HAVANA, Aug. 30.-The increasing uneasiness over insurrectionary manifestations in the western part of Cuba were quieted to a slight degree this afternoon by a decree of President Palma appointing General Rafael Montalvo, secretary of public works to be in direct charge of all

military operations against the insurgents. President Palma also decreed the increase of the rural guards to 4,000, the number contemplated in the bill introduced at the last session of congress. Many men who served as officers in the Cuban revolutions against Spain today visited of telegraphed to President Palma tendering him their

It is evident that the Pinar del, Rio insurgents are concentrating in the vicinity of the city of Pinnr del Rio, intent on occupying it for their headquarters.

Both the government and the Western railway telegraph wires were out this afternoon between Consolacion del Sur and Pinar del Rio for several hours. Finally guarded train took workmen from Pinar del Rio and repaired the lines. The workmen were not molested, but it is expected that the telegraph wires will be cut again. Tonight the telephone wires in that region were cut.

Numberless rumors are affeat of fighting n the western part of the province of Havana, but the only facts that have materialized are that Bandera's band, which has been increased to seventy, while proceeding near the railroad between Gunajay and Ban Antonio de Los Panos encountered eight rural guards, who immediately surrendered, were disarmed and Other smaller bands have gone let go. out in that vicinity and probably will concentrate with Bandera's force. The latter has attacked and rifled stores and stolen mules and horses at pleasure. The band stopped one railway train and shot

at an automobile. Many revolutionists are reported to have left Gunajay, including Colonel Lianeras, who was captured with a negro companion and a coach loaded with arms, ammunition, medicine and twenty machetes,
