afternoon and gave Sloux City the same medicine as was, administered to Des Moines and Denver by War Sanders, the score being 7 to 0.

It was women's day and the members of the fair sex were out in abundance, but McNeeley did not intend to let that spoil his game as it has other social favorites whom Hourke has had to do the honors in the box for him. He never once glanced at the grandstand, but 'tended strictly to business and held Carney's men to five hits with but two bases on balls. He also took part in the bitting branch of the game and made a double which brought home two men and he came in later himself on Carter's hit. He pitched himself out of several pinches, as five different times the first man up for the Sloux reached first and only one man got as far as third.

McNeeley had opposed to him Newlin, the lengthy man whom Pa bought from Carney and who was taken back before the goods were delivered and Sawyer sent in his place. After the first inning, which was very bad for the Sioux and good for Omaha, Newlin settled down and did some excellent work for four innings, not allowing a hit, but after that he was touched up quite freely. Your old friend, the Butcher, was on deck, but he was unable to connect safely with the ball, although he sent two long ones to Harry Weich and the third one was a little grounder to Lawler. He caught everything that came his way, but was not as lively on the coaching lines as when he had the Omaha bleachers to back him up.

# S.S.S.CURES CATARRE

Catarrh cannot be washed away with sprays, inhalations and such treatment, nor can it be smoked out with medicated tobacco, cigarettes, etc. When you attempt to cure Catarrh with such things you are wasting time and allowing the impurities and poisons in the blood, which produce the disease, to get so firmly rooted as to become not only a disgusting trouble, but a very dangerous one. The annoying symptoms of ringing noises in the ears, 'hawking and spitting," headaches, mucus dropping back into the throat, impairment of the senses of taste and smell, and a feeling of general debility, prove that there is a deep-seated cause for Catarrh. This cause is a polluted and unhealthy condition of the blood, and the disease cannot be cured until this is removed. The only way to get rid of Catarrh permanently is to purify the blood, and S. S. S. is the ideal remedy for this purpose. It soon clears the system of all impurities, purges the blood of all catarrhad matter and poisons, and effectually checks the progress of this disgusting and far-reaching disease. S. S. S. puts the blood in perfect order, and as this pure, healthy blood goes to every nook and corner of the body Catarrh is permanently cured.
