DEMOCRATS TO GO IN STYLE

Nebraska Brethren Who Meet Bryan at New York Will Travel Like Real Aristocrats. Nebraska democrats will go to meet Bryan in style. Arrangements have been made with the Great Western for a special train starting at Omaha and terminating at New York to carry a bunch of from seventy-five to 100 cornhuskers headed by Mayors Dahlman of Omaha and Brown of Lincoln.

The Great Western is selling its stock at \$1.40 for the round trip, which is just one-half the regular fare. This was the best price Mayor Brown was able to secure.

Starting from Omaha the Bryan train will have three or four standard sleepers, or possibly a private car or two, and a baggage car and Pullman. Stations will be reserved for Bryan and his party in hope of bringing them home under an escort of Nebraska democrats. It is intended to make the trip going and coming an event, and since the rate has been announced patriots of the proper political complexion at Omaha and terminating at New York that they meant to go east all along and show the Gophites how much Nebraska thinks of its famous friend of European royalty.

Schedules and details are to be announced later by Frank Dunlop, who has engineered the deal for the Great Western, but the special train is declared a sure go.

SEASONABLE FASHIONS.

NO. 4740-A PRETTY HOUSE JACKET.

Among the new designs there are some very charming house jackets for girls, and one of the most practical for the home dressmaker is shown here. It is the essence of simplicity, having no contrasting elaboration of any kind save the ribbon girdling the waist. It consists of a pointed yoke from which depends the full gathered neck. The deep collar is extremely graceful, being created by tucking the straight piece of the material to a depth of two or three inches, and allowing the fullness therefrom to provide ripple for the edges.

Two narrow tucks on the edge assist the flare, and the same is used to construct the frill at the wrist. A pretty collar or silk would be excellent for this design, while washing fabrics are also suitable. The jacket is so easily made that the girl may almost do it herself. For the medium size three yards of 36-inch material are needed.
