VALUATION OF MERCHANDISE

Board Finds Most Counties Show an Increase Over Last Year.

NO FORMAL PROTEST ON DOUGLAS COUNTY

Dr. Nicholson, Assistant Superintendent of the Norfolk Asylum, Notifies Governor He Will Quit the Position.

(From a Staff Correspondent.)

LINCOLN, July 25.—(Special.)—The State Board of Equalization this morning went over the reports of assessors on merchandise and figured up the increase in the various counties. No meeting was held this afternoon, because there was a base ball game and because Governor Mabe's party was again troubling him. Harry Dobbins of the News, who made such a spurge against the assessment of Omaha merchandise, for political reasons, again failed to show up and demonstrate to the board that he knew what he was talking about.

By a comparison with the figures issued by the secretary of state, it is shown the number of automobiles returned by the assessors is greatly below the number registered. This may be accounted for, however, by the fact that many assessors did not list automobiles separately, but counted them with vehicles. While the schedule provides all vehicles should be listed as a total number, in the same line a place is provided for automobiles.

The following table shows the increase and decrease in merchandise compared with last year:

MADISON COUNTY FOR BOYD

Antelope County Man Gets Instructions for Congressional Delegation.

NO PREFERENCE ON THE SENATORSHIP

Eight of the Twelve Delegates, However, Are Believed to Favor Rosewater—Instructed to Vote for Nomination by Convention.

NORFOLK, Neb., July 25.—(Special Telegram.)—The Madison county republican convention, held at Battle Creek this afternoon, elected a delegation to the state convention, though unopposed, it is believed to stand eight out of the twelve in favor of Rosewater for United States senator. Judges Boyd of Antelope county was endorsed for congressman and the delegation instructed to work for his nomination. Jack Koenigstein was renominated for county attorney. T. C. Alderson was nominated for representative in the legislature and Burr Taft was renominated for county commissioner.

Resolved, That the republicans of Madison county cordially approve the order of nomination of the state central committee in including in its call the nomination of a candidate for United States senator, and we hereby instruct and pledge the delegation from Madison county to the state convention to vote at every stage all attempts to dispense with the nomination of a candidate

FOR UNITED STATES SENATOR

Resolved, That the candidates for the legislature from this district are hereby instructed to support the candidate for United States senator nominated by the state convention.

The convention failed to instruct for senator, though Norris Brown had boasted he would have an instructed delegation from Madison county.

The following resolution of instruction was adopted:

We, the republicans of Madison county, in convention assembled, endorse Judge J. F. Boyd of Antelope county for congress and we instruct our delegates to the congressional convention to vote for and use all honorable means to secure his nomination. Delegation to State Convention—E. Greene, C. E. Burnham, W. N. Husk, E. A. Bullock, Chris. Schwabman, Norris Brown, Herman Hogrefe, Harry Barnes, E. S. South, C. A. Smith, H. A. Alderson, Joe Young.

BEAVER CITY, Neb., July 25.—(Special Telegram.)—The republican county central committee met here today and fixed the date for this county convention at Beaver City for Wednesday, August 1. COLUMBUS, Neb., July 25.—(Special Telegram.)—The democrats of Platte county met in their county convention, with 125 delegates present. Frank Kernan presided, with George Bender as secretary. The usual resolutions were adopted. There was quite a scrap as to instructing the delegates to their state convention for George W. Berge for governor and the ballot was 108 in favor of instructing and 30 against. No vote was made on secretary. James Greig was nominated for the legislature and Judge W. N. Hensley for county attorney.

BROKEN BOW, Neb., July 25.—(Special Telegram.)

CANCELLED STAMP DEALERS HELD

NEW YORK, July 25.—Five men who were arrested last night were today held in \$1,000 bail in police court for further examination in connection with the washing and reselling of state tax stamps. It was stated by the police today that 2,000 men were in the W. 4th street building, which the state government has lost about \$200,000. Two additional warrants were issued today for the arrest of two men who have been operating stores for the handling of the fraudulent stamps.

LANCASTER HAS TROUBLES

Harry Dobbins, in a laudable article in his paper last night, proclaimed himself the manager of Dr. Winnett, candidate for railway commissioner, by announcing that the Lancaster delegation would not be a trading delegation, or in other words, that they would support Dr. Winnett and Dr. Winnett could not get any money, and neither could Mr. Brown in making trades for more votes. Mr. Dobbins was trying to explain there was no friction over the naming of the delegation. The county convention gave Dr. Winnett authority to name the delegates but as soon as the convention was over the machine that assisted in manipulating the county convention at once got busy to tell Dr. Winnett who should and who should not be on the delegation. Dr. Winnett, however, is somewhat of a politician himself, and there is little doubt but what he knows the Journal-News-Brown combination cares little for him, but wants to use the state delegation as it pleases. Because he knows this and because he wants to be railway commissioner, Dr. Winnett will likely see to it that his own friends are appointed on the delegation.

JOURNAL TO PRINT REPORTS

After all, the State Journal company will print the supreme court reports. This is the work upon which the reform sheet bid \$7 cents a page, but owing to the fact it had made a combination with other printers to run up the price of state printing the board rejected its bid. The work was readjusted and the Omaha Printing company got the contract for 54 cents a page, a saving to the state of \$1,000. Now the Omaha company has a deal whereby the Journal company does the work and the two firms will divide the profits. Members of the State Printing board express some surprise that the reform sheet should be able to do the work at the lower price when it had bid 57 cents a page, and the members wonder what would have been the Journal's profit if it had been allowed to do the job at its own price.

DR. MATHEWS APPEALS

John O. Yeiser is in Lincoln today preparing his bill of exceptions to appeal to the district court from the decision of the State Board of Health, which revoked the certificate of Dr. Mathews of Omaha to practice medicine in Nebraska. Notice that he intended to appeal to the courts has acted as a stay, and the board will not enter its finding as a matter of record until Mathews has time to perfect his appeal.

NICHOLSON STEPS OUT

Dr. Nicholson, assistant superintendent of the Norfolk asylum, will not contest the right of the governor to remove him, but on the contrary he has notified the executive that tomorrow he will make out of the institution. Dr. H. D. Singe of Omaha has been appointed to take his place.

and Dr. Hattie Ewing of the Hastings asylum will take her place. Dr. Dunn has been with the Lincoln asylum for five years. Her resignation takes effect August 16. SCIENCE ANALYSIS

The Prohibition Theory on Beers

Has been weighed in the balance and found wanting. The great scientists of all Nations after careful analysis declare that beer brewed from pure barley malt and hops contains only about 3/4 per cent of alcohol or just enough to mildly stimulate the body and promote healthy digestion. Dr. Bauer, the German analyst (whose fame is international) says "Beer has a number of pleasant and valuable qualities. No other beverage contains such a combination of useful properties. The water of it quenches the thirst, the carbonic acid refreshes, the extracts are nutritious, the alcohol furthers digestion, the mineral salts build up the bones and extracts of hops act as a tonic."

Gund's Peerless Beer

Its commanding superiority over all American brews was proven at the St. Louis World's Fair where in open competition with the best America can produce it won the Gold Medal. Peerless has been brewed for over 50 years from the best Maltng Barley and finest Bohemian Hops by the world-famous "Gund Natural Process" and has won its high position solely on account of unadulterated genuine honest merit. Sold at all places of public resort and generally found in the homes of our very best people. Telephone, write or call; a case will be delivered to your home at once.

TORTURED BY ITCHING SCALP

Eczema Broke Out Also on Hands and Limbs—Suffering Intense—Doctors Said Too Old to Be Cured—An Old Soldier of 80 Years Declares:

"CUTICURA TREATMENT IS A BLESSING"

"At all times and to all people I am willing to testify to the merits of Cuticura. It saved me from worse than the tortures of hell, about the year 1900, with itching on my scalp and temples and afterwards it commenced to break out on my hands. Then it broke out on my limbs. I was obliged to use salt and water, which I did, to no effect. I then went to a Surgeon, who commenced treating me with a wash of borax. This treatment did me no good, but rather aggravated the disease. I then told him I wanted to see a physician in Erie. The reply was that I could go anywhere, but a case of eczema like mine could not be cured; that I was too old (80). I went to an eminent doctor in the city of Erie and treated with him for six months, with like results. I had read of the Cuticura Remedies often. I was strongly tempted to give them a trial, so I sent for the Cuticura Soap, Ointment, and Resolvent and commenced taking the Resolvent until I had taken six bottles, stopping it to take the Pills. I was now getting better. I took two baths a day, and at night I let the lather of the Soap dry on me. I used the Resolvent with great effect after washing in warm water, to stop the itching at once. I am now cured.

"The Cuticura treatment is a blessing and should be used by every one who has itching of the skin. I can't say any more, and thank God that He has given the world such a curative. You can use this letter as you please. A very much befriended man, Wm. H. Gray, 2838 Mt. Vernon St., Philadelphia, Pa., August 2, 1905."
