Pulliam-Boston Deal is Off. BOSTON, Aug. 3.-President Harry Pulliam of the National league came here to-

"CY" SEYMOUR ON A STRIKE Refuses to Play Until Given Share of

Purchase Money. NEW YORK Aug. 3.—"Cy" Seymour, he center fielder for whose release like NEW YORK, Aug. 3.—"Cy" Seymour, the center fielder for whose resease the New York National League club paid \$12,000 recently to the Cincinnati club and who has been playing with the local teach for some time, refused to don a uniform here today in the game against St. Louist the Pole grounds. Seymour claims that he is entitled to a share of the money paid by the New York management to Cincinnatt for his release and until he receives his share he says he will not play longer with the New Yorks, nor with any other club. The management of the local club cannot do anything in the case, as they have nothing to say as to what arrangements or agreement the player may have made with the Cincinnati management.

ment.

Seymour says he has nothing to complain of so far as the New York club is concerned and he repeated the statement to John P. Brush today. At the same time he refused to put on a uniform a walked out of the grounds just as the game began. The local club is chagrined at the loss of Seymour's services just on the eve of the series with Chicago, which begins here tomorrow.

CINCINNATI, O., Aug. 3.—President Hermann said tonight of the Seymour case:

"The Cincinnati Base Ball club does not "The Cincinnati Base Ball club does not owe Seymour one cent. It has always been the custom of the Cincinnati club to give the player half of the purchase price in case the player is sold to a minor league. In Seymour's case, however, he made no secret of the fact that he wanted to go to New York and he was transferred at his own request."

Mr. Hermann would not state what step he would take, but intimated that Seymour would not play ball in the National league if he waits for any of the transfer money coming from the Cincinnati club.

ONE MORE GREAT GAME OF BALL Cliffdwellers and Cowpunchers Will

Play for a Purse.

Another one of those terrible convulsions among the beings of the globe is to take place August 26, Sunday, when the base ball allegations from the court house meet a similar tribe that procures its desily bread at the city hall. The occasion is a picnic under the chaperonage of the Illinois Central railroad and the Ascot Amusement company at Ascot, Ia. The company has hung up a purse of \$10, real money, for a collision of the Cliffowellers and the Cowpunchers. It is needless to say that acceptances from Managers Hyder and Grotte were issued as rapidly as bullets from a Gallin gun. The challenge, as a matter of form, was written at the city hall and among other things had this fling. "On account of the recent one-skied game played between us, is to 2 in our favor, we feel that it is but proper that the challenge

for the third game should come from our quarters. Therefore we will agree to accept the terms of the amusement company, provided you can secure enough braves from the cliff to withstand another bombardment. Hoping that you will be able to gather enough of the unsophisticated together, we expect an early reply."

Each team has won something termed a "game" and the contest at Ascot is to be the deciding one of the series, and clinch the flaunting place of the pennant on the city hall or the court house.
