PUEBLO WALLOPS MORRISON

Indians Win Last Game by Pounding Their Old Team Mate.

MINOR TOO GOOD FOR OMAHA TO HIT

Home Team Does Superb Work in the Field, Making Three Fine Donble Plays and But One Error.

Bill Morrison, in his first game in an Omaha uniform, failed to demonstrate that he was altogether indispensable to the pennant winning aspirations of any club. In fact William didn't establish any precedent at Vinton street park yesterday which would entail an impossible effort on the part of any of his teammates on the slab. Nor did Mr. Morrison do that which might tend to make Selec pinch himself for letting go of the once famous Des Moines pitcher who, jast season, was one of the Jonaha to Omaha batters. When Frank Selec's Indians perceived that it was their playmate of yesterday in the box they smiled, picked up their bats and went at him and when they came back they had seventeen hits and seven runs to their credit, which was enough to win the game, for Omaha had, meanwhile, got but eight hits and two rone off Minor.

And Pa is still shy on pitchers. Minor, saide from pitching ball that was too good for Omaha to win off of. foined in the swatfest on his old teammate and batted out a home run. It was bang, bang, bang from start to finish and had not Omaha put up superb work behind Mr. Morrison things might even have looked worse for him.

Selee said his team had to win games and it is doing it. Since it started in to play ball none in the league has been doing more consistent work. Had it started anything like as well as it is going now its place in the standing would not be sixth.

Three Fast Double Plays.

Omaha made three fast double plays and the only error was a dropped fly by

and Omaha came to bat. Three hits in succession were made and it looked as if Minor was going up after Ayers in a balloon, but he settled down and all Omaha got was one lonely run. Carter hit safe as did Howard, when Perring came along with a bunt which brought Carter home with no one out. Weich sacrificed them each on a base and Bassey hit to Shugart, who caught Howard at the plate. Dolan struck out and Pa's chances of winning the game in the first inning were gone.

Pueblo started in the second just as Campbell, If............ 4 2 1 2 9 9 men up hit safely, but none scored on the hits. Fiske flew out to Carter and Melchoir scored on the throw when Bader hit to Howard, who, with the aid of Runkle and Dolan, made a double. Omaha did not score again until the ninth, for Minor had settled down and held them safe at all times, but three hits being made from the first to the ninth and no two of these in one inning.

The tale of the Pueblo runs would be simply the story of successful hitting. In the eighth Bader hit for a single, when Minor hit a ball which cleared the fence just inside the foul line in left field. Omaha made one of its regular ninth

foning rallies, but it was too late, us the s had too big a lead. Runkle fitw out to Fiske with a line ball and Gonding reached first when he drove the ball too hard for Elwert to handle. Morrison hit safely and Carter batted the ball to the pitcher, who threw to third in time to atch Gonding and just missed out on a double to first. Howard hit to first and in the scramble was safe, while Morrison scored. Perring tried hard enough, but the ball went to Cook and the game was over. Two games will be played this afternoon,

the first to be called at 2:30. Des Moines comes Monday. The score: PUEBLO.

The Grizzlies had no chance to score and made but five hits, scattered through four innings up to the ninth, when Manske let down and allowed five hits and three scores. SIOUX CITY, July 21.—Loose playing in the field and heavy hitting on the part of Sioux City resulted in two scores on each side in the first two innings. Standing of the Teams. Games today: Pueblo at Omaha, Lincoln

at Sloux City, Denver at Des Moines. BATTING AVERAGES OF THE TEAM Falling Off for the Week of Seventeen

Points.

Omaha as a team slumped in its batting average last week. Seven men fell off and seven gained, Morrison having Joined the team during the week and playing but one game. But the gain was not sufficient to counterbalance the loss. Up to last Sunday the team average for the season was 274 and today it is 257. Even this is not a bad team average and if the pitching department was anywhere near up to the hatting Omaha would be giving Des Moines a much closer rub for first place. As it is, Des Moines continues to increase its lead, while Omaha has not increase its lead, while Omaha has not increased its percentage. Welch stays in first place and Joe Dolan is second, Perring third, each being above the 360 mark, but each has lost during this last week. Faithful old Gonding keeps up his shnormal slugging gait, having gained twenty points in the last week. Bassey picked up some and Howard boosted his percentage just thirty points.
