President Cabrera to the minister of the General Regalado and President Escalon of Salvador conspired with the end of procuring Cabrera's assassination.

A copy of this circular is now said to be in the possession of the Mexican department of foreign affairs. It is further stated that posters have been placed in Guatemala City calling for the assassination of President Cabrera. Some of these missives have even been posted opposite the walls president's residence, which guarded by about 2,000 plaked men. Cabrera is said to be practically a prisoner in his residence and to have his food tested for polson before eating it. Strength of Belligerents.

The Boston and Montana band of Butte won the prize by default. Twelve other bands entered, but failed to qualify, * as they did not have thirty-two pieces. The grand lodge held its first business

ession at ,2 o'clock this afternoon. Revision of the constitution is one of the most important matters to come before the convenion. The order was established as a social organization and "good fellowship" was one of the prerogatives for membership. So rapid has been the growth of the order that it has been found necessary to broaden its scope and place it upon a more solid foundation.

New Form of Government. With the adoption of a new form of government along the lines laid down in the American constitution members believe the order will be strengthened to such an extent that it will become in fact, as well as in name, the leading benevolent organization in the world.

By the adoption of the proposed new constitution three forms of government will be established-executive, judicial and leg-Louis. William Rothwell, democratic na- islative. This will put all the executive power in the hands of the grand exalted ruler, while the judicial duties, such as the arbitration of all questions pertaining to the order, will be placed in the hands of Rothwell said he would go to Fig. Louis a board of governors or similar body. Race Question to Fore.

Henry J. Darwood, a member of the Philidelphia delegation, will introduce a resolution condemning the use of the Eiks' badge by the Fraternal, Benevolent and Protective Order of Elks of America, an organization of negroes, and recommending the adoption of an official emblem. The entire negro question will be thoroughly gone over and it is expected that steps will be taken to attempt to prevent the colored

organization from using the Elk head. Election of Officers. There was an active contest for each office and the counting of ballots was not completed until tonight. The following were the ensuing year:
