The second annual state tournament the Nebraska Golf association opened at the Country club under most favorable circumstances with the attendance large and the weather perfect Thursday morning, but as the day progressed the mercury rose and the humidity increased, making the meather suitry.

B. H. Sprague of the Omaha Country club and A. J. Smith of the Overland Country club of Nebraska City started from the first tee at precisely 8:30 and the other players were sent as fast as possible until nearly noon, when the last pair got away. The present champion is Ed P. Boyer, who won the tournament at the Field club last when E. H. Sprague was the runner up. Boyer is taking part in the tournament this year, but has had little opportunity to play this summer, as he is out of the city

most of the time. The attendance from out of town clubs is good and shows a nice increase over last year. Holdrege, Lincoln and the two Omaha clubs are the only clubs of the state which will likely enter teams in the team ntest, as the Hastings and Nebraska City members thought they would not have nough men left over to fill out teams by

the time the team matches are played. The first cound of match play for the Nebraska state championship was started early in the afternoon, there being sixteen players who had qualified. McGee's score in the qualifying round was lowe than bogey and one of the most remarkable ever recorded at the Field club. Six players tied at 96 and T. R. Kimball drew winner of the tle as his opponent. Following were the pairings for the first

day could not have been prettler for solf if it had been made to order save for sultriness in the afternoon. Little was blowing and the sky was absolutely clear. The links of the Country club were in perfect condition and the whole & sward had been clipped close and the greens could not have been improved upon. Day is Ideal for Golf.

A special table d'hote dinner, followed by a dance, was the feature planned last evening at the Country club for the enterevening at the Country club for the entertainment of the visitors

close to bogey except for the seventeenth hele, which took an eight. Many of the cut-of-town players were timid about turning in their scores, as they seemed to expect the local men to come in with scores meet begry, but they soon saw there were local soores worse than theirs.

Afterance is Saliry.

The afterance was sultry and none played very fast gelf, but as the play was at match all had an even break. Thomas and Mages, two of the low medal score men in the qualifying rooms, were paired to play against each other in the afternoon. Metther played very fast and took each an average of a strokes a hole for the first nine holes, quite a different accore from what they had made in the morning. Thomas lost several holes he should have secured and got se far to the bad he could not recover. Sprague Abbott had a smap with J. Redick and won, every hole except one which was tied.

Because of the numerous flights which have been udded to the tournament for to day the golfers will be about as busy as they were yesterday.

Boyer and Psirfield.

Win from Omaha Three to One While Held to Three Hits. ROURKES UNABLE TO CASH IN SO WELL

Corns Holds Sluggers to Three Safe Ones, but Passes Five and Good Base Running Does the Best.

DES MOINES, Aug. 16.-Although they out-hit the Champions two to one Omaha lost the third game of the series by a score of 2 to 1 today. It was a fast game, filled with brilliant fielding and clever base running and was not over until O'Leary, with a fast double, retired the side in the Corns pitched a good game for Rourke. He allowed one hit in each of the fourth, sixth and seventh innings. He was a bit wild at times, however, and the base running ability of the Champs did the rest whenever a man reached first. Jackson's ascension in the third inning, when he forced in three runs in succession, was the most remarkable ever seen on the local diamond. Morgan was hit hard in the first two innings, but after that he settled down and the hits made off him thereafter netted only one run. Jackson retired in the seventh in favor of Jarrott, but the visitors got away with the game in the ninth, on Freeze's error, a base on balls and a long hit to center. The feature of the game was Sheehan's running one-handed stop of a hot grounder. Score: H. Sprague beat J. D. Foster 5 up and H. C. Swenney beat J. R. Scoble 5 up and hot gre

Even Break at Lincoln.

Lincoln, Aug. 18.—A double-header this afternoon between Lincoln and Denver resulted in an even break. Bunched hits in the first game was the secret of the Grizzites' success. McKay had a shade the best of it. Stecher, nevertheless, pitched a heady game, striking out Lincoln's strongest batsmen whenever in a tight place.

The score of the first game was: Denver. 3; Lincoln, 2. In the second game two hit batsmen, three errors and two singles gave Lincoln four runs in the first two innings, and that was enough to win. Denver making a single run in the ninth inning. Zackert was a puzzle the visitors could not solve and his support was good. Paige was also effective, but the fielding of Denver was slovenly. Score first game:

There are several pleasant drives which wind gracefully around the high building sites. There are many fine, large maple trees which add much to the beauty of the park. Others will be set out along the streets and avenues and around the lakes We have a skilled landscape gardener who will superintend the work of beautifying this addition and making it one of the finest suburbs in the west. This work is being pushed as rapidly as possible.
