"Only 3½% of Alcohol" The highest scientific and medical authorities in the world unite in declaring that the alcohol (about 3½%) contained in a bottle of pure malt beer like

Gund's Peerless Beer

is not enough to injure anyone, yet sufficient to naturally stimulate the regular flow of the gastric fluids within the stomach, as essential to the proper assimilation of solid foods. Professor Dr. E. Struve, Berlin, Germany, says: "Owing to the small amount of alcohol in beer the same cannot be called an alcoholic beverage in the usual sense of these words." Peerless Beer is an effervescent, wholesome and fully matured beer of commanding superiority. Because of this it received the Gold Medal at St. Louis Exposition in 1904 and at Paris in 1900. It is a sparkling amber beer with splendid fragrance, delightful, snappy flavor and creamy foam. It has been brewed for 50 years by the famous Gund Natural Process that preserves the life of the malt. Peerless contains only the choicest ingredients—the essential tonic juices of fine Bohemian hops, special yeast of our own cultivation, water flowing from a well in granite rock and the malted extract of rich, plump and sound Northwestern barley. Bottled in the home plant only. Sold in all reputable hotels, cafes, restaurants, etc. Ask "the man behind the bar," or buy a case delivered at your home. For family use no beer excels Peerless. Write, 'phone or call.

PULLIAM SAYS PLAY BALL

Friction at New York No Excuse for Postponing Today's Game.

TUESDAY'S QUESTION IS FINALLY SETTLED

President of National League Threatens to Resign if His Decision Supporting Umpire Is Not Sustained.

NEW YORK, Aug. 8.—The game scheduled to be played in this city between the New York and Chicago teams of the Nationa; Base Ball league must be played despite the trouble at the Polo grounds yesterday, and only adverse weather conditions or a forfeiture will be permitted to interfere with the contest, according to the statement made today by President Pulliam of the National league.

Mr. Pulliam said that the umpires assigned for today's game will be on hand this afternoon and that if the New York team refuses to play the game will be forfeited to Chicago. So far as yesterday's game is concerned, Mr. Pulliam considers the matter settled. He has upheld the decision of Umpire Johnstone in declaring the game forfeited to Chicago, and says that in the event of his decision not being upheld by the National board of directors he will resign his position as president of the league and will quit professional base ball forever.

Statement by Pulliam.

Mr Pulliam's statement follows:

"The New York-Chicago game scheduled for August 7 stands on the league record as forfeited to Chicago by a score of 9 to 0, and said result has been tabulated and counted. I uphold the action of the umpires absolutely, and if I am not sustained by the National league board of directors I will not only resign my position as president of the National league, but I will quit professional base ball forever. I am a National league man through and through and will never serve another organization. It has always been my ambition to one day own a National league franchise, but if blackguardism, jobbery and bulldozing tactics are to be upheld by the oldest professional base ball organization in America I wouldn't have the best franchise in the National league as a gift.

"I won't discuss my umpires' assignments for today's game or any other game. They are confidential and known only to me and my staff of umpires. But they will be on hand for the game this afternoon and the teams will play, unless weather conditions prevent.

Police Inspector Sweeney said today that neither he nor his policemen had anything to do with the exclusion of Umpire Johnstone from the Polo grounds yesterday and that he had assured Manager McGraw and Secretary Knowles yesterday that the police could protect Johnstone if he were admitted. The inspector also said that Secretary Knowles submitted a statement to him at the grounds yesterday putting the exclusion upon the shoulders of the police, but that he (Sweeney) refused to agree to it.

GAMES IN THE WESTERN LEAGUE

Denver Wins from Sioux City in a Pitchers' Battle.

DENVER, Aug. 8.—Denver took a closely contested game from Sioux City today by the score of 4 to 3. It was a pitchers' battle between Paige and Jackson and Paige had the shade, striking out eight of the visitors and allowing no hits until the sixth. Campbell led both the Packers' rallies and made the sensational catch of the game. Bunched hits secured Denver's runs. Score:

Carnes Easy for Champs.

PUEBLO, Colo., Aug. 8.—Carnes, the Salida twirler, was tried out again today and as on previous appearances he was unable to locate the plate. He issued ten passes and allowed thirteen hits. His work seemed to discourage the locals, who played a listless game and the visitors scored almost at will. Cicotte for the visitors was in fine form and except in the sixth and eighth innings Pueblo was unable to do anything with his delivery. Carnes repeatedly filled the bases on walks and then on getting himself into a hole he would be obliged to stick one over. Most of Des Moines' hits came when they meant runs. The errors of the locals were also costly. In the sixth inning after two men were out the Indians had a batting rally and secured three singles, a two bagger and a base on balls, which netted three runs. The score:

NO TROUBLE AT THE POLO GROUNDS

Umpires Who Were Excluded from the Grounds Tuesday Cheered When They Appear Upon the Diamond.

NEW YORK, Aug. 8.—Everything passed off quietly at the Polo grounds today, and Chicago beat the New York team by 3 to 2. It was learned early in the afternoon that the local club would not prohibit the entrance of any umpire assigned by President Pulliam to the grounds. When Umpires Johnstone and Emslie reached the gate they were accompanied by President Pulliam, who had come hastily from Saratoga, and as soon as he had seen the pair gain admittance without interference he scurried away in an automobile without going inside the turnstile. They were cheered when they appeared upon the diamond.

Neither Manager McGraw nor Third Baseman Devlin was to be seen today, as each has incurred the penalty of suspension for a few days. Score:
