Storz

IN Storz Beer we guarantee you purity. It is brewed in shining copper kettles, aged in hermetically sealed tanks, filtered through white wood pulp, put in sterilized bottles without coming in contact with the air, then pasteurized by the approved process. It is absolutely free from the germs or impurities that lurk in water, milk, tea, coffee, or other beverages—that's why the most prominent physicians recommend it. It's use promotes good health and true temperance. Keep a case of it in your home.
