We, the republicans of Saunders county, in convention assembled, do hereby declare that we are proud of the political party that has shown itself capable of faltafully conducting the affairs of this great nation. We, the republicans of Saunders county proper efforts to give the consumers cleanly and wholesome productions.

We commend Governor Mickey and State Treasurer Mortensen for the decided stand they have taken as members of the State Board of Equalization toward securing a more equitable assessment of the railroad property of Nebraska. We believe that the action of the Burlington and Union Pacific Railroad companies in refusing to pay their full and just share of their taxes in Nebraska is wholly unwarranted and without cause, and we most heartily commend
