Colfax County Delegation Divides Its Yote in Spite of Instructions-Dodge Also Scatters Its Favors.

FREMONT, Neb., Aug. 16 - (Special.)-The republicans of the Third congressional district nominated Judge J. F. Boyd of Neligh on the first ballot. The convention met at the opera house at 10:30 this Ross Hammond, who had been morning. a signated as temporary chairman by the congressional committee, made an enthusiastic speech on taking the chair. The delegates whose credentials were on file were given seats in the convention with-out the formality of the appointment of a credential committee and a committee of seven was appointed on resolutions, after which an adjournment was taken until 1:30. B. E. Taylor of Burt was chosen permanent chairman.

This afternoon the resolutions committee submitted its report, which heartly endersed the action of the present congress and the record of Congressman McCarthy and paid an eloquent tribute to President

As the roll of countles was called on the ballot for congressman it became evident that instructions sometimes fail to instruct. Colfax, which had been instructed for McCarthy, would not stand for it and cast one vote for Boyd, five for McCarthy and five for Young. Dodge gave Boyd 714. McCarthy 614 and Young 514. At the conclusion of the roll call Boyd had 124 votes, a clear majority, but before the result could be announced delegations began changing to Boyd as fast as they could and on motion of Judge Reeder of Columbus his nomination was made unanimous Judge Boyd briefly addressed the convention, thanking them for the honor. Mc Carthy and Young were also called for and

This probably was granted in consideration of their giving up their claim for the right to pay fobbing charges. This has been the stumbling block to an adjustment at the last few meetings of traffic officials. The southern lines insisted upon the right to absorp these charges, which gave them an advantage, because of the cheapness of labor at the southern ports. Fobbing charges vary at different ports. At Baltimore they are 1% cents and at New York 1.6 cents.

With the assistance of business men of the town the new organization has purchased the old Congregational church for its services. The reasons alleged for leaving the mother church are lack of freedom of thought and speech accorded to members and the barring from membership of the church members of secret societies.

STANTON—There are indications that a shortage of teachers may exist in Stanton county the coming school year. The new law, which requires that applicants for certificates pass a state examination, has caused many teachers to fall in the examination. These will be given more time and an additional opportunity to make good. The consequent demand for teachers has caused an increase in the wages paid, so that \$40 per month in country districts is the standard and many teachers will receive \$45 and some as high as \$30 per month.
