BROADWAY PROBLEM AGAIN

Suggestion that Unpaved Portion of Street Surpy county to hold another if they see in Center Be Parked.

TWO COUNCILMEN OPPOSE THE PLAN

Light Contract Not Reported to Council on Account of Absence from City of Two Members of Committee.

To make a boulevard out of West Broadway was a suggestion advanced by Mayor Macros at the meeting of the city council last night, and the idea was favorably received by the councilmen present, with the exception of Wallace and Hendrix. The city has recently paved a strip on each side of the street from Thirteenth to Twentieth and the of caring for the unamproved space in the center has been worrying the lafty authorities. Mayor Macrae's plan is to make a grave plot out of the center and plant trees along it. The matter was discussed at length, but no action taken, although the councilmen favor the plan as being the cheapest way to dispose of the problem. Wallace opposed the plan, contending that the city had no right to make a boulevard of what he said was the main thoroughfare between Council Bluffs and the girl brought into court.

The council was served with notices of two suits to be filed in the district court by Charles T. Stewart and the other exsult the city is asked to pay \$5,000 for the damage sustained by the Stewart property opposite the high school buildby reason of the surface water flowing from Bluff street and Fifth avenue the orders of her father and mother. Bridge Matter Discussed. The question of removing the bridge over replace the one at Benton street and constructing a new one at the former place, was brought up and discussed at length. City Engineer Etnyre favored changing the present bridge on Eighth street so as secure two and a half feet more waterway and building a new bridge at Benton street. This, he said, would be less costly than moving the Eighth street bridge. Mayor Macrae spoke in favor of erecting the new bridge on cement abutments, but was opposed in this by the city engineer. The matter was disposed of for the time being by the city engineer being instructed to prepare estimates of the cost of remodeling the Eighth street structure, of removing the bridge to Benton street and of the cost and Samuel Mancuso of Omaha acted as of a new bridge on cement abutments for interpreter. either Eighth street or Benton street. When Councilman Pleming of the committee on fire and light reported that owing to the absence of the other members of the committee, Councilmen Tounkerman and Maloney, the proposed contract with the Citizens' Gas and Electric company would not be presented to the council until the regular meeting next month, Mayor Macrae suggested that in the meantime the city council should secure data as to the cost of street lighting in other cities. He stated that he had learned that in Omaha the cost of arc lights on an all night schedule was only \$75 per light per year, while the company asked \$85 in Council Bluffs. As the Omaha company furnished the electric current for the lights in Council Bluffs he said he could not see why this city should be asked to pay more than

JURY FINDS THAT JENSEN DROWNED Does Not Attempt to Fix Responsi-

bility for His Death. At the inquest held yesterday afternoon by Justice E. B. Gardiner, in the absence of Coroner Treynor from the city, over Olaf Jensen, the young man who was drowned Sunday evening at Lake Manawa while making a balloon ascension, the verdict of the jury was a mere finding of fact and was that Jensen came to his death by drowning in the lake on the evening of July 15. The witnesses examined were Thomas Andrews, the professional aeronaut who has the contract for the balloon ascensions at the lake resort; John Bottomley and W. J. Beints, companions of young Jensen, and Otto Schneider and Charles Woodward; employes of the Manawa Amusement company. William Hall, an employe at the lake who recovered the body, was subpoensed but did not appear until the inquest was over.

Nothing but what has already been published was developed by the testimony except that Jensen was unable to swim and that his two companions, Bottomley and Reints, had endeavored to dissuade him

from attempting to make the ascension. The dead youth was the son of Mr. and Mrs. John Jensen, former residents of Council Bluffs. OREGON LAND FRAUD CASES

Having Trouble Secure Jury to Try Hoge, Miller and Kincart.

PORTLAND, Ore., July 16.-Listening to excuses of the special venire of talesmen summoned to try the land fraud cases consumed a large part of the time today in the federal district court. When the case of the government against Attorney M. A. Hoge of Medford, H. W. Miller, Frank E. Kincart and Charles Nickell of Jacksonville was called, two of the defendants failed to put in an appearance. M. A. Hoge is said to be sick abed at his home. Miller is thought to be in this city and it is believed that he will appear tomorrow, to which time the case was coninued. The prosecution is experiencing considerable difficulty in rounding up the different defendants in the case. Beside Hoge, State Senator F. P. Mayes is declared to be at his home in eastern Ore-

gon, too ill to stand the trip. In a large number of instances defend ants were present and these entered pleas of not guilty. Indictments against S. A. D. Puter, H. G. McKinley, D. W. Tarpley T. W. Woman's Nightmare

No woman's happi-ness can be complete without children; it is her nature to love and want them as much so as

it is to love the

beautiful and pure. The critical ordeal through which the expectant mother must pass, however, is so fraught with dread, pain, suffering and danger, that the very thought of it fills her with apprehension and horror. There is no necessity for the reproduction of life to be either painful or dangerous. The use of Mother's Friend so prepares the system for the coming event that it is safely passed without any danger. This great and wonderful

applied externally, and has carried thousands Mother's of women through the trying crisis without suffering.

Grade Treatment

If you have a disease or weakness peculiar to the Peivic region, your condition calls promptly for the best treatment the medical profession affords. Of this fact you must be thoroughly convinced when you stop to consider how many different dedors you have consulted, and how many bottles of worthless medicines you have taken. We have no fault to find with the man who employs such inferior treatment, for that is his privilege, but the money he thus expends would go far toward securing for him a cure that is safe, rapid and permanent. We have long studied and thoroughly mattered infirmities of this character—male pelvic diseases. Recently we have treated scores of stubborn cases, and not a single failure or unpleasant result has been reported to us. Other physicians may treat men, but we cure them, cure them to remain cured, and this fact we are prepared to prove to the entire satisfaction of any man sincerely interested. Our fees are as low as they called the street and belt methods we care to remain care (if responsible, you may pay when cured.)

By the latest and best methods we care to remain cured, OBSTRUCTION, SPECIFIC BLOOD POISON, NERVO-VITAL DEBILITY, PROSTATIC, BLADDER and KIDNEY froubles, and all associate diseases and weaknesses, with

ITCHING ECZEMA

Suffered Tremendous Itching Over Whole Body-Scratched Until Bled - Worse at Night, With Soreness and Excruciating Pains - A Western Lady's

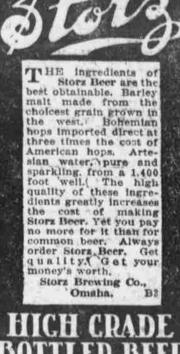

WONDERFUL CURE BY **CUTICURA REMEDIES**

"Last year at this time I suffered with a tremendous itching on my back, which grew worse and worse, un-til it spread over the whole body, and my face and hands were For four months or so I suffered the torments of the damned, and I had to scratch, scratch, scratch, until I bled. At night when I went to bed things got worse, and I had at times to get up and scratch my body all over, until I was as sore as could be, and until I suffered excruciating pains. I did not know what it was, and resorted to a number of blood purifiers, using at times also Cuticura Soap. They told me then that I was suffering from ecrema. Then I made up my mind that I would also use Cuticura Ointment and Cuticura Resolvent. I used them according to instructions, and very soon indeed I was greatly relieved. was as sore as could be, and until soon indeed I was greatly relieved. I continued until well, and now I am ready to recommend the Cuticurs Remedies to any one who suffers as did your obedient servant. Mrs. Mary Metzger Sweetwater, Okla., June 28, 1905."
