witness the high degree of training these immense animals have attained. Everyone who has witnessed their performance will say that it is well worth a visit to Krug Park. The elephant engagement will close Saturday night, as Mr. Thompson has an engagement at Winona Lake, Ind., for next week.

Opening Sunday, Sanford Dodge and his professional dramatic company will give an open air production of "Ingomar," the first dramatic event of its kind at Krug Park or in Omaha. Amateurs have given all fresco performances in this city, but this is the first professional open air engagement in this city, and it will be both a pleasure and a novelty. It is believed that Omaha will show appreciation of Manager Cole's enterprise in securing this unusually high grade attraction by a largely increased attendance at Krug Park during the coming week.

The Passion Play imported motion pictures on the new Bioscope will be presented Friday and Saturday evenings, in response to a very general request for the special entertainment of the Baptist Young People's union, now in session in Omaha.

A Sustaining Diet

These are the enervating days when, as somebody has said, men drop by the wayside as if by the Day of Fire had dawned. They are fraught with danger to people whose systems are poorly sustained; and this leads us to say, in the interest of the less robust of our readers, that the full effect of Hood's Sarsaparilla is such as to suggest the propriety of calling this medicine something besides a blood purifier and tonic—say, a sustaining diet. It makes it much easier to bear the heat, assures refreshing sleep and will without any doubt avert much sickness at this time of year.
