### LOCALS RALLY AT BAT AT THE CLOSE Timely Hitting Puts Two Runs Across the Plate in the Seventh and Two in Eighth

Innings.

Corns pitched a game all the way through and won it from Shoux City at Vinton Street was shut out by a score of \$ to 0. He park Wednesday afternoon by the score of 4 to 2. The game was pulled out of the of 4 to 2. The game was pulled out of the fire by a batting rally in the last two innings, Jarrot holding the Rourke family to two little hits until the seventh inning. when a series of well placed hits did the business. Corne seemed to be extremely wild and would put himself in the hole at the start, but generally pulled out in fine shape. He passed but three men, although he did not strike out one. In five of the nine innings the first man up reached first base, but all the scoring was done in the first and third for Sloux City and in the seventh and eighth for Omaha.

Butch Freeze was heard to remark before the game, "All we have to do is to put Jerrott in to pitch and Omaha is beaten." it looked that way for some time, but time teld on the youth from Rulo and he was landed on at just the right time to win the Morgan, p ....... 3 9 9 9 3

The Soo won the first run in the initial and was sacrificed to second by Sheehan. Nobilt fouled out to Gonding and Weed hit a high one to Welch, who missed it after a hard run, and Campbell came home.

Runkle was responsible for the second run which the Soo made in the third inning Jarrott had hit safely to left, when Campbell knocked an easy one to the pitcher, who threw to Runkle at second. Runkle had plenty of time to get his man, but he whirled and threw to first to catch Campbell without touching second base and | S both were safe. Again did Reddy Sheehan Denver Lincoln pull off a well directed sacrifice, advancing Pueblo each a base. Nobilt flew out to Carter and Jarrott scored on the throw.

### Corns Prances Around Bunt. In the eighth inning, when Campbell had walked and Sheehan beat out a bunt

because Corns ran all around it, Nobit hit a liner to Corns, who whirled and got the ball to Runkle at second in time to catch Campbell off the base for a double play, but again Runkle falled to touch the base. He did start a successful double play in the ninth inning, when, after Frost had hit safely. Williams hit one right at him and he relayed it on to first in time to catch Frost before he sould return.

Corns led off with a double in the sixth inning, but that was as far as he could get, for Jarrott was still pitching the bail they could not find. The score was tied in the seventh inning, when Weich waited for four wide ones and went to third on Bassey's single. Bassey did not intend to right. Weich came home on Dolan's double, which hich his bat and went safe to right. Weich came home on Dolan's double, which ried to climb over the left field fence on the bound, but Bassey was caught at home because he tried to come too far after the ball had been returned. War Sanders did not use his usual good judgment in sending him in on the hit. Gonding tied the score with a single which brought Dolan home from second.

Two more were added in the eighth.

Two more were added in the eighth Carter beat out a bunt which Butch Freese threw over Williams' head in an attempt to catch Carter, who had the ball beat a mile. Carter reached third an the Butcher's throw. Howard hit one which Weed juggled until Carter had scored and Howard was on first. And now we have Cantillon and Holmes after 'Slats' Davis' scalp. My, what for? Has "Slats' made the rough players of those teams behave themselves, or what has he done? Surely they can find no fault with his ability as an umpire. Go out on the coast and you'll hear every player abuse and knock Davis, but you talk to the fans, the fellows who pay the money at the gate and make it possible for the players to get their salaries, and one and all will rell you he is the best umpire they ever had. And that's just the kind of umpire that O'Neil needs on his staff—one that won't be buildozed by the manager or the player.—Denver Post.

A CERTAIN SAFE

Even if mercury and potash could cure Contagious Blood Poison, condition in which these strong minerals leave the system would make the cure worse than the disease. But they cannot cure the vile disorder; they can only cover up the symptoms for awhile to break out with renewed violence when the treatment is left off. When the virus of Contagious Blood Poison enters the blood the entire circulation becomes poisoned, and the loathsome symptoms begin to appear. The mouth and throat ulcerate, hair and eyebrows come out, glands of the neck and groin swell, copper-colored spots appear on the body, and in severe cases sores and ulcers break out, and even the bones become diseased. S. S. S. is the only certain, safe cure for Contagious Blood Poison; thousands have been cured by it after failing with the mineral treatment, Hot Springs, etc. It is the only remedy that is able to get at the root of the disease and force out the poison so that no signs are ever seen again. S. S. S. is purely vegetable, being made of roots, herbs and barks, and never leaves any bad effects, but instead, tones up the stomach and digestion and builds up every part of the system while removing the poison from the blood. # DOCTORS FOR MEN

## THE RELIABLE SPECIALISTS CAUSES OF SUCCESS OR FAILURE

The difference between success and failure in business life is due in nine out of every ten cases to lack of physical manhood. Your growth, your strength, your ability, your intellectual or business capacity, your skill as a workman in the usual business pursuits of life, your popularity with other human beings, of either sex, is all shaken and your future career blighted if your standard of manhood is depleted. You can't be half a man physically and a whole man otherwise. A chain is no stronger than its weakent link.

Upon possessing the essential elements of manhood depends chiefly the happiness of marital life, success in the commercial world and the perpetuity of our race. Intellectual power and a privilege that should endure with man as long as life itself, and whenever it is impaired or suspended through ignorance, excesses, indiscretions or dissipations, nature will assert herself and the other bodily and mental functions weaken.

If you have violated nature's law you must pay the penalty, unless you are again restored to what nature intended you—a strong, robust, healthy man—physically, mentally and sexually. By health is implied that beautiful and harmonlous blending of the mental, physical and sexual forces, which contribute so much to our happiness and success in every walk of life, and the absence of which materially accounts for our failures. It is useless to worry about the past cause after the disease or weakness becomes once established. The fact that the trouble now exists makes it necessary that there should be no apathy, no delay, no deferring matters until later on.
