the rusty nall was turns bottom up. In Taylor's wife and eldest daughter were the second suit Price appears as the best brought before County Attorney Hess and friend of his son and asks the city to pay the boy \$1,000 damages for the alleged intury he suffered.

Thomas Rowbotham, a nice appearing lad fused to confirm them. No arrest was of 12 years, who lives with his parents at made, as Mr. Hess stated he would await 1206 South Sixth street, was before Judge Wheeler in the juvenile division of the dis-

trict court yesterday for the third time and was ordered committed to the industrial school at Eldora. In December last young Rowbotham, with two or three other boys, was before the court charged with throwing coal from a Milwaukee, train on which they were stealing a ride from Neola

back to the city and severely injuring Chris Jensen, a section hand, who was struck by a big chunk of the coal. At the time the boy was ordered sent to Eldora, but the commitment was suspended on promise of ood behavior. Lately the boy is said have given the railroads much trouble by

jumping on and off moving trains, and he was brought before the court yesterday on this charge, preferred against him by Special Officer Burke of the Milwaukee.

Fred Potter, a newsboy, charged with assaulting Paul Blackburn, a one-legged colored boy who also vends papers on the streets, was before Judge Wheeler in the

juvenife court yesterday, Potter, who is bright, manly young lad, was shown to e the chief support of his mother and lit-

tle brothers and sisters while his father was an inmate of the insane ward at St. Bernard's hospital, was given another chance by the court on his promise to be-

have in the future. George and Ezra Harvey, charged with jumping on and off moving Milwaukee trains, were also before the court on com-

plaint of the railroad officials. They were sent home after receiving some sound advice from the judge, who placed the boys under the surveillance of Rev. Henry De-Long, probation officer.

vaters throughout the state of Iowa. Dead Man Found at Missouri Valley MISSOURI VALLEY, Ia., Aug. 14-(Spe cial.)-Last night about 10:30 Night Watchman Hicks in making his rounds in the switch yards found the body of a dead

man lying about fifty feet north of the main line of the Chicago & Northwestern, near the master mechanic's office. He im mediately notified Coroner Hennessey, who had the body removed to the Foss undertaking rooms, where an examination showed that he had been struck by a train, probably the fast passenger, No. 2. Undoubtedly he was killed instantly as his neck and nearly every bone on the left on his person it was found that his pame was F. Hammond, an employe of the "Cut-Off" dredge south of town. He was identi-

fied later by friends, who said that he had spent the day in town. Coroner Hennessey notified his family in Glenwood, Is., and will send the body as soon as possible without holding an inquest.

Porter is Getting Basy.

SHENANDOAH, Aug. 14.-(Special Tel-egram.)-Claud Porter, the democratic nomince for governor, is billed to address the old settlers at Farragut, Friday. The address is not to be a political one. Thurs-day evening it is planned to give him a big

reception in this city. Iowa Democrats Nominate.

CEDAR RAPIDS, Is., Aug. 14.-Rober C. Stirton of Monticello was nominated for congress today by democrats of the Fifth Iowa district.

WIRELESS SYSTEM EFFECTIVE

Satisfactory Results Are Reported from Trinis Made at East-

ern Maneuver Camp.

WASHINGTON, Aug. 14, -Satisfactory reults with wireless apparatus are reported to the chief signal officer in Washington from Camp Roosevelt at Mount Gretna, Pa. Under the direction of Captain Gibbs of the Signal corps there has been installed

at headquarters a set of wireless instru

ments and a station crocted. Two other sets of instruments are also in use and are sent with principal detachments of troops when out on march or in maneuvers From distances of ten or more miles, when halt is made, a wireless apparatus is brought out and within five minutes or less messages are exchanged with headquarters. Kites are used from these outbring temporary stations and it has been demon-

> tion can be established. On some occasions the Signal corps goes out with the cavalry, carrying the apparatus with them

and moving at a rate which would render impossible the stringing of wires in order at which time there will be taken up all to keep in communication with headquarters.

any time with headquarters.

Colored Troops to be Segregated. LEAVENWORTH, Kan., Aug 14-It was stated at Fort Leavenworth today that plans are being perfected to have all the colored iroops in the United States army stationed at one post because of race feel-ing that exists at many points where both white and colored soldiers are stationed. It is said that a southern post probably will be selected for the colored troops.

The contest lies between the two, though Colonel John C. Loper of this city is also candidate, with chances in case of a eadlock. Reeves seems to be in the lead, there being an understanding that the Missouri and Kansas contingent will vote for him in retarn for the northern states voting for Kanans City as the place for the next meeting. Niagara Falls and Jameston also would like to have the next meeting. This morning the entire force of delegates went Fort Des Moines to witness a review of the Eleventh cavalry in their honor, given aide of his body was broken. From papers by Colonel Thomas. Colonel Alfred S. on his person it was found that his pame Frost and General Irving Hale assisted Colonel Thomas in the review of the troops. Tonight the men went to a wrestling match and the women to a reception at the home of Mrs. W.'S. Conkling. The big features omorrow will be the parade, starting at 10 o'clock in the morning, headed by Colonel Thomas and the Eleventh cavalry, and in which every young Philippine veteran in the city will participate, and in the afternoon the business meeting, at which officers will be elected for the ensuing year

and the place for meeting in 1907 selected. Campaign to Open September 1. After electing Frank P. Woods of Esther

ville chairman of the republican state central committee and Carl F. Franke secretary, the new state central committee authorized the chairman to appoint an excutive gammittee, a superintendent of the peaking bureau and a head to the literary or press department. Chairman Woods has already appointe Committeeman W. L. Converse of the Fourth district as head of the speaking bureau. The executive committee and press bureau will be appointed later. Mr. Woods has planned to come to Des Moines to remain during the campaign. Arrangements are nearly perfected for opening headquarters in the Observatory lock across from the Savery hotel, where the headquarters have been for many years. A meeting of the full committee will be

held probably August II, and the campaign will be opened in force September 1. Wheat Harvest Reinrded.

According to the weekly crop builetin issued today the heavy rains of the last week or two have retarded the wheat harvest in the northwestern part of the state to a considerable extent. Grain in the shock has sprouted in some instances. The rains, however, were timely for the corn crop and in many localities kept it from firing

at the roots. Hearing on Freight Bates. strated that direct and quick communica The State Railroad commission today gave notice of a hearing to be had Sep-tember 5 at the commission's offices in the
