RAY OF HOPE FOR THE CREDITORS

Clearing House Official Says Defunct Institution Will Probably Pay Seventy Cents on the Dollar.

CHICAGO, Aug. 7.—Theodore Sten-

state president of the Milwaukee bank... The specific charge on which Theodore Stenland was arrested was that he had accepted deposits at the bank when he knew the institution to be insolvent.

Later in the day Jacob J. Kern, a former state's attorney, advised that \$5,000 for the release of Theodore Stenland.

The promises held out yesterday that the elder Stenland would appear in Chicago today were unfulfilled and it is the belief of the police, based upon dispatches from several northern cities, that he has fled to Canada.

Ray of Hope for Depositors. The day's developments were productive of the first ray of hope for the depositors who yesterday believed their savings of years swept away in the wreck.

The affairs of the bank are said to be almost hopeless and new irregularities are being disclosed as the examining goes deeper into the books.

Belief that Stenland has made his escape into Canada is supported by a report from Superior, Wis., that Sergeant of Police Darwin Secon of that city saw the missing banker on a Duluth-Superior car en route to Superior.

Notice by Police. Assistant Chief of Police Schuettler today personally took charge of the police guarding the bank. He soon sent a requisition to Chief Collins for more policemen.

The following message has been sent broadcast over the country by the police: Arrest for embezzlement Henry W. Hering, cashier of the Milwaukee Avenue State bank.

Warrant Asked for Stenland. Late yesterday Chief of Police Schuettler, with Inspector Shippy and Bank Examiner Jones, went to Justice Severson and asked him to issue a warrant for the arrest of President Stenland.

Justice Severson was not inclined to issue the warrant and the three returned to the bank empty-handed. It is expected that a warrant will be issued later in the day by Justice Severson or some other Justice.

ST. PETERSBURG, Aug. 7.—The work-

men's council has decided to call off the strike in St. Petersburg. The announcement will be issued tonight or tomorrow. This action does not apply to the provinces, but there is little doubt that the workmen there will follow St. Petersburg's example.

More than half the factories here resumed work this morning, and while the employees of some of the establishments at Moscow are still out, none of the predictions of the extreme parties who organized the strike movement were fulfilled.

The government, which had prepared for the worst, holding military trains in readiness at all the centers, had even made arrangements to send out the foreign mails by torpedo boats from St. Petersburg, naturally is greatly rejoiced over its victory.

WATERLOO, Ia., Aug. 7.—The democratic state convention today nominated a full state ticket, headed by Claude R. Porter, of Appanoose county for governor, adopted a platform and adjourned sine die tonight.

The platform favors for revenue only, the election of United States senators by direct vote of the people and demands the enactment of such legislation as will effectually destroy all trusts.

The platform expresses sympathy with the purpose of national labor organizations as set forth in a address by Samuel Gompers, John Mitchell and others calling on labor to assert its political rights at the ballot box.

A resolution was adopted pledging to William Jennings Bryan the support of the Iowa democrats for the presidency in 1908.

The first ballot on governor resulted: Claude R. Porter 23; John D. Dennison 24; George W. Ball 24; H. H. Boies 19; Donald Macrae 5.

The second ballot showed a slight gain for Porter. The name of Macrae of Council Bluffs was withdrawn after the second ballot.

The third ballot gave Porter 28; Dennison 26; Ball 17; Boies 18.

The fourth ballot was started when Ball withdrew. Porter was then nominated receiving 50 votes; Boies 22 and Dennison 12.

John D. Dennison was nominated for lieutenant governor by acclamation. Both Porter and Dennison were called before the convention and spoke briefly. Other nominations were made by acclamation until judges of the supreme court were reached.

Four names were presented and one roll call was taken. Porter and Dennison were nominated over E. A. Sager of Bremer and E. C. Herrick of Cherokee.

One ballot was taken on railroad commissioners. The convention met today in the Chau-tauqua coliseum, which seats 5,000 people. The coliseum was well-filled, though the attendance was decreased by threats of rain.

While it is true that we have met in this convention to nominate a state ticket, yet national affairs, because of the congressional election, almost overshadowed all else.

Clinton D. Dennison was elected temporary chairman. In his speech he said in part: "While it is true that we have met in this convention to nominate a state ticket, yet national affairs, because of the congressional election, almost overshadowed all else."
