DES MOINES, In., Aug. 20.-(Special.)-It

was discovered today that some of the non-

to organize for the purpose of defeating the

re-election of Auditor of State B. F. Carroll,

will join in the fight one hundred men will

be put in the field to make an aggressive

campaign against Auditor Carroll. The purpose of defeating him is the fact that he

has resisted their efforts to secure the

repeal of the Blanchard, anti-compact law

and the anti-coinsurance and pro-rating

law. The Blanchard law is the law that

prevents insurance companies combining

and fixing the rate of premiums. It is the

anti-trust law as applied to fire insurance

companies. The other law that the fire

insurance men wish to see defeated is sec-
