STATE LEVY CERTIFIED UP

Makes a Considerable Increase in Revenue, Douglas Leading in that Direction.

DELAY PRINTING AMENDMENT NOTICE

Editorial in Berge's Paper Stirs Up a Hornet's Nest Among Lancelot Democrats—Metcalfe Appeals for Harmony.

(From a Staff Correspondent.)

LINCOLN, Aug. 4.—(Special.)—Secretary Bennett has certified to the various county clerks the levies as made by the State Board of Equalization. The total amount which will be realized for the general fund on the 4 1/2 mill levy is \$2,191,577.51, an increase from \$2,131,256.49 over last year. The one-half mill levy for the schools will realize \$185,527.45, an increase from \$152,235.48; the university levy of 1 mill will realize \$313,075.32, an increase from \$304,479.95 raised last year. The redemption fund, 1-mill levy raised the same amount as the university levy.

While the increase in the assessment is raised over \$4,000,000, the increase in the amount of taxes to be paid for state and school purposes will be increased only \$40,230.62. The increased assessment will be felt, however, where the local levies are highest. Douglas gets the big increase in the state taxes, the amount being increased \$4,516.78, while poor old Lancelot, with all its state buildings, is only increased \$4,319.79. Following is the amount of state and school taxes to be paid by the various counties compared with last year:

Berge Stirs Up Something

George W. Berge has started something in Lancaster county and he will have the fight of his life to get an instruction here for his candidacy for the democratic nomination for governor. The editorial in his paper some days ago in which he said the democratic leaders sulked in their tents two years ago and left him to fight the battles of the people alone was bad enough, so the democrats are saying, but now that he has demanded an instructed delegation the last straw has been placed on a long-suffering camel's back.
